- (3) The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.

- (6) The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his/her books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.
- (7) In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in

The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

The applicant further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, That if the applicant so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

The applicant agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

The applicant further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the applicant agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceedings.

CONSTRUCTION CONTRACTS

During the performance of this contract, the contractor agrees as follows:

The contractor or subcontractor, where applicable, will not discriminate against any employee or applicant for employment because of age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex. Except with respect to affectional or sexual orientation and gender identity or expression, the contractor will ensure that equal employment opportunity is afforded to such applicants in recruitment and employment, and that employees are treated during employment, without regard to their age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex. Such equal employment opportunity shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Public Agency Compliance Officer setting forth provisions of this nondiscrimination clause.

The contractor or subcontractor, where applicable will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to age, race, creed, color, national origin, ancestry, marital status, affectional or sexual orientation, gender identity or expression, disability, nationality or sex.

The contractor or subcontractor will send to each labor union, with which it has a collective bargaining agreement, a notice, to be provided by the agency contracting officer, advising the labor union or workers' representative of the contractor's commitments under this act and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

The contractor or subcontractor, where applicable, agrees to comply with any regulations promulgated by the Treasurer, pursuant to N.J.S.A. 10:5-31 et seq., as amended and supplemented from time to time and the Americans with Disabilities Act.

When hiring or scheduling workers in each construction trade, the contractor or subcontractor agrees to make good faith efforts to employ minority and women workers in each construction trade consistent with the targeted employment goal prescribed by N.J.A.C. 17:27-7.2; provided, however, that the Dept. of LWD, Construction EEO Monitoring Program, may, in its discretion, exempt a contractor or subcontractor from compliance with the good faith procedures prescribed by the following provisions, A, B, and C, as long as the Dept. of LWD, Construction EEO Monitoring Program is satisfied that the contractor or subcontractor is employing workers provided by a union which provides evidence, in accordance with standards prescribed by the Dept. of LWD, Construction EEO Monitoring Program, that its percentage of active "card carrying" members who are minority and women workers is equal to or greater than the targeted employment goal established in accordance with N.J.A.C. 17:27-7.2. The contractor or subcontractor agrees that a good faith effort shall include compliance with the following procedures:

- (A) If the contractor or subcontractor has a referral agreement or arrangement with a union for a construction trade, the contractor or subcontractor shall, within three business days of the contract award, seek assurances from the union that it will cooperate with the contractor or subcontractor as it fulfills its affirmative action obligations under this contract and in accordance with the rules promulgated by the Treasurer pursuant to N.J.S.A. 10:5-31 et. seq., as supplemented and amended from time to time and the Americans with Disabilities Act. If the contractor or subcontractor is unable to obtain said assurances from the construction trade union at least five business days prior to the commencement of construction work, the contractor or subcontractor agrees to afford equal employment opportunities minority and women workers directly, consistent with this chapter. If the contractor's or subcontractor's prior experience with a construction trade union, regardless of whether the union has provided said assurances, indicates a significant possibility that the trade union will not refer sufficient minority and women workers consistent with affording equal employment opportunities as specified in this chapter, the contractor or subcontractor agrees to be prepared to provide such opportunities to minority and women workers directly, consistent with this chapter, by complying with the hiring or scheduling procedures prescribed under (B) below; and the contractor or subcontractor further agrees to take said action immediately if it determines that the union is not referring minority and women workers consistent with the equal employment opportunity goals set forth in this chapter.
- (B) If good faith efforts to meet targeted employment goals have not or cannot be met for each construction trade by adhering to the procedures of (A) above, or if the contractor does not have a referral agreement or arrangement with a union for a construction trade, the contractor or subcontractor agrees to take the following actions:
 - (1) To notify the public agency compliance officer, the Dept. of LWD, Construction EEO Monitoring Program, and minority and women referral organizations listed by the Division pursuant to N.J.A.C. 17:27-5.3, of its workforce needs, and request referral of minority and women workers;
 - (2) To notify any minority and women workers who have been listed with it as awaiting available vacancies;
 - (3) Prior to commencement of work, to request that the local construction trade union refer minority and women workers to fill job openings, provided the contractor or subcontractor has a referral agreement or arrangement with a union for the construction trade;

