May is Older Americans Month

The Administration for Community Living has announced that the theme for Older Americans' Month in 2021 is **Communities of Strength**

Older adults have built resilience and strength over their lives through success, failure, joy, and difficulty. Their stories and contributions help to support and inspire others.

In May, ACL will celebrate the strength of older adults and the Aging Network, with special emphasis on the power of connection and engagement in building strong communities.

There are many things we all can do to nurture ourselves, reinforce our strength, and continue to thrive. Connecting with others plays a vital role in our health and well-being, and in that of our communities.

This past year has more than strained the strength and commitment of our senior population to remain strong and continue participating in their communities.

Call the Union County Division on Aging for information on agencies that are continuing their connections to the county senior populations through COVID.

Division on Aging: 908 527 4870 Spanish 908 527 4863.

COVID-19 Vaccines

Directly call the senior specific hotline! Seniors, 65+, can call the senior specific NJ COVID Call Center Hotline

856 249 7007
