

## Before Starting the Project Application

**To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.**

### Things to Remember

- Additional training resources can be found on the HUD Exchange at <https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/> - Program policy questions and problems related to completing the application in e-snaps may be directed to HUD via the HUD Exchange Ask A Question.
- Project applicants are required to have a Data Universal Numbering System (DUNS) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2018 Continuum of Care (CoC) Program Competition. For more information see FY 2018 CoC Program Competition NOFA.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2018 CoC Program NOFA and the FY 2017 General Section NOFA.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with onscreen text and the hide/show instructions found on each individual screen.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps.
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2017 Project Application will be imported into the FY 2018 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.
- Expiring Shelter Plus Care projects requesting renewal funding for the first time under 24 CFR part 578, and rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).
- Expiring Supportive Housing Projects requesting renewal funding for the first time under 24 CFR part 578, transitional housing, permanent supportive housing with leasing, rapid re-housing, supportive services only, renewing safe havens, and HMIS can only request the Annual Renewal Amount (ARA) that appears on the CoC's HUD-approved GIW. If the ARA is reduced through the CoC's reallocation process, the final project funding request must reflect the reduced amount listed on the CoC's reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2018 CoC Program Competition NOFA.

## **Information About Submission without Changes**

**After Part 1 is completed; including this screen, Recipient Performance screen, and Renewal Grant Consolidation screen, then Parts 2-6, are available for review as "Read-Only;" except for 3A, 7A and 7B which are mandatory for all projects to update. After project applicants finish reviewing all screens, they will be guided to a "Submissions without Changes" Screen. At this screen, if applicants decide no edits or updates are required to any screens other than the mandatory questions, they can submit without changes. However, if changes to the application are required, e-snaps allows applicants to open individual screens for editing, rather than the entire application. After project applicants select the screens they intend to edit via checkboxes, click "Save" and those screens will be available for edit. Importantly, once an applicant makes those selections and clicks "Save" the applicant cannot uncheck those boxes.**

**If the project is a first-time renewal or selects "Fully Consolidated" on the Renewal Grants Consolidation screen, the "Submit Without Changes" function is not available, and applicants must input data into the application for all required fields relevant to the component type.**

## Recipient Performance

**1. Has the recipient successfully submitted the APR on time for the most recently expired grant term related to this renewal project request?** Yes

**2. Does the recipient have any unresolved HUD Monitoring and/or OIG Audit findings concerning any previous grant term related to this renewal project request?** No

**3. Has the recipient maintained consistent Quarterly Drawdowns for the most recent grant term related to this renewal project request?** Yes

**4. Have any Funds been recaptured by HUD for the most recently expired grant term related to this renewal project request?** Yes

**Explain the circumstances that led HUD to recapture funds from the most recently expired grant term related to this renewal project request.**

Funds have been recaptured by HUD for the most recently expired grant term related to this renewal project request. The recaptured funds represent the difference between the Fair Market Rent and the portion of the rent paid by the participants.

## Renewal Grant Consolidation Screen

HUD encourages the consolidation of renewal grants. As part of the FY 2018 CoC Program project application process, project applicants can request their eligible renewal projects to be part of a Renewal Grant Consolidation. This process can consolidate up to 4 renewal grants into 1 consolidated grant. This means recipients no longer must wait for grant amendments to consolidate grants. All projects that are part of a renewal grant consolidation must expire in Calendar Year (CY) 2019, as confirmed on the FY 2018 Final GIW, must be to the same recipient, and must be for the same component and project type (i.e., PH-PSH, PH-RRH, Joint TH/PH-RRH, TH, SSO, SSO-CE or HMIS).

1. Is this project application requesting to be part of a renewal grant consolidation in the FY 2018 CoC Program Competition? No  
If "No" click on "Next" or "Save & Next" below to move to the next screen.

To make changes to this information, navigate to the Submission without Changes screen, select "Make Changes" in response to Question 2, and then check the box next each screen that requires a change to match the current grant agreement, as amended, or to account for a reallocation of funds.