(4) To leave standing requests for additional referral to minority and women workers with the local construction trade union, provided the contractor or subcontractor has a referral agreement or arrangement with a union for the construction trade, the State Training and Employment Service and other approved referral sources in the area;

(5) If it is necessary to lay off some of the workers in a given trade on the construction site, layoffs shall be conducted in compliance with the equal employment opportunity and nondiscrimination standards set forth in this regulation, as well as with applicable Federal and State court decisions;

(6) To adhere to the following procedure when minority and women workers apply or are referred to the contractor or subcontractor:

- (i) The contractor or subcontractor shall interview the referred minority or women worker.
- (ii) If said individuals have never previously received any document or certification signifying a level of qualification lower than that required in order to perform the work of the construction trade, the contractor or subcontractor shall in good faith determine the qualifications of such individuals. The contractor or subcontractor shall hire or schedule those individuals who satisfy appropriate qualification standards in conformity with the equal employment opportunity and non-discrimination principles set forth in this chapter. However, a contractor or subcontractor shall determine that the individual at least possesses the requisite skills, and experience recognized by a union, apprentice program or a referral agency, provided the referral agency is acceptable to the Dept. of LWD, Construction EEO Monitoring Program. If necessary, the contractor or subcontractor shall hire or schedule minority and women workers who qualify as trainees pursuant to these rules. All of the requirements, however, are limited by the provisions of (C) below.
- (iii) The name of any interested women or minority individual shall be maintained on a waiting list, and shall be considered for employment as described in (i) above, whenever vacancies occur. At the request of the Dept. of LWD, Construction EEO Monitoring Program, the contractor or subcontractor shall provide evidence of its good faith efforts to employ women and minorities from the list to fill vacancies.
- (iv) If, for any reason, said contractor or subcontractor determines that a minority individual or a woman is not qualified or if the individual qualifies as an advanced trainee or apprentice, the contractor or subcontractor shall inform the individual in writing of the reasons for the determination, maintain a copy of the determination in its files, and send a copy to the public agency compliance officer and to the Dept. of LWD, Construction EEO Monitoring Program.

(7) To keep a complete and accurate record of all requests made for the referral of workers in any trade covered by the contract, on forms made available by the Dept. of LWD, Construction EEO Monitoring Program and submitted promptly to the Dept. of LWD, Construction EEO Monitoring Program upon request.

(C) The contractor or subcontractor agrees that nothing contained in (B) above shall preclude the contractor or subcontractor from complying with the union hiring hall or apprenticeship policies in any applicable collective bargaining agreement or union hiring hall arrangement, and, where required by custom or agreement, it shall send journeymen and trainees to the union for referral, or to the apprenticeship program for admission, pursuant to such agreement or arrangement. However, where the practices of a union or apprenticeship program will result in the exclusion of minorities and women or the failure to refer minorities and women consistent with the targeted county employment goal, the contractor or subcontractor shall consider for employment persons referred pursuant to (B) above without regard to such agreement or arrangement; provided further, however, that the contractor or subcontractor shall not be required to employ women and minority advanced trainees and trainees in numbers which result in the employment of advanced trainees and trainees as a percentage of the total workforce for the construction trade, which percentage significantly exceeds the apprentice to journey worker ratio specified in the applicable collective bargaining agreement, or in the absence of a collective bargaining agreement, exceeds the ratio established by practice in the area for said construction trade. Also, the contractor or subcontractor agrees that, in implementing the procedures of (B) above, it shall, where applicable, employ minority and women workers residing within the geographical jurisdiction of the union.

After notification of award, but prior to signing a construction contract, the contractor shall submit to the public agency compliance officer and the Dept. of LWD, Construction EEO Monitoring Program an initial project workforce report (Form AA-201) electronically provided to the public agency by the Dept. of LWD, Construction EEO Monitoring Program, through its website, for distribution to and completion by the contractor, in accordance with N.J.A.C. 17:27-7. The contractor also agrees to submit a copy of the Monthly Project Workforce Report once a month thereafter for the duration of this contract to the Dept. of LWD, Construction EEO Monitoring Program, and to the public agency compliance officer.

