PUBLIC COMMENT PORTION

The meeting is open to the public for the purpose of commenting on Resolutions being offered for adoption only.

Clerk of the Board James Pelletiere asked for Chairman Carter's indulgence to clarify and explain Resolution 2013-823. He stated that it is a Resolution to modify the 2013 budget in the amount of \$18,000 as a result of Department of Health and Senior Services, a Program called Office on Aging-State Grant. He stated that on last week's Agenda it was introduced in the amount of \$1,241,240 for a different grant state aid. He clarified to the Board and the public that it is dollars coming in from the State to help offset cost to County salaries for the Division of Aging of the Department of Human Services.

Pat Mochetti, New Providence, spoke about Resolution 2013-826, asking if the Change Order amount was including in the budget, and if not, what was not purchased in its place.

Director Graziano stated that Resolution 2013-826 is lower than the original amount of this project. He said that it was estimated at \$1.5 million, but it is currently \$1.175 million, requiring no funds need to be moved.

Jim Buettner, Cranford, asked for the purpose of the Change Order relative to Resolution 2013-826. He asked why money is being spent on installing generators at Runnells Hospital.

Director Graziano stated that Resolution 2013-826 is not for installing generators at Runnells, it is a service contract for maintenance and repairs on all emergency generators at seven different locations throughout the County. Director Graziano stated that the Change Order will allow for these upgrades.

Vice Chairman Hudak stated that there was an article in the Star Ledger regarding the RFP that is out on the operations of Runnells Hospital. There is no predetermined outcome. He said they are currently going through the process to make a decision about Runnells Hospital and the facility remains a viable facility to serve the residents.

Chairman Carter also said that the Board is committed to maintaining the Hospital at the same high standards as usual.

Bruce Paterson, Garwood, stated that he appreciates the explanation made by Director Graziano regarding Resolution 2013-826. However, he feels that the architects are to blame for the power structure at the Ralph G. Froelich Building, and it should not become the burden of the tax payers. Mr. Paterson made comments regarding the Board's continued financial support of the UCPAC.

Mr. Paterson thanked the Board for the savings of \$1,000 per month for Resolution 2013-820, and asked for the reason of the large cut in funds. As per Resolutions 2013-821 through 823, Mr. Paterson asked if they were considered in the previous budget.

Mr. Paterson thanked the Board for the shared services agreement with the Borough of Garwood.

Chairman Carter asked Director Graziano to further explain Resolution 2013-827.

Director Graziano stated in reference to Resolution 2013-827, the building was designed prior to the start of the project. He said at the time, they did not anticipate expanding the dispatch center.

Director Guzzo stated that in response to Mr. Paterson's questions regarding Resolution 2013-818, the contract is with the Union County Performing Arts Center because they are centrally located. It is a State mandated program and it costs less than previously paid. In reference to Resolution 2013-820, there was a mutual agreement between the vendor and the County and the overall price was negotiated to be less.

Director Guzzo stated that Resolution 2013-821 is new money that has been made available by the State for a new program to allow staff to visit seniors in hospitals. They teach the seniors how to manage their care and assist with their needs. He explained that Resolutions 2013-823 is to offset County salaries.

Director Graziano stated that the dollars pertaining to Resolution 2013-822 was included in the budget.

PUBLIC COMMENT PORTION

This meeting is open to the public for the purpose of commenting on any matter.

Chairman Carter asked County Manager Faella to make a statement.

County Manager Faella stated earlier this week, he received news that Neil Palmieri, the former Director of the Division of Facilities Management, pled guilty in a Federal Court to criminal charges pertaining to mail fraud relative to his employment at the County. He said the County is outraged by this former employee's reprehensible actions which occurred between January, 2006 through September, 2010. The County will pursue every legal means available to it to insure full and complete restitution of all losses resulting from this crime. With regard to our procurement process, we comply with the New Jersey State Local Public Contracts Law and Local Fiscal Affairs Law. As an added level of protection this year, he said we have also created and started the Asset Management system for the effective management and acquisition of county assets and property. While no procedure is ever fool proof, we have 'zero tolerance' toward theft and corruption in County Government and we applaud the prosecution of those who perpetrate such actions. It is important to stress that the actions of one person are not representative of the organization as a whole. County employees are committed to serving the public and maintaining the public trust.

Chairman Carter agreed that the County has a zero tolerance policy for theft and corruption.

Bruce Paterson, Garwood, stated that he was glad that the County has a zero tolerance towards theft and corruption. He said that regarding the asset management system, the County should thank Tina Renna and the Watchdogs for their investigations, resulting in the County implementing a tracking system. He said the next step is enforcing it.

Mr. Paterson also spoke about the matter about former Director of Facilities Neil Palmiere and read his resignation letter that was addressed to Director Graziano. He hopes that things will change for the better.

Mr. Paterson also mentioned that the public is allowed to make comments. It does not always have to be a question.

Chairman Carter said that comments and questions are welcomed by the Board, but need to be during a specific section of the Agenda.

