Today's Date: January 9, 2019
Supersedes: April 9, 2013, December 8, 2010 & September 22, 1995

RE: Solid Waste Transporter License

Dear Licensee:

The investigative report from the Attorney General required under N.J.S.A. 13:1E-126 et seq. was received by the Department of Environmental Protection (Department). Based on our review of the investigative report, the Department issued a solid waste transporter license on September 22, 1995 and December 8, 2010 and reissued a conditional approval on April 9, 2013 to: T Farese & Sons.

A Certificate of Amendment was filed with the New Jersey State Treasurer on December 5, 2018 for Direct Waste Services, Inc. to effectively replace T. Farese & Sons. Therefore, the conditional **Solid Waste Transporter License** is reissued in the name of:

DIRECT WASTE SERVICES, INC.

Please be advised that the license hereby issued is a "conditional" license and is modified by the terms and conditions as specified on the attached document as they have been put forth by the Attorney General's Office. Failure to meet the specified conditions will result in the revocation of this license.

This license is only issued to Direct Waste Services, Inc. for its exclusive use and control, and it **must be renewed annually by filing the Annual License Update form** as well as any other change of information concerning your company, or its operation as required by the Department.

Prior to commencing solid waste business operations, you are required to update your Certificate of Public Convenience and Necessity (CPCN). Questions regarding this certificate should be directed to (609) 633-1389. In addition, you are required to notify the NJDEP Vehicle Registration Unit of this name change.