The contractor agrees to cooperate with the public agency in the payment of budgeted funds, as is necessary, for on-the-job and/or off-the-job programs for outreach and training of minorities and women. (D) The contractor and its subcontractors shall furnish such reports or other documents to the Dept. of LWD, Construction EEO Monitoring Program as may be requested by the Dept. of LWD, Construction EEO Monitoring Program from time to time in order to carry out the purposes of these regulations, and public agencies shall furnish such information as may be requested by the Dept. of LWD, Construction EEO Monitoring Program for conducting a compliance investigation pursuant to N.J.A.C. 17:27-1.1 et seq.

Any questions in this regard can be directed to the Division of Taxation at (609)292-6400. Form NJ-REG can be filed online at <http://www.state.nj.us/treasury/revenue/busregcert.shtml>.

Before final payment is made under the contract, the contractor shall submit to the Contracting Agency a complete and accurate list of all subcontractors used and their addresses.

Note: A N.J. Certificate of Authority is not acceptable.

- If possible, please submit all required proof of registration with the initial bid submission. Failure to submit proof of registration of the Proposer or any subcontractor named on the bid could delay the awarding of the bid, or result in the bid being rejected later. This is a non-waivable defect. This applies to construction bids, as well as non-construction bids.

COUNTY OF UNION

The purpose and intent of this public bid is the acquisition for the County of Union of a reputable and experienced vendor who can furnish and deliver **Electronic Network Equipment, Security, and Cabling** to various locations in Union County as per the following specifications.

In addition, please be advised that the work, materials or supplies requested in the specifications are being obtained through the County of Union cooperative pricing system approved and registered with the State of New Jersey. (State of N.J. Identifier #8-UCCP) The County of Union is the Lead Agency in the System and there are a number of governmental agencies participating in this contract. The specifics of which governmental agency is seeking what quantities are listed elsewhere in these specifications.

The cooperative pricing system is a straightforward arrangement. The County of Union advertises for and receives bids for itself and on behalf of all participating contracting units. Following the receipt of bids, the County of Union reviews said bids and upon certifying a lowest responsible and responsive bidder makes an award of a master contract for the County of Union alone. The County of Union shall enter into a formal written contract directly with the successful bidder only after it has certified the funds available for its own needs.

After recommendation of award of the County master contract by the using department of the County, the cooperative members will be provided the bid proposal information and decide individually whether or not to contract with the lowest responsible and responsive bidder subject to the specifications and prices set forth in the cooperative bid.

Each participating cooperative member shall also certify the funds available only for its own needs; meet any and all statutory requirements of the Local Public Contract Law & Rules; issue purchase orders in its own name directly to successful bidder; accept its own deliveries; be invoiced by and receive statements from the successful bidder; make payments directly to the successful bidder, and be responsible for any tax liability.

No participating contracting unit in the Cooperative Pricing System shall be responsible for payment for any items ordered or for performance generally, by any other participating contracting unit. Each participating contracting unit shall accordingly be liable only for its own performance and for items ordered and received by it and none assumes any additional responsibility or liability.

Bid price shall be firm for the duration of the 24 consecutive months of the contract. Contracts will be awarded to the bidder with the lowest bid price.

COOPERATIVE ASPECT:

Pursuant to the Local Public Contract Law and Rules, the successful contract would need to approve the extension to other cooperative members in writing to the County and enter into a separate contract with any such member using the pricing and terms of the Master Contract as basis.

Vendors who wish to extend pricing to the cooperatives if and when solicited by members of the cooperative to do so may then enter into a separate contract with the cooperative member. Orders from the members of the cooperative shall follow their own terms of their proposed separate agreements with the successful vendor but will still be based on the master contract.

The list below constitutes all the members as of this date. It is possible that other governmental units will ask to join our cooperative and ask to contract with the winning bidder.

8UCCP requests that respondents only respond if they offer prices lower than what they ordinarily offer on separate, county government, municipal government, and other governmental and quasi-governmental organization contracts as well as public educational institution, public college or university, community college, vocational or technical school contracts.

Fees: The 8UCCP charges awarded contractors an administrative or participation fee. These fees are based on the total amount ordered for which a vendor has received payment. All sales volumes resulting from this contract must be recorded by the contractor and reported to the 8UCCP on a quarterly basis. The reporting schedule is provided below for the convenience of the prospective respondent.

