POLL WORKER TRAINING SCHEDULE

Space and training sessions are limited. In-Person training is for First Time Poll Workers and Poll Workers who have not been trained since the 2023 General Election.

All other poll workers shall utilize the on-line training portal.

Thank you for working on Election Day as a poll worker with the Union County Board of Elections to ensure our communities can exercise their right to vote. Your participation is very much appreciated!

TRAINING REQUIREMENT

Pursuant to State Statute, each new poll worker must receive training prior to working on Election Day and every two years thereafter. First timers must train in person. Please allow approximately 2 hours for training. If you are not on time, you will be asked to leave and attend another training.

REGISTER FOR TRAINING

Please do not leave training until the last possible moment; you may be turned away due to space restrictions. You can reserve your seat online at our poll worker website: www.ucnj.org/pollworker.

RATE OF PAY (AND PENALTY FOR NOT TRAINING WHEN REQUIRED)

The daily rate for serving as a poll worker is \$300. If you do not attend training when you are required to, a new law requires your pay to be reduced equal to minimum wage. In 2025, your pay will be \$16.08 per hour or \$225 for the day if you do not attend required training. If you are a new poll worker, you are required to be trained in-person.

If you are a seasoned poll worker last trained in the 2023 General Election, you are required to complete training, either in-person or virtually. Virtual training can be accessed at www.ucnj.org/pollworker.

This detailed training is designed to provide Union County's Poll Workers with the knowledge and tools necessary to be an effective and educated poll worker.

The schedule of available training sessions is on the back side of this sheet. You only need to attend one training course.

I look forward to seeing you then!
