History, Location & Highlights

Elizabeth is an exciting booming center of commerce and transportation with the Port of Elizabeth, which is the largest deep-water shipping terminal on the East Coast and Newark Liberty International Airport, where Terminal A is located within the city. It has two train stations, which provide direct service to locations, including New York City, along the Northeast Corridor and North Jersey Coastline Rail Lines. In addition to being the State's fourth largest municipality and Union County Seat, it was also the first capital of New Jersey when it was founded in 1665. Featured along Broad Street within its Midtown district, are many beautiful, historic buildings from the pre-Revolution era and beyond. The city has many recreational sites and amenities including Mattano Park, the Elizabeth River Trail and Warinanco Park. Events are held throughout the community, including the annual Tour de Elizabeth, which features a 15-mile bike ride and attracts visitors from around the region. Elizabeth is home to The Mills at Jersey Gardens Mall, which welcomes more than 15 million visitors each year. The highly successful Urban Enterprise Zone (UEZ), which offers benefits to businesses including a 3.5% reduced sales tax, has been a catalyst for more than \$1.5 billion in new economic development.
