Jeff Reisel, Cranford, stated that he attended a Freeholder Meeting last year representing the men's group from Ash Brook Golf Course, where there was a presentation made by KemperSports. He said initially he was not in favor of having an outside company manage the courses. However, he stated that the greens and the fairway are in great condition along with the new driving range. He stated that the NJSGA will give great exposure to the Galloping Hill Golf Course and the venture between KemperSports, Union County and the golfers has benefitted everyone involved. He commends Director of Golf Operations Armando Sanchez for doing such a fantastic job.

Bruce Paterson, Garwood, stated that he was impressed with the two presentations. He added that the true purpose of government is to maintain the safety of citizens.

Mr. Paterson commented on Resolution 2010-585. He stated that he believes that the individuals should be paid at the end of the program, just in case they do not complete the program. On Resolutions 2010-591 through 2010-594, he asked if the Resolutions will offset any County taxes for the residents. On Resolution 2010-673 “b,” he claims that a lot of money went out to competitive bid and asked if there was a vendor available locally at a lower price. On 2010-673 “e,” he believes that Aggreko, LLC is more expensive than Carrier and asked if the contract was awarded by competitive bid. On 2010-609, he stated that it is a substantial amount of money for professional design and construction. On 2010-610, he claims that Birdsall Group is a political party donator and remarked that this Resolution for more engineering services. On 2010-614, he said, again, this is for professional engineering construction and asked who is overseeing these bids and said that they are all non-competitive bidding. On 2010-625, he asked for an explanation.

Chairman Sullivan responded to Resolutions 2010-591-594, stating that they are grants from the State and they should not have any effect on taxes.

Director of the Division of Purchasing stated that in reference to Resolution 2010-601 “b”, the bidder is a national bidder, but will hire local workers and 2010-601 “e,” the vendor specializes in the maintenance of ice skating rinks and stated it was a public bid.

County Counsel Barry responded to the question regarding Resolution 2010-625. He stated that not only was the amount for litigation, it was also for personnel matters as he was a
former Correction’s Officer where there were criminal charges filed and subsequently there was an acquittal. He stated that Mr. White’s attorney filed a claim for $120,000 for reimbursement of legal fees and Mr. White also filed litigation for allegations of certain civil rights violations and conspiracy relative to his indictment, outstanding workman’s compensation claims, disciplinary action and pending disability retirement. ### Public Comment Portion

The meeting is open to the public for the purpose of commenting on any matter.

Joseph Dougherty, Elizabeth, stated that wanted to present his prepared statement at the June 10th Freeholder Meeting, but was unable to attend. He read his statement that pertained to criticism as he referred to the May 20, 2010 Freeholder Meeting. He gave his opinions and suggestions on how behavior between the public and the Board at Freeholder Meetings. He also spoke about immigrants and terrorism.

Helen Dickson, Summit, said that she is not used to meetings held in this capacity, discussing golf courses. She said the State has a $46 million dollar deficit and they are discussing laying-off 475 employees and almost half of their police force. She stated that many towns that surround Summit are also laying-off their police force. She commented on the 60% approval rate of Governor Christie’s hard cap of 2.5% and hopes to see it on the ballot at the November election. She asked if the Freeholders will support his plan. She
remarked that County employees have had no raises, yet the County is spending money on “wants” not “needs.”

Jim Buettner, Cranford, asked for an explanation of the bidding process.

Chairman Sullivan asked Director of the Division of Purchasing Michael Yuska to explain the bidding process.

Director Yuska gave an example for purchasing sand for bunkers for the Galloping Hill Golf Course:

He stated that Director of Golf Operations Armando Sanchez works in accordance with the Department of Engineering and Public Works and Facilities on the scope of the work and materials needed, then they look into possible vendors and their qualifications. It is then made public via the newspaper and on the County website. After ten days of the publication, there is a bid opening and these bids are received in sealed envelopes and then open in a public forum. The paperwork is given to County Counsel for their review and then it is sent to the Director of the Department to review the vendor’s qualifications and references. The vendor is chosen with the lowest bidder with the best qualifications. Finally, it is presented to the Board of Freeholders for consideration and approval.

