A NETWORKING EXPO SHOWCASING LOCAL BUSINESSES

www.ucnj.org/ucmb

FROM THE FREEHOLDER CHAIRMAN SERGIO GRANADOS

Welcome to the third annual Union County Means Business Expo. We are very pleased to provide this opportunity for you to network with peers in the business community, grow your customer base, and expand your profile in the marketplace. Union County Means Business began as a series of networking breakfasts launched by Freeholder Mirabella when he served as Chairman in 2012. Since then, we have grown the initiative into a dynamic hub for economic development on the grassroots level. In recent years we have also focused on reaching out to women, veterans, and the LGBTQ community, helping to forge new connections with community stakeholders including our local Chambers of Commerce, Union County College, Kean University, the Union County Economic Development Corporation and many others.

With that in mind, on behalf of the Freeholder Board I hope you find today's Expo to be a fruitful and productive experience!
