

COUNTY OF UNION BIO-BLITZ 2017 TEAM RELEASE

I understand that participation in Bio-Blitz 2017 involves activities, which pose a potential risk of personal injury. Some examples of these activities include hiking or walking through rough, uneven, hilly or swampy terrain in weather that can turn unexpectedly hot, windy, or stormy; and handling of small animals, (including fish, mammals and insects), coming in contact with poison ivy and/or ticks, the risk of Lyme disease from tick bites, or walking on surfaces which can conceal sharp or hazardous objects. I assume all risks associated with participation in the program and hereby for myself, my heirs, executors and administrators waive and release the County of Union, Board of Chosen Freeholders, Department of Parks and Recreation, its Director, co-sponsors or partners, officers and employees from all claims, liability, risk of loss or injury and damages of any kind including wrongful death associated with or arising out of my participation in the Union County Bio-Blitz Program. I also give Union County permission to photograph the above mentioned for publicity purposes.
