

Empowering Women to Go Out and Make History

Union County, NJ - In recognition of Women's History Month, the Union County Board of Chosen Freeholders through the Department of Human Services Union County Office on Women presented "Empowering Union County Women to Go Out and Make History" last Friday at Maskers Barn in the historic Deserted Village of Feltville.

The free event provided Union County women with an opportunity to recharge after a long winter, by engaging with their strengths and capabilities through yoga and guided meditation.
