1. **SELECTION OF CHAIR AND VICE CHAIR.** At the organizational meeting on or about January 1st, or as otherwise provided by law, the Board shall choose a Chair and a Vice Chair by a majority vote of the whole number of the Board (5 votes). The term of office shall be for one year. The Chair and Vice Chair shall receive additional compensation for this position. The Board may also approve a Chair pro tempore for a one-year term to serve as Chair pursuant hereto. Any vacancy may be filled in a similar manner, for the unexpired term.
2. Members need not be physically present to vote as they may vote via teleconference or other electronic means allowing for 2-way verbal communication.
3. Any person who at any time shall act in such a manner as to disrupt the ability of the Board to conduct its business, including by failing to yield the floor upon their speaking time running out, shall, at the presiding officer's discretion, be subject to being removed from the meeting room until such time as the disruptive behavior is ceased. Upon any such person resuming such disruptive behavior, they may be removed from the meeting room for the rest of the meeting.
4. **RULES AS TO PUBLIC COMMENT.**
 - (a.) As concerns any public comments to the Board, each member of the public, as to each public session, shall be limited to one (1) appearance and shall have the floor for no more than five (5) minutes. The Chair may also limit individuals to less than five (5) minutes if the Chair deems these statements made by the public to be repetitive; the number of persons wishing to address the Board appears to be lengthy; or if the weather or lateness of the hour so requires. No person may speak more than once during any public session. No speaker may speak more than the allotted time by requesting to use any other person's time or portion thereof. All questions from the public shall be directed through the Chair. Members will direct their questions or comments through the Chair and shall limit their responses to the individual member of the public who is speaking to the Board at that time. Non-county residents may speak only after County residents have been heard.

THE BYLAWS OF THE UNION COUNTY BOARD OF COUNTY COMMISSIONERS

- (b.) No speaker shall make any inflammatory personal comments or attacks, threats or engage in the use of vulgar comments or profanity.
 - (c.) The presiding officer shall have the authority to enforce these rules by ending a speaker's time early or by having the speaker removed from the meeting room.
5. **VOTING.** A quorum must be present for any official act of the Board. The Clerk shall poll the Board in alphabetical order with the presiding officer to be polled last and the alternate presiding officer, next to last. When polled, a Member may pass, vote aye, nay or abstain. If a Member shall pass, the polling shall continue and after all Members are polled, the Member who passed shall then vote the Member's preference.

If that Member does not express a preference at that time, the Member's vote shall be recorded as an abstention.

During the time of polling, there shall be no discussion and no Member shall be required to explain their vote. There shall be no further discussion on the matter. Resolutions need not be voted on individually. If a Member shall request a separate polling of the Board on any individual Resolution, that request shall be granted. Before the Clerk shall call the next vote, a Member may change their vote. The Clerk shall announce the vote and that vote shall be the official act of the Board. At that time, a motion may be made for reconsideration at the next regularly scheduled meeting but at no time thereafter, by any Member of the Board. This motion shall be non-debatable.

6. TREATMENT OF ABSTENTIONS

- (a.) Where no specific number of votes is required to pass a measure (i.e. only a majority of those present and voting), then a Member's abstention and silence during the voting should be counted as an affirmative vote. When the Member states opposition to the measure, the Member should be counted with the negative votes.
- (b.) When a specific number of votes is required to pass a measure (i.e. five (5) affirmative votes to pass an Ordinance¹), then there must be a minimum of five (5) affirmative votes and the measure will not carry if a sufficient number of votes can only be mustered by including silent abstainers among the affirmative votes.

¹ Refer to footnotes #2 and #3.

THE BYLAWS OF THE UNION COUNTY BOARD OF COUNTY COMMISSIONERS

- (c.) In the event the abstention is due to a disqualifying personal or financial interest, neither the presence nor vote of the Member should be counted in computing either a quorum or majority. The situation is comparable to a vacancy in the Membership.

7. RULES OF CONDUCT

- (a.) A Member shall not speak more than once until all Members have had an opportunity to speak, unless allowed by the Chair.
- (b.) For a Resolution, Ordinance, or motion to be discussed and considered by the Board it must be duly moved and must receive a second.
