## Warranty

### Attach or provide Warranty information for Lot #1.

Defib Store offers a 10-year warranty on the shell of the enclosure (assuming there is no evidence that the installation and maintenance instructions have not been followed).

Regular maintenance in accordance with our guidelines extends the life of the enclosure.

For electrical or component failure, Defib Store offers a 5-year warranty on the heater and light.

Lock functionality: 5-year warranty against mechanical malfunction of the lock - not caused by corrosion (see above Advised Regular Maintenance).

In the event of a product or part failure, please contact your distributor. The distributor will gather the necessary details regarding the issue and provide guidance including replacement parts as needed. The warranty covers the product. Please note that labor is not covered by your warranty.

The warranty only covers the products and not the installation.

Vandalism is not covered under the warranty, however, many of the cabinet parts are replaceable and available for purchase. Both products and labor will be chargeable in the event of vandalism.