Quarter	Quarter Period	Report due to 8UCCP	Check due to 8UCCP
Quarter 1	April 1 st – June 30 th	July 15 th	July 30 th
Quarter 2	July 1 st – September 30 th	October 15 th	October 30 th
Quarter 3	October 1 st – December 31 st	January 15 th	January 30 th
Quarter 4	January 1 st – March 31 st	April 15 th	April 30 th

It is the responsibility of the contractor to accurately report all sales to the 8UCCP and to pay the administrative fee as specified. Fees should only be calculated for sales for which you have received payment. (Do not pay administrative fees on sales for which you have not yet been paid.) Vendors are in jeopardy of losing their contract if it is determined that they are not reporting sales accurately or not reporting sales by the due dates indicated in this bid. If in the event there are no sales, the vendor must still submit the quarterly report indicating zero sales. The 8UCCP reserves the right to request sales verification from our cooperative members to confirm actual sales or that the awarded vendor actually had no sales. Vendors need to list the name and contact information of the person responsible for submitting quarterly reports on the bottom half of the Vendor Contact Form. If this information changes during the award term, the vendor is responsible for updating the 8UCCP with any such changes.

The fee amount is listed here for the convenience of the prospective respondent.

County of Union, C/O Bureau of Information Technology
ATTN: Susan Dinizo
10 Elizabethtown Plaza, 3rd Floor

An Excel spreadsheet will be issued to all awarded contractors, on which they will report sales. An essential part of the bid evaluation process is to qualify the company being considered. All bids should contain answers or responses to the information requested in the Bid Forms. Any respondent failing to provide the required documentation may be considered non-responsive.

4. LOCATION OF WORK

Work to be provided at various locations in Union County at all owned or leased properties. The hourly rate bid shall include all costs of labor, overhead and transportation. The hours for which payment shall be made will be for the time on the job site only. Service orders from the service contractor shall be signed by an authorized County representative.

5. HOURLY LABOR RATES

Labor hours are shown in the proposal page for bid purposes only. We have attempted to accurately reflect a true picture of the approximate amount of labor hours that the County anticipates. The County does not guarantee any minimum number of hours and will pay only for the actual number of hours authorized and worked. However, for work performed in less than one (1) hour, the vendor shall be permitted to invoice the County a minimum charge of one (1) hour. **The labor charge should include all travel time. No additional travel will be honored.**

The State of New Jersey has decided that the Wage Determination for the field of service applicable to this bid falls mainly under the title: **Electrician**. However, if the assigned work specified in this bid falls under another trade, the rate for that trade shall prevail. If and when the Wage Determination hourly rate is increased by the State, these specifications hereby declare that the wage of determination shall be considered a benchmark and if that benchmark is increased by the State, the contractor will have the ability to ask for an increase in the contracted hourly rate of this public bid in that exact same amount as the posted State increase and, if judged to be in the best interests of the County of Union, a new hourly contract rate will be allowed.

The County of Union has existing service contracts for various trades, such as pipefitter. It would be a requirement of the successful bidder of this contract that he could work seamlessly with the other County contractors and/or County personnel if a repair project contained additional aspects to it other than data network service.

It is the policy of the County of Union to avoid scheduling any work that exceeds 8 hours a day and to avoid scheduling work on Saturdays, Sundays and Holidays. Therefore, the successful bidder will be determined by the regular hourly rate bid. In the rare event that the County asks the service contractor to work after hours, the allowance of a time and a half rate charge and/or double-time rate charge will be in accordance with the Wage Determination of **Electrician** or alternative trade for Overtime.

The contractor shall be wholly responsible for any and all costs involved in the performance of the specified service, including, but not limited to: Travel expenses, cleanup materials, tools*, equipment*, and safety supplies. In addition, the service contractor must submit proof that he is capable of possessing an aerial lift truck for outside facility work, that are in high areas and submit with bid a Certification from OSHA a 29 CFR 191.67 card that permits the operator to use an aerial lift platform and a bucket truck.

*In the extraordinary event that a particular job needs a tool or piece of equipment outside the parameters of what a qualified contractor would have at his disposal, such as a lift or a specialized diagnostic tool, the contractor shall immediately notify the County employee in charge of the service. The County then may, according to its own best interest:

1. Rent or buy the necessary tool or equipment on quotation from a third party.
2. Instruct vendor to rent tool on the behalf of the County and pass along the charge AT COST to the County. The County shall preapprove the rental as being of fair market value. No mark-up shall be allowed in this instance.