Anne Howard, Vice President of Health and Professional Allied Local 1512 (HPA), attended the meeting to represent 12,000 nurses, including 60 registered nurses from Runnells. Fred Gorman also with HPA, provided the Clerk of the Board with a signed petition of more than 1,500 signatures to save Runnells Hospital.

Ms. Howard read a statement with several questions regarding the RFP. The list of questions was provided to the Clerk of the Board and Chairman Carter stated she would provide the answers to her.

Chairman Carter stated that the RFP was offered by the Union County Improvement Authority.

Special Bond Counsel Jonathan Williams stated that the RFP process is a transparent process and if the questions were provided to him, he would be more than happy to answer them.

Sara Todisco, Council Member of the Borough of Garwood, thanked the Board for the shared service agreement for the ladder truck.

Mr. Buettner stated that the public would be interested in the last speaker's questions and asked if they could be answered at the next Freeholder Meeting. He thanked the Board for taping the Agenda meetings and have them made available to the public.

Mr. Buettner asked if County Manager Faella has the figures associated with the Galloping Hill Golf Club that he mentioned at the last Freeholder Meeting.

Mr. Buettner welcomed Freeholder Granados to the Freeholder Board and asked for his qualifications.

Mr. Buettner asked if the classes pertaining to Resolution 2013-818 can be held in a County owned facility to save money.

Mr. Buettner mentioned the upcoming Freeholder Debate.

Chairman Carter asked County Manager Faella if the figures for the Galloping Hill Golf Club costs were provided to Mr. Buettner.

County Manager Faella stated that the numbers are being derived from a number of sources and they are still gathering the data.

Chairman Carter stated that the Asset Management System was put into place this month, adding that this system will assist in tracking County equipment. She said the current Freeholder Board, along with the help of former Freeholder Sullivan have made certain that the system was put in place. She said that the new Chairman of the Policy Committee, Freeholder Jalloh, has made sure that he and the Policy Committee members are implementing the policies, training and guiding the Directors and Personnel to make sure they are in compliance with the policies, and the equipment is efficiently tracked.

County Manager Faella explained that the Asset Management System is a combination of software and a number of various systems, as well as being controlled by our Personnel Department. He said that they will work hard to make sure our assets are efficiently controlled.

Mr. Woody Phillip, a member of the Haitian Flag Day Parade Committee thanked the Freeholder Board for their support.

Pat Mochetti, New Providence, asked Freeholder Kowalski for a summary of what she has done while being on the Board to create jobs and her plans if she is re elected. He also asked questions pertaining to job training programs.

Mr. Mochetti stated that tough consequences should be given to County employees who are criminally charged for wrong doings relative to their employment as a County employee, and their pensions should be eliminated.

Mr. Mochetti made reference to Freeholder Granados' age and work experience.

Chairman Carter stated that she worked hard at the age of 26.

County Counsel Barry stated that in reference to Mr. Mochetti's comments, both defendants have been ordered to pay \$100,000 each in restitution to the County before sentencing, which will make the County whole. He stated that in reference to the pension, his entitlement is made by the pension board, not the County. But, given the guilty plea, he believes that the forfeiture statute in New Jersey requires that he would have to forfeit his pension. He resigned and did not attempt to retire. He explained further that if there was an application submitted in the future for his pension, since it is considered a Federal crime, it would have to be addressed by the Attorney General's Office, and it would probably be opposed.

John Bury, Kenilworth, questioned County Counsel Barry's statement relative to Mr. Palmieri's eligibility towards his pension.

Mr. Buettner believes that the staff at Runnells Hospital should have their questions answered.

FREEHOLDER REPORTS AND COMMENTS

Freeholder Granados announced the Ribbon Cutting for the dedication of the new turf field at Phil Rizzuto Park on Saturday, October 12th at 11:00 am. He said the new turf will enable Union County residents to use the field year-round for soccer, football and other sports.

Freeholder Bergen responded to Mr. Paterson's comments regarding Runnells Hospital. He stated that no decision has been made to date about the outcome of Runnells Hospital. He said the RFP gives the Board the opportunity to find out what his best options are. He agreed that the employees of Runnells Hospital deserve answers, but that they deserve thoughtful and accurate answers.

Freeholder Kowalski said the Walnut Avenue Speed Limit in Cranford has been reduced to 25 mph throughout the entire roadway. She said it differed from 25 to 35mph along Walnut Avenue. She believes that the uniform speed limit of 25 mph will provide Cranford residents and visitors with improved safety along that corridor.

Freeholder Kowalski also announced that on Thursday, October 17th, a groundbreaking ceremony for the new family Court building will be held on the corner of Rahway Avenue and Cherry Street in Elizabeth.

Freeholder Kowalski invited the public to the Four Centuries in a Weekend and encouraged all to visit the website for more information.

Freeholder Kowalski also stated that she will not respond to questions regarding jobs. She said she stands with her colleagues in the County and County record stands alone.

Freeholder Kowalski spoke about Union County Means Business that allows for networking and brings businesses together. She also mentioned the One Stop Center that trains people and helps in locating jobs.

Freeholder Wright announced that October is Breast Cancer Awareness Month and its statistics and its importance to be screened.