### **1. Provide a description that addresses the entire scope of the proposed project.**

The YWCA of Eastern Union County (EUC) is a private non-profit social service agency, which provides meaningful support services to vulnerable populations. YWCA will lease 8 apartments (scattered site; 1 and 2 bedrooms) that can accommodate up to 30 adults and children – 8 heads of household who are victims of domestic violence with their children, and lease a common space area at the YWCA Outreach Center. Referrals will typically come from a domestic violence emergency shelter. The YWCA EUC operates the only emergency shelter for low-income victims of domestic violence in Union County. Women and children who enter the supportive housing program may have lived in an emergency shelter for up to 60 days or otherwise qualify due to homeless and domestic violence. Participants may have already received approximately 2 months of individual and group counseling, in addition to life skills workshops. YWCA program counselors will assess potential participants for their willingness to participate in the Supportive Housing Program. Upon entry into the permanent supportive housing, each head of household will be assigned a Case Manager, who will meet with him/her for the entire stay needed. The Case Manager will help each client to identify goals and design a plan of action to meet those goals. Vocational training, job preparation, job placement, financial budgeting/saving for permanent housing, parenting, and permanent housing placement are the primary goals/services. The Case Manager assists participants in accessing and receiving integrated program services and entitlements, such as applications to mainstream health and social service programs, as well as linkages to community support systems. Consistent counseling, case management, advocacy, life skills training, legal services, vocational training, coaching, and job placement services will be available for the clients in order for them to succeed in permanent housing. Counseling will also be offered to children as needed as well as referrals to our PALS Program (a 6 mos. Creative art therapy program). In addition, the entire non-offending parent-child counseling will be offered. If more individual counseling is necessary, they will be referred out to receive specialized counseling for other concurrent issues. Clients may also participate in psycho-educational groups regarding the effects of domestic violence on their lives and how to manage these effects and develop healthy mental/emotional lives. Support groups and counseling services will be available to all clients as added support in their efforts to maintain self-sufficiency. Concrete follow-up will be given to each of the clients to provide emotional support and information/referral services when necessary.

## 3C. Dedicated Plus

### Dedicated and DedicatedPLUS

**A "100% Dedicated" project is a permanent supportive housing project that commits 100% of its beds to chronically homeless individuals and families, according to NOFA Section III.3.b.**

**A "DedicatedPLUS" project is a permanent supportive housing project where 100% of the beds are dedicated to serve individuals with disabilities and families in which one adult or child has a disability, including unaccompanied homeless youth, that at a minimum, meet ONE of the following criteria according to NOFA Section III.3.d:**

- (1) experiencing chronic homelessness as defined in 24 CFR 578.3;
- (2) residing in a transitional housing project that will be eliminated and meets the definition of chronically homeless in effect at the time in which the individual or family entered the transitional housing project;
- (3) residing in a place not meant for human habitation, emergency shelter, or safe haven; but the individuals or families experiencing chronic homelessness as defined at 24 CFR 578.3 had been admitted and enrolled in a permanent housing project within the last year and were unable to maintain a housing placement;
- (4) residing in transitional housing funded by a joint TH and PH-RRH component project and who were experiencing chronic homelessness as defined at 24 CFR 578.3 prior to entering the project;
- (5) residing and has resided in a place not meant for human habitation, a safe haven, or emergency shelter for at least 12 months in the last three years, but has not done so on four separate occasions; or
- (6) receiving assistance through a Department of Veterans Affairs(VA)-funded homeless assistance program and met one of the above criteria at initial intake to the VA's homeless assistance system.

A renewal project where 100 percent of the beds are dedicated in their current grant as described in NOFA Section III.A.3.b. must either become DedicatedPLUS or remain 100% Dedicated. If a renewal project currently has 100 percent of its beds dedicated to chronically homeless individuals and families and elects to become a DedicatedPLUS project, the project will be required to adhere to all fair housing requirements at 24 CFR 578.93. Any beds that the applicant identifies in this application as being dedicated to chronically homeless individuals and families in a DedicatedPLUS project must continue to operate in accordance with Section III.A.3.b. Beds are identified on Screen 4B.

**1. Indicate whether the project is "100% Dedicated", "DedicatedPLUS", or "N/A", according to the information provided above.** N/A

## 6E. Summary Budget

This screen is currently read only and only includes data from the previous grant. To make changes to this information, navigate to the Submission without Changes screen, select "Make Changes" in response to Question 2, and then check the box next each screen that requires a change to match the current grant agreement, as amended, or to account for a reallocation of funds.

The following information summarizes the funding request for the total term of the project. Budget amounts from the Leased Units, Rental Assistance, and Match screens have been automatically imported and cannot be edited. However, applicants must confirm and correct, if necessary, the total budget amounts for Leased Structures, Supportive Services, Operating, HMIS, and Admin. Budget amounts must reflect the most accurate project information according to the most recent project grant agreement or project grant agreement amendment, the CoC's final HUD-approved FY 2017 GIW or the project budget as reduced due to CoC reallocation. Please note that, new for FY 2017, there are no detailed budget screens for Leased Structures, Supportive Services, Operating, or HMIS costs. HUD expects the original details of past approved budgets for these costs to be the basis for future expenses. However, any reasonable and eligible costs within each CoC cost category can be expended and will be verified during a HUD monitoring.
