UNION COUNTY TUITION REIMBURSEMENT

Policy Statement

The County of Union, particularly the Board of Chosen Freeholders recognizes the importance of enabling employees to reach their personal goals while also creating a pool of qualified staff in the County which ultimately serves the citizens of the County of Union.

Although employees are encouraged to apply, selection into the Tuition Reimbursement Program of the County will be based on the employee's fulfillment of the eligibility requirements, availability of funds, and the employee's strong desire to improve the effectiveness and efficiency of the County of Union.

The County of Union has established partnerships with Kean University and Union County College (UCC) for courses leading to Associates', Bachelor's, Master's, and Doctoral degrees. The intent of the County's Tuition Reimbursement Program is to provide employees with the opportunity to enhance their education while applying the new knowledge learned to their own work situations within the County.

The County will consider other institutions on a limited basis and solely at the discretion of the County if the courses under consideration are NOT available at Kean University or UCC. The courses have to provide a path to a degree. Non degree continuing education or training should be addressed through the existing EPEC program with the appropriate Department head using that department's budget if approved by the County Manager.

General Eligibility Requirements

To be eligible for the Tuition Reimbursement Program, employees:

1. Shall possess a strong desire to pursue a career path in public service within Union County government. Shall be an active, full-time employee scheduled to work at least 35 hours per week at the start of coursework.
2. Shall be in good standing with a satisfactory performance record and receive approval from the County Manager or designee. Potential students should NOT apply for a program anticipating reimbursement without being approved by intended institution as eligible to attend classes. *Approval of tuition reimbursement is NOT AUTOMATIC and is considered on an annual basis. Approvals of the applications will be given on a first come first served basis upon receipt and review of the eligibility criteria. Your reimbursement amount is determined annually pending the availability of funds and the approval of the Board of Chosen Freeholders as to the Program and the amount allocated for reimbursement per accepted employee.*
3. Shall sign the County of Union Tuition Reimbursement Repayment Agreement available from Personnel and submit it with your application. Reimbursement is based on grades higher than a "C" or better in both undergraduate and graduate coursework. PLEASE NOTE: Results lower than a "C" or an incomplete shall not be eligible for reimbursement.

4. Shall provide within thirty (30) days after completion of the course(s) evidence of satisfactory grade along with the course name and number, an itemized receipt for tuition per semester, and proof of payment.
5. Employee must meet all criteria for acceptance to the proposed institution.
6. Employees must have served at least twelve months of employment with the County to be considered.

All courses are to be taken and coursework completed during non-working hours. No wages shall be paid for attendance in any courses.

Union County reserves the right to suspend or amend the program at its will. This restriction does not apply to employees who obtained prior approval and are actively attending class.

No reimbursements will be made to former employees, employees who have given notice of resignation, or who have been notified that they will be involuntarily terminated. This includes situations in which approval of such reimbursement was previously provided and/or the course was satisfactorily completed prior to the date of termination. Involuntarily displaced employees will be eligible for reimbursement for any approved courses that are outstanding at the time of their job elimination if the employee submits proof of satisfactory course completion within 30 days of the completion of the course(s). The employee is ineligible, however, to be reimbursed for courses enrolled in after he or she has received notice of job elimination.
