

Department of Parks and Recreation

The Westfield Parks Office will be closed for the morning of Thursday, February 22, 2018. The office will open for the day at 1:30pm and remain open until 7:00pm.

Sledding at Echo Lake Park

Union County is home to 36 parks that encompass nearly 6,200 acres. The parks cross the gamut from small neighborhood parks to the nearly 2,200-acre Watchung Reservation, the crown jewel of the Parks system and home to Trailside Nature & Science Center, Watchung Stable and The Deserted Village of Feltville.

Whether you're seeking a leisurely stroll, a nature lover out birding or looking for a hike in the mountains or along a lazy river, it's all out there in your backyard, including a host of multi-use trails that are also open to bicyclists. The multi-use trails are paved and are also suitable for strollers, wheelchairs and other equipment used to assist those with disabilities.

Enjoy. For additional information, feel free to contact Parks, 908-527-4900 or parksinfo@ucnj.org.