John Bury, Kenilworth, stated that he had some questions regarding the debt service for 2010. He said that the current operating budget is $48 million dollars and asked if the $4 million for the Open Space, Recreation and Historic Preservation Trust Fund is included in the budget. He also asked for the amount of the bond anticipation notes, the coupon rate for the notes and why bond anticipation notes are being used rather than bonds. He stated that bond anticipation notes are typically used when interest rates are high, but are expected to be lower later in the year.

Mr. Bury commented on the taping of the Freeholder Meetings. He stated that it appears that the tapes are being edited.

Chairman Sullivan called upon Director Caroselli to respond to the bond anticipation notes.

Director Caroselli stated that the total debt service which is included in the 2010’s budget is $47,751,045 and has been authorized to be paid in the 2010’s budget. He said it is exactly how it is stated on sheet 30 of the 2010 budget. He said the debt service funded through the Open Space, Recreation and Historic Preservation Trust Fund is included in that figure and nothing is hidden. He also stated that the total bond anticipation notes that they received today was $182,746,250 and the respective coupon rates from Beneficial was 1.25% with a premium of $393,500, which brought the net interest cost to .463%. He said that they received a coupon rate of 2% for the balance from Wells Fargo, and they received a premium of just under $2.4 million. Director Caroselli explained that the use of the bond

anticipation notes are even lower than bonds and based on the overall debt, outlook and maturity schedule, the issuance of notes rather than bonds has been deemed to be more beneficial by himself, his staff, advisors and Bond Counsel. He stated that they analyze and determine what the best process should be.

Chairman Sullivan stated that he has full confidence in Director Caroselli’s financial expertise and his decisions.

Chairman Sullivan also stated that the Freeholder Meeting tape was presented to the television stations the way it was taped at the Freeholder Meeting and they do not get edited.

Mary Ellen Taylor, Berkeley Heights, stated that she finds it appalling that the tapes are being edited. She said she spoke to a woman from Texas regarding guardianship abuse for the disabled and the costs for attorney fees. She made comments about ADA violations.

FREEHOLDER REPORTS AND COMMENTS

Freeholder Kowalski stated that Union County has an outstanding Human Service Department and we are responsible for Union County residents not residents of Texas.

Freeholder Kowalski stated that many residents may be taking a “staycation” this year and our Union County parks are loaded with fun things to do all through the summer, like fishing at many of our parks, pedal boat in Warinanco Park or Echo Lake Park. Boats can be launched at a lake in the Watchung Reservation and swimming pools are available in Rahway and Linden which will both open before the end of this month. She stated that hiking at the Reservation or a nice walk around the refurbished Oak Ridge Park or biking part of the Union County Greenway is also possible. Horseback riding is available at the stables and on July 18th there will be an open house at the stables for visitors. Pickleball is available in Union Township or one could sign up for archery in Oak Ridge Park.

Freeholder Kowalski stated that if one wishes to kick-back, there is plenty of opportunity to do that, too, by sitting on a bench and enjoy the quiet of nature or go to a free concert or free movie in our parks.

Freeholder Kowalski stated that the County’s Family Flix series kicks off on Tuesday, June 29th, beginning at dusk. She stated that this year, there will be preview activities starting at 7:15 p.m. for the whole family to enjoy.

Freeholder Kowalski stated that in terms of entertainment, the Union County Summer Arts Festival 2010 concert series will begin a new season of music on Wednesday evening, June 30th with a performance by “Tramps Like Us,” one of the most recognized Bruce Springsteen tribute bands. She urged the public to attend, it is free and it begins at 7:30 p.m. in Echo Lake Park in Mountainside.
Freeholder Kowalski said that many events are free; some charge a nominal fee, and/or require a license. For more information on all of these programs, you can visit the website at www.ucnj.org, and sign up for the parks e-newsletter which is a monthly schedule. If you wish to call, the phone number is 908-527-4900.