10. PAYMENT FOR BRAND NAMES PARTS/EQUIPMENT LISTED IN SECTION 14

The County estimates spending \$30,000 broken down by brand on the bid form page for Data Network parts/equipment as part of the service work and installation throughout the term of the contract. The contractor shall maintain an adequate inventory of applicable supplies, spare parts and replacement equipment within the service vans or at contractors place of business, in order that emergency repairs can be made to the using agency's equipment at once with a minimum of shut-down time. For the purpose of this Bid: assume security system parts/equipment for Brand Names listed in Section 15 at a set estimate of \$30,000. Pricing on this line is to be

based on a MARKDOWN percentage from known and published LIST Prices for the brand names listed. Price sheets for each brand name listed showing list prices are to be submitted with this bid and clearly marked as such. Computer-generated price listing either on paper, CD, or flash drive is acceptable. All parts are to be invoiced at catalog list price less the percentage (%) mark down on the bid form page for the brand names listed. List pricing page references should be marked for each invoice to the County to facilitate the review of their accuracy.

FURTHER, BE IT KNOWN THAT THE COUNTY INTENDS TO DO SIGNIFICANT UPGRADES AND INSTALLATION OVER THE COURSE OF THE CONTRACT. THE HOURS ESTIMATED AND THE ESTIMATES FOR THE DIFFERENT BRAND NAMES OF ALL THE EQUIPMENT ARE ALL TO BE CONSIDERED "MORE OR LESS" WITH THE MINIMUM TO BE USED FOR EACH LINE ITEM OF EQUIPMENT BEING CONSIDERED "ZERO" AND THE MAXIMUM THE DOLLAR ESTIMATE ON THE BID FORM PAGE. THOSE DOLLAR ESTIMATES MAY BE EXCEEDED FOR ANY ONE BRAND OF EQUIPMENT PROVIDED THAT THE FULL CONTRACT AWARD IS NOT EXCEEDED. IF ADDITIONAL HOURS AND/OR EQUIPMENT IS NEEDED, THE COUNTY MAY INCREASE THE TOTAL OF THE FULL CONTRACT AWARD THROUGH LEGAL CHANGE ORDER AND THE SUCCESSFUL BIDDER SHALL BE BOUND TO THE ORIGINAL BID PRICING BARRING EXTREME CIRCUMSTANCE.

The formula to determine discount for the Brand Names that we will be using in bulk is as follows:
EDF* minus (EDF* times the % of discount) = the subtotal of the group.

e.g., if the EDF was \$1,000 and the discount bid was 10%:

$$\$1,000 - (\$1,000 \times 10\%) = \$900$$

*EDF being the Estimated Dollar Figure

11. PAYMENT FOR PARTS/EQUIPMENT NOT LISTED IN SECTION 14

Parts/Materials Prices: All materials shall be invoiced at actual wholesale cost plus a percentage (%) markup. Copies of the supplier's invoices billed to the contractor reflecting actual costs shall accompany each invoice to the County. The contractor shall maintain an adequate inventory of applicable supplies, spare parts and replacement equipment within the service vans or at contractors place of business, in order that emergency repairs can be made to the using agency's equipment at once with a minimum of shut-down time.

12. INSTRUCTIONS FOR 1i ON BID FORM PAGE

For the purpose of this Bid: assume repair parts and materials estimate not on the list in Section 15 of \$10,000. Calculate percentage of MARK-UP charges on wholesale cost of repair parts by multiplying \$10,000 by your proposed markup %, add that product to \$10,000 and put that sum on the appropriate line of the bid form page. IN THE BEST INTERESTS OF THE COUNTY NO MARK-UP SHALL BE ACCEPTED OVER 15%.

e.g. \$1,000 x 1% = \$10. Adding that to \$1,000 would give you a sum of \$1,010.

13. PRICE INCREASE

In the event of a LIST price increase FOR BRAND NAME EQUIPMENT BY MANUFACTURER over the twenty-four (24) month period of the contract and subsequent new price sheets with higher list prices, it shall be the exclusive decision of the County as to whether the price increase shall be accepted or that the contract should be rebid.

14. MANUFACTURER BRAND LIST

The contractor shall furnish the current brand name security system parts/equipment at various locations as may be required from time to time. The brands listed are those currently being used.

CISCO BELDEN EXTREME NETWORK HP/ARUBA PALO ALTO SONICWALL
