of ALC. ALC may in its sole and absolute discretion withhold any and all such written consents and refuse to agree to any and all such written modifications hereof.

20. Governing Law. This Agreement shall be governed by and construed and performed according to the laws of the State of Georgia.
21. Waiver. The failure by either party to this Agreement to enforce at any time, or for any period of time, any one or more of the terms or conditions of this Agreement shall not be a waiver of such terms or conditions or of such party's right thereafter to enforce each and every term and condition of this Agreement.
22. Separability. Should any clause, sentence, provision, paragraph or part of this Agreement for any reason whatsoever, be adjudged by any court of competent jurisdiction, or be held by any other competent government authority having jurisdiction, unenforceable, or illegal, such judgment or holding shall not affect, impair, or invalidate the remainder of this Agreement, but shall be confined in its operation to the clause, sentence, provision, paragraph or part of this Agreement directly involved, and the remainder of this Agreement shall remain in full force and effect.
23. Modification. This Agreement may be modified only in writing signed by both ALC and Dealer.
24. Entire Agreement; Etc. This Agreement, including the terms and conditions of the attached Exhibits, constitutes the entire agreement between the parties and supersedes all prior negotiations, representations, warranties, covenants, agreements and understandings between the parties. Should the parties use their respective business forms, including purchase orders, terms and conditions contained therein shall be deemed superseded to the extent inconsistent with the terms of this Agreement. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original but all of which shall constitute one and the same document.

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed by their respective authorized representatives on the day first above written.

WARRANTY

Provide description or attach copy of warranty on this page.

Warranty Policies

Unless otherwise stated, all Automated Logic (ALC) products listed in the price list will carry the following warranty:

New Electronic Equipment and Products:

Standard products carry a warranty of 24 months which begins on the original ship date.

Accessories and Cables:

Carry a warranty of 90 days which begins on the original ship date.

Repaired Equipment:

Product repairs are warranted for 90-days beginning on the date of repair.

Alterations or misuse of an ALC product will void all warranty of that product. For further details on the warranty of Automated Logic products contact ALC's Customer Service Department (770) 429-3006.

RMA Policies for In-Warranty Products:

Field Offices have two options available to them concerning Return Material Authorization (RMA) handling of in-warranty modules.

1. Warranty Replacement (WR): WR is for items of a critical nature that must be shipped by ALC prior to removal of the failed product from the field. This option will only be available during the first 120 days of the warranty period. A WR RMA may be requested by calling Customer Service at (770) 429-3006. The RMA number should be marked on the outside of the box.

An order for the replacement item will be generated with a ship date of the following business day. This customer order will contain the assigned RMA number and will be processed showing full replacement cost with a 30 day delayed billing. If the damaged item is returned to ALC with the proper RMA number attached and the initial inspection reveals a failure covered by the warranty, then an invoice will not be issued. If the damaged item is not returned to ALC within 30 days or the failure is not covered by the warranty, including "no problem found", an invoice will be issued for the replacement item and for the original item repaired and returned to the Field Offices.

2. Warranty Repair and Return (WRPR): If a product should fail within the warranty period, but after 120 days from the original ship date, a WRPR will apply. An RMA may be requested directly from Automated Logic's website. (for Lighting Products Call Customer Service at 770 429-3006). The RMA number should be marked on the outside of each box. WRPR items will normally be repaired and returned within 5 to 7 business days of the receipt date of the item. No charge will be issued provided that the item experienced a failure covered by the warranty. Only if the failure is not covered by the warranty, will an invoice will be issued for the repair of the item.