Freeholder Mirabella stated that each year, around this time, we start to get calls from music fans all over Union County, asking if we are going to have MusicFest again. Freeholder Mirabella stated that MusicFest is an important part of our free summertime recreation programming, which also includes the Rhythm and Blues by the Brook festival, nine evening concerts, and seven movies. He announced that MusicFest is scheduled for Saturday September 11th and Sunday September 12th.

Freeholder Mirabella announced this year’s lineup, which will feature international touring stars, Spoon and The Bravery, Grammy nominee and New Jersey native Robert Randolph, and many others. By popular demand, The Country Fair at MusicFest will also return. This full scale carnival will open on Wednesday September 8th, and last until MusicFest concludes. More artists and attractions will be announced next month, so check the MusicFest website for updates at www.ucmusicfest.com.

Freeholder Mirabella stated that schools are closed this week for summer and urged everyone to be careful driving.

Freeholder Ward stated that in light of continuing weakness in the national economy, more families are relying on Union County programs for free and affordable ways to enjoy the summer. She said she was pleased to say that the entire Freeholder Board is fully committed to keeping our summer recreation schedule going strong, to serve all Union County residents. With that in mind, I’d like to recommend the Wednesday, Matinee Series at Trailside Nature & Science Center. This is a series of live shows, designed with an audience of children 4 years old and up. Tickets are modestly priced at $4.00 each.

The shows feature talented performing artists who entertain with music, movement, magic, and much more, while they educate youngsters about science and environmental topics and the series begins on July 7th and continues every Wednesday through August 11th. She urged the public to get more information by visiting the County website at www.ucnj.org/trailside, or call Trailside at 908-789-3670.

Freeholder Ward stated that Christopher’s Program is a new initiative of Freeholder Chairman Daniel Sullivan and representatives from Christopher’s Program will be attending the July 8th Freeholder Meeting to familiarize the rest of the Board with the Program. County Manager Devanney stated that there were fifteen seconds missing from the last Freeholder Meeting and it was due to a tape change. The second part of the tape started when Ms. Mary Ellen Taylor of Berkeley Heights approached the podium. He stated that the meeting was four hours in length and we did not experience any problems from our end.
County Manager Devanney responded to questions pertaining to the increase in dollar amounts in Resolutions 2010-610 and 2010-614. He stated that they are both State and Federal funds. He explained that Resolution 2010-610 is for a $2.4 million energy grant to improve County facilities with solar panels. He stated that originally the plan was to improve six facilities, however, when they realized the grant amount, they are now able to improve additional facilities, hence, changing the scope and increasing the amount of the contract. He said the projects had a Request for Proposal (RFP) in both instances and the amendments are consistent with the price structure that was presented to the County when they originally did the RFP and there were a number of firms.

Chairman Sullivan announced that Wheeler Park Pool will open on June 26th. He thanked everyone that is involved with the golf operations and stated that he is very pleased with the outcome.

Chairman Sullivan announced that the concert series will begin June 30th on Wednesday nights and will either be at Oak Ridge Park in Clark or Echo Lake Park in Mountainside.

Chairman Sullivan stated that Governor Christie has proposed a 2.5% cap and the Senate President has proposed a 2.9% cap. He said the Freeholder Board will be reviewing both proposals to determine the effects on the County and is not certain which budget year it will be for, either 2011 or 2012. He stated it is important how the County’s money is spent, especially on public safety and emergency management as it was made evident by the earlier presentation.

Chairman Sullivan thanked Director Moran and Director Scaturo for their presentation and commented on importance of the equipment and personnel. He said it is unlikely that the County will consider the lay-off of police, fire or Emergency Management Services as they are vital to our community.

Chairman Sullivan wished everyone a Happy Fourth of July and announced that the next Freeholder Meeting is an Agenda Meeting that is scheduled for July 8th.
