EXPLANATIONS OF APPROPRIATIONS FOR "OTHER EXPENSES"

The amounts appropriated under the title of "Other Expenses" are for operating costs other than "Salaries & Wages".

Some of the items included in "Other Expenses" are:

Materials, supplies and non-bondable equipment;

Repairs and maintenance of buildings, equipment, roads, etc.

Contractual services;

Cost of Maintaining indigent patients in hospitals;

Old age, permanent disability, child welfare, assistance for dependent children and similar assistance;

Printing and advertising, utility services, insurance and many other items essential to the services rendered by County government.

The County of Union has achieved a Aaa bond rating from Moody's—the highest attainable. This rating affirms the County's strong financial standing, with Moody's citing Union County as having "a very strong management team that has worked hard to turn around the County's finances."

Moody's also noted the County's "conservative budgeting" practices in making its determination. The achievements are all the more significant as they have occurred during a period of fiscal turbulence in the State of New Jersey, which has experienced a record ten credit downgrades since 2009.

This year's budget also reflects Union County's surging economic growth and growing real estate market.

Union County's growth was evidenced by another dramatic increase in our ratable base, this time by 2.7 percent or nearly \$1.8 billion in net valuation over 2016. This is the largest increase since 2007 and our third consecutive annual increase. The strong real estate market also resulted in the highest growth in nine years from fees realized through the County Clerk's Office, which totaled \$40 million.

Two other positive revenue areas included the Union County Emergency Medical Services, a key shared service offered by the County, and the Union County Regional Dispatch, which provides services to 19 agencies. Both divisions, which operate through the Department of Public Safety, realized over \$1.4 million in revenue this past year.

The Dispatch Center handled a record number of more 100,000 calls this past year.

In terms of management, we were also able to cut costs in certain areas, most notably the Corrections Department, where we reduced overtime by \$1 million through our continued focus on efficiencies at the jail.

Moody's also cited the County's manageable debt levels. Net debt expressed as a percentage of the equalized valuation basis is 0.887 percent, substantially less than the maximum of 2 percent authorized by the State.

Overall, this year's budget is approximately \$506.7. million. The budget meets the state cap, and would increase property taxes by an average of 2.75 percent over last year.

A notable offset to this year's budget included a state reduction of \$680,000 in aide for infrastructure/road pavings, that the County must cover.

The new Family Court building on Cherry Street, anticipated to open this year, will also require additional County staff. This budget also pays for important hires in the County's Mosquito Control, and Shade Tree and Conservation divisions.

The summary of our health benefits costs are shown in the table below.

Net Cost Group Health, RX, Dental	\$65,617,192
Estimated employee contribution	\$ 5,500,000
Total employer share of health benefits	\$71,117,192

The State has also eliminated the in and out transfer of funds for the Division of Child Protection Permanency in the amount of \$4,304,364.

This year’s budget covers important investments that our residents have come to expect, such as our parks and educational institutions. Some highlights include:

- An increase in funding for both Union County College and the Union County Vocational Technical Schools;
- Construction of the new Warinanco Park Ice Skating Center, which is expected to open this year;
- A new spray park for Wheeler Park in Linden; and a new multi-use Astroturf field for Cedar Brook Park in Plainfield.
- A new indoor riding facility at the Watchung Stables that was finished this past Fall.

This budget funds \$1.5 million for the continuation of the municipal infrastructure grant program, funded through revenues from the sale of Runnells Hospital in 2014; the Library Grants program for \$150,000; and increases funding for the popular UC Community Gardens Grant program to \$50,000.

This budget funds the We Are One New Jersey Advocacy and Naturalization Center for immigrants at \$245,000, and expansion of the County’s Online Crisis Mitigation plan, at \$200,000. This is a Homeland Security program which scans floor plans of key public facilities into County GIS to aid emergency responders.

Working with local law enforcement, floor plans for the County’s 230 public and private schools have been added. The County plans on extending this program to capture as many important public facilities as possible.

The GIS investment was among those mentioned by Freeholder Bruce H. Bergen during his reorganization speech in January, as he announced his “Connecting our Community” initiatives for 2017.

Funding in this proposed budget for Chairman Bergen’s initiatives include new announcements for youth, seniors, veterans, social services, parks, the environment and the arts.

Some of the highlights:

- The County will partner with the Simon Youth Foundation, the Union County Vo-Tech, the Workforce Development Board and the State Department of Labor to create an Alternative High School for at-risk-youth that will open at the Mills at Jersey Gardens this year.
- In Summit, the County will partner with Overlook Hospital to co-sponsor the Project Search program, which provides employment and training for youth with disabilities.
- In Scotch Plains, the Union County Vocational Technical Schools will offer programs designed to train students for the arts, and high-paying legal and technology careers. This includes the new full time Academy for Law and Justice, opening in September; a computer science and engineering competition open to all students of high school age; and a student play at the Union County Performing Arts Center (UCPAC) in Rahway.
- The Department of Public Works will “turn a new leaf” with its composting operations at the Houdaille Quarry, while providing a much needed service to the County’s municipalities. The leaf and grass collected countywide will be sold as high-end compost to private companies, producing as much as \$500,000 a year in revenues.
- The Board will partner with local veterans groups, including Operation Rebound and the New Jersey Vets Commission in efforts to strengthen the mental and physical well-being of veterans.
- The County will establish the first Veterans Success Center, through the Department of Economic Development. Relying on existing resources, the Center will assist veterans with job placement and training, career advisement, and referrals to health resources.
- The County will fund beds for a minimum of 25 additional residents who require heroin or other opioid addiction treatment in 2017. The treatment will include up to seven days of detox treatment, and up to 28 days of inpatient rehabilitation, per person.
- The County will continue the “Senior Focus” program. “Senior Focus” funding is being used for equipment for or repairs and rehabilitation of senior center facilities.
- The county will be purchasing a Fire Fighting Water Tanker that will bring 3,000 to 4,000 gallons of water to a scene for municipal fire fighters, providing an effective means to suppress an active fire in remote areas.

With all this in mind, we look forward to once again achieving another successful year in 2017 with the Freeholder Board and our County Employees.

Recap of Split Appropriations

In order to comply with the Division of Local Government Services requirements and for the purpose of citizen understanding, the amounts appropriated for certain departments or functions have been split and their parts appear in several places as appropriation. In some accounts other sources are estimated based on income to be derived in dedicated funds.

Additionally, the County of Union centralizes for nearly every County department office costs such as telephone, office supplies, heating motor vehicle maintenance, printing and duplicating costs and duplicating equipment.

Therefore, other expense appropriations of nearly all departments do not reflect “all costs”. Similarly, most “fringe benefit” costs associated with salary/wage costs are in line items independent of the departmental accounts.

Again, the total costs of operations are not reflected since hospitalization, other health benefits, social security, workmen’s compensation, etc., are in “central accounts”.
