EXPLANATIONS OF APPROPRIATIONS FOR "OTHER EXPENSES"

The amounts appropriated under the title of "Other Expenses" are for operating costs other than "Salaries & Wages".

Some of the items included in "Other Expenses" are:

Materials, supplies and non-bondable equipment;

Repairs and maintenance of buildings, equipment, roads, etc.

Contractual services;

Cost of Maintaining indigent patients in hospitals;

Old age, permanent disability, child welfare, assistance for dependent children and similar assistance;

Printing and advertising, utility services, insurance and many other items essential to the services rendered by County government.

This year’s budget brings more good news for Union County, as prudent financial practices and fiscal efficiencies—coupled with Union County’s economic boom---continue to pay off.

This rising tide of economic success was most dramatically witnessed in another major increase in our ratable base, this year by 3.26 percent or \$2.2 billion in new valuation over 2017. This is the largest amount since 2007, and our fourth annual increase.

The strong real estate market also resulted in the highest growth in 12 years from fees realized through the County Clerk’s Office, which totaled \$44.29 million.

The strong revenue surge and our financial practices have resulted in Union County achieving a Aaa bond rating from Moody’s—the highest attainable. Moody’s noted the County’s “conservative budgeting” practices.

In another example of fiscal prudence, costs were cut in the Corrections Department, reducing overtime by \$1 million through our continued focus on efficiencies at the jail. Over the past two years, overtime has been reduced by a total of \$1.8 million, and reduced overtime hours over the same span by about 35,000 hours.

Another area cited by Moody’s was the County’s management of its debt. The County’s net debt expressed as a percentage of the equalized valuation basis is .876 of equalized value—another reduction year over year---and far less than the maximum of 2 percent permitted by the state.

Overall, this year’s budget is \$483 million. The budget meets the state cap, and would increase property taxes by 1.75 percent over last year---**the lowest in 15 years**. This is being achieved while actually increasing the number of programs and services being provided by the County.

The summary of our health benefits costs are shown in the table below:

Net Cost Group Health, RX, Dental	\$67,845,500.00
Estimated employee contribution	\$ 5,500,000.00
Total employer share of health benefits	\$73,345,500.00

The State has eliminated the practice of requiring County’s to appropriate funds due to and anticipate funds due from the State in equal amounts for the NJ Department of Children and Families Division of Child Protection and Permanency; however, the County’s amount related to the various categories covered by Public Law 1990, Chapter 73, amended by Public Law 1991, Chapter 63 represents \$4,374,396 for CY 2018.

Further, Public Law 1995, Chapter 264 allows Counties the option of paying only the “Net Amount Due State” rather than paying the full amount due and receiving a rebated amount in return. As a result, the CY 2018 County Budget does not include anticipated miscellaneous revenues – Section C: State Assumption of Costs for Division of Mental

Recap of Split Appropriations

In order to comply with the Division of Local Government Services requirements and for the purpose of citizen understanding, the amounts appropriated for certain departments or functions have been split and their parts appear in several places as appropriation. In some accounts other sources are estimated based on income to be derived in dedicated funds.

Additionally, the County of Union centralizes for nearly every County department office costs such as telephone, office supplies, heating motor vehicle maintenance, printing and duplicating costs and duplicating equipment.

Therefore, other expense appropriations of nearly all departments do not reflect "all costs". Similarly, most "fringe benefit" costs associated with salary/wage costs are in line items independent of the departmental accounts.

Again, the total costs of operations are not reflected since hospitalization, other health benefits, social security, workmen's compensation, etc., are in "central accounts".
