

## Before Starting the Project Application

**To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.**

### Things to Remember

- Additional training resources can be found on the HUD Exchange at <https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/> - Program policy questions and problems related to completing the application in e-snaps may be directed to HUD via the HUD Exchange Ask A Question.
- Project applicants are required to have a Data Universal Numbering System (DUNS) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2018 Continuum of Care (CoC) Program Competition. For more information see FY 2018 CoC Program Competition NOFA.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2018 CoC Program NOFA and the FY 2017 General Section NOFA.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with onscreen text and the hide/show instructions found on each individual screen.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps.
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2017 Project Application will be imported into the FY 2018 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.
- Expiring Shelter Plus Care projects requesting renewal funding for the first time under 24 CFR part 578, and rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).
- Expiring Supportive Housing Projects requesting renewal funding for the first time under 24 CFR part 578, transitional housing, permanent supportive housing with leasing, rapid re-housing, supportive services only, renewing safe havens, and HMIS can only request the Annual Renewal Amount (ARA) that appears on the CoC's HUD-approved GIW. If the ARA is reduced through the CoC's reallocation process, the final project funding request must reflect the reduced amount listed on the CoC's reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2018 CoC Program Competition NOFA.

## Information About Submission without Changes

After Part 1 is completed; including this screen, Recipient Performance screen, and Renewal Grant Consolidation screen, then Parts 2-6, are available for review as "Read-Only;" except for 3A, 7A and 7B which are mandatory for all projects to update. After project applicants finish reviewing all screens, they will be guided to a "Submissions without Changes" Screen. At this screen, if applicants decide no edits or updates are required to any screens other than the mandatory questions, they can submit without changes. However, if changes to the application are required, e-snaps allows applicants to open individual screens for editing, rather than the entire application. After project applicants select the screens they intend to edit via checkboxes, click "Save" and those screens will be available for edit. Importantly, once an applicant makes those selections and clicks "Save" the applicant cannot uncheck those boxes.

If the project is a first-time renewal or selects "Fully Consolidated" on the Renewal Grants Consolidation screen, the "Submit Without Changes" function is not available, and applicants must input data into the application for all required fields relevant to the component type.

## Recipient Performance

**1. Has the recipient successfully submitted the APR on time for the most recently expired grant term related to this renewal project request?** Yes

**2. Does the recipient have any unresolved HUD Monitoring and/or OIG Audit findings concerning any previous grant term related to this renewal project request?** No

**3. Has the recipient maintained consistent Quarterly Drawdowns for the most recent grant term related to this renewal project request?** Yes

**4. Have any Funds been recaptured by HUD for the most recently expired grant term related to this renewal project request?** Yes

**Explain the circumstances that led HUD to recapture funds from the most recently expired grant term related to this renewal project request.**

There is a leasing balance due to grant savings (participant's portion of the rent).

## Renewal Grant Consolidation Screen

HUD encourages the consolidation of renewal grants. As part of the FY 2018 CoC Program project application process, project applicants can request their eligible renewal projects to be part of a Renewal Grant Consolidation. This process can consolidate up to 4 renewal grants into 1 consolidated grant. This means recipients no longer must wait for grant amendments to consolidate grants. All projects that are part of a renewal grant consolidation must expire in Calendar Year (CY) 2019, as confirmed on the FY 2018 Final GIW, must be to the same recipient, and must be for the same component and project type (i.e., PH-PSH, PH-RRH, Joint TH/PH-RRH, TH, SSO, SSO-CE or HMIS).

1. Is this project application requesting to be part of a renewal grant consolidation in the FY 2018 CoC Program Competition? No  
If "No" click on "Next" or "Save & Next" below to move to the next screen.

### 1. Provide a description that addresses the entire scope of the proposed project.

Homefirst (HFT) is a non-profit organization that has assisted homeless and disabled individuals and families with permanent supportive housing since 1996. Homefirst provides permanent supportive housing for homeless persons with disabilities as defined by U.S. Housing and Urban Development. Through this Renewal Application, Homefirst will be providing supportive services to families and individuals who are housed in scattered sites throughout Union County. HFT staff completes a thorough intake and needs assessment on each individual or family. Once placed in housing, action plans are developed, case management (including life skills), education and other supportive services are offered that promote personal development, independence and self-sufficiency. Referrals to clinics and hospitals for medical care and treatment are an integral

part of the case management plan as well as referrals to substance abuse programs. All clients are encouraged to be in ongoing medical care and treatment. The Housing & Supportive Services Team has broad experience and knowledge mainstreaming clients to appropriate and needed services. In addition, the staff also has extensive experience in bridging the gaps that occur when clients try to access services on their own. The staff works collaboratively with other county agencies to ensure that entitlements are received. All case management plans are reviewed on a yearly basis to ensure that the goals are being met or are still appropriate. Education is offered to clients that addresses advocacy issues such as tenants rights, legal rights and home repairs and maintenance. The Housing & Supportive Services Team ensures that all children are in school and provides opportunities for enrichment, camp and childcare. Parenting, nutrition and wellness, budgeting and workshops on a variety of topics are offered year round.

### Dedicated and DedicatedPLUS

**A “100% Dedicated” project is a permanent supportive housing project that commits 100% of its beds to chronically homeless individuals and families, according to NOFA Section III.3.b.**

**A “DedicatedPLUS” project is a permanent supportive housing project where 100% of the beds are dedicated to serve individuals with disabilities and families in which one adult or child has a disability, including unaccompanied homeless youth, that at a minimum, meet ONE of the following criteria according to NOFA Section III.3.d:**

- (1) experiencing chronic homelessness as defined in 24 CFR 578.3;
- (2) residing in a transitional housing project that will be eliminated and meets the definition of chronically homeless in effect at the time in which the individual or family entered the transitional housing project;
- (3) residing in a place not meant for human habitation, emergency shelter, or safe haven; but the individuals or families experiencing chronic homelessness as defined at 24 CFR 578.3 had been admitted and enrolled in a permanent housing project within the last year and were unable to maintain a housing placement;
- (4) residing in transitional housing funded by a joint TH and PH-RRH component project and who were experiencing chronic homelessness as defined at 24 CFR 578.3 prior to entering the project;
- (5) residing and has resided in a place not meant for human habitation, a safe haven, or emergency shelter for at least 12 months in the last three years, but has not done so on four separate occasions; or
- (6) receiving assistance through a Department of Veterans Affairs(VA)-funded homeless assistance program and met one of the above criteria at initial intake to the VA's homeless assistance system.

A renewal project where 100 percent of the beds are dedicated in their current grant as described in NOFA Section III.A.3.b. must either become DedicatedPLUS or remain 100% Dedicated. If a renewal project currently has 100 percent of its beds dedicated to chronically homeless individuals and families and elects to become a DedicatedPLUS project, the project will be required to adhere to all fair housing requirements at 24 CFR 578.93. Any beds that the applicant identifies in this application as being dedicated to chronically homeless individuals and families in a DedicatedPLUS project must continue to operate in accordance with Section III.A.3.b. Beds are identified on Screen 4B.