Freeholder Mirabella announced the County's Columbus Day ceremony to be held tomorrow at the

Courthouse steps.

Vice Chairman Hudak spoke about the government shut down and its affects to the County and its residents. The County will continue to provide essential services. He also spoke about the importance that the County continue to have a transparent process relative to future Runnells Hospital operations.

Chairman Carter echoed Freeholder Bergen's comments relative to Runnells Hospital. She asked the public to keep an eye out for seniors during this cold weather.

Chairman Carter mentioned that Wednesday, October 16th is the Special Election to replace U.S. Senator Frank Lautenberg. She also announced that there will be a dedication ceremony for the Jack and Margaret Meyers Residence Center in Rahway on October 11th. Union County contributed \$940,000 in funding to this project.

Statement on the re-organization or privatization of Runnells Specialized Hospital
Ann Howarth RN, Vice-President HP AE Local 5112
October 10, 2013

Thank you for the opportunity to address the Freeholder Board this evening regarding Request for Proposal submitted for the sale or lease of Runnells Specialized Hospital. My name is Ann Howarth, Vice President of the Health Professionals and Allied Employees (HPAE) Local 5112. HPAE represents 12,000 nurses and health professionals across the state, including the 60 Registered Nurses at Runnells Specialized Hospital.

The Request for Proposal for sale or lease of Runnells Hospital issued in September by the Union County Freeholders and Improvement Authority contained no guidelines, no protections and no benchmarks for maintaining quality of care and services, protecting the rights and working conditions of nurses and staff, or taxpayer accountability, or access to care for our residents.

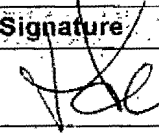

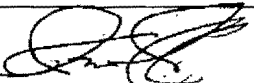

Now that the process has started, the potential buyers have had a bidders' conference and this week have toured our hospital. Yet many major questions remain unanswered. I respectfully ask that you answer the following questions here tonight:

- Where are the protections and standards for any bidder to honor existing contracts with staff?
- Where are the standards for providing and maintaining services and access to care for our residents?
- Can you tell us tonight what companies attended the initial meeting?
- How transparent will the process be? Will there be public hearings or forums with bidders? Will the bids be made public and at what point?
- Will bid specifications be more detailed than the existing RFP?
- Will you commit to protecting the working conditions and collective bargaining rights of the workforce?
- Will the County commit to honor its existing retiree contracts?
- The RFP says an undetermined number of beds will be reserved for county residents or public needs. When will we know how many beds are being considered?

We ask that the RFP be amended to include basic patient and worker protections, allowing Runnells Specialized Hospital to remain open to the community and residents of Union County and reducing the chances that delays will lead to additional losses for the County.

Date: Tue, Apr 2, 2013 9:54 am

Attachments: Runnells.FinalPetition.docx (27K)

Attached is the final petition please distribute to all employees willing to get signatures and please keep track of who you have given petitions to. All completed petitions can be given to Barbara Egger, President HP AE RN Local 5112 or Corrado Cotumaccio, HP AE Staff Rep.

Laura Minarch has spoken to the managers at the Stop&Shop in Berkley Heights who have agreed to allow us to set up petition signing outside their store. The store has the following dates available for petitioning: ~~Sat. 4/20~~ and Sundays 4/7, 14, & 28. The Stop & Shop has 2 separate entrances. Solicitors always set up at both. If we were to cover 8 hrs, with 2 - 4hr shifts, say 8 to 12 & 12 to 4, or 10 to 2 & 2 to 6, with 2 volunteers per entrance per shift, we would need a total of 8 volunteers for the day. Thank you Laura for doing the leg work on this action.

We would need 2 card tables & 4 chairs (anyone have these items to lend to the cause?) Please recruit people for these petition signing action. I will organize the signings please provide me with the persons name, contact info. and the date(s) & shift they are interested in. Please feel free to give them my email address for direct contact jpierce@hpae.org.

Let me know if you have any questions.

Attached is the final petition please distribute to all employees willing to get signatures and please keep track of who you have given petitions to. All completed petitions can be given to Barbara Egger, President HPAE RN Local 5112 or Corrado Cotumaccio, HPPE Staff Rep.

Laura Minarch has spoken to the managers at the Stop&Shop in Berkley Heights who have agreed to allow us to set up petition signing outside their store. The store has the following dates available for petitioning: ~~Sat. 4/26~~ and Sundays 4/7, 14, & 28. The Stop & Shop has 2 separate entrances. Solicitors always set up at both. If we were to cover 8 hrs, with 2 4hr shifts, say 8 to 12 & 12 to 4, or 10 to 2 & 2 to 6, with 2 volunteers per entrance per shift, we would need a total of 8 volunteers for the day. Thank you Laura for doing the leg work on this action.

We would need 2 card tables & 4 chairs (anyone have these items to lend to the cause?) Please recruit people for these petition signing action. I will organize the signings please provide me with the persons name, contact info, and the date(s) & shift they are interested in. Please feel free to give them my email address for direct contact jpierce@hpae.org.

Let me know if you have any questions.
