

Before Starting the Project Application

To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.

Things to Remember:

- Additional training resources can be found on the HUD Exchange at <https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/>
- Program policy questions and problems related to completing the application in e-snaps may be directed to HUD via the HUD Exchange Ask A Question.
- Project applicants are required to have a Data Universal Numbering System (DUNS) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2019 Continuum of Care (CoC) Program Competition. For more information see FY 2019 CoC Program Competition NOFA.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2019 CoC Program NOFA.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with navigational guides, which are also found on the HUD Exchange.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps, particularly the Authorized Representative and Alternate Representative forms as HUD uses this information to contact you if additional information is required (e.g., allowable technical deficiency).
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2018 Project Application will be imported into the FY 2019 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.
- Expiring Shelter Plus Care projects requesting renewal funding for the first time under 24 CFR part 578, and rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).
- Expiring Supportive Housing Projects requesting renewal funding for the first time under 24 CFR part 578, transitional housing, permanent supportive housing with leasing, rapid re-housing, supportive services only, renewing safe havens, and HMIS can only request the Annual Renewal Amount (ARA) that appears on the CoC's HUD-approved GIW. If the ARA is reduced through the CoC's reallocation process, the final project funding request must reflect the reduced amount listed on the CoC's reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2019 CoC Program Competition NOFA.

Information About Submission without Changes

Follow the instructions below making note of the exceptions and limitations to the "Submit Without Changes" process.

In general, HUD expects a project's proposed project application information will remain the same from year-to-year unless changes are directed by HUD or approved through the grant agreement amendment process. However, HUD expects applicants to carefully review their information to determine if submitting without changes accurately reflects the expiring grant requesting renewal.

Data can be imported into a FY 2019 renewal project application from a FY 2018 new or renewal project application. For a project application that did not import last year's FY 2018 information, e-snaps will automatically be set to "Make Changes" and all questions on each screen must be updated.

Renewal projects that select "Fully Consolidated" on the Grant Consolidation screen may not use the "Submit Without Changes" process and esnaps will automatically be set to "Make Changes". However, if the applicant selects "Individual Renewal", this project application(s) can use the "Submit Without Changes" process. In addition, esnaps will automatically be set to "Make Changes" if the project applicant indicates on the Renewal Expansion Screen, this project application is for a "Combined Renewal Expansion" project application. However, the stand-alone renewal expansion project application(s) can use the "Submit Without Changes" process.

The e-snaps screens that remain "open" for required annual updates and do not affect applicants' ability to select "Submit without Changes" are:

- Recipient Performance Screen;
- Renewal Expansion Screen;
- Renewal Grant Consolidation Screen;
- Screen 3A. Project Detail
- Screen 6D. Sources of Match
- All of Part 7: Attachments and Certification; and
- All of Part 8: Submission Summary.

All other screens in Part 2 through Part 6 begin in "Read-Only" format and should be reviewed for accuracy; including any updates that were made to the 2018 project during the CoC Post Award Issues and Conditions process or as amended. If all the imported data is accurate and no edits or updates are needed to any screens other than the mandatory screens and questions noted above, project applicants should select "Submit Without Changes" in Part 8. If project applicants imported data and do need to make updates to the information on one or more screens, they must navigate to Part 8: "Submission Without Changes" Screen, select "Make Changes", and check the box next to each relevant screen title to unlock screens for editing. After project applicants select the screens they intend to edit via checkboxes, click "Save" and those screens will be available for edit. Once a project applicant selects a checkbox and clicks "Save", the project applicant cannot uncheck the box.

Please refer to the Detailed Instructions and esnaps navigation guides found on the HUD Exchange to find more in depth information about applying under the FY 2019 CoC Competition.

Recipient Performance

1. Has the recipient successfully submitted the APR on time for the most recently expired grant term related to this renewal project request? Yes

2. Does the recipient have any unresolved HUD Monitoring and/or OIG Audit findings concerning any previous grant term related to this renewal project request? No

3. Has the recipient maintained consistent Quarterly Drawdowns for the most recent grant term related to this renewal project request? Yes

4. Have any Funds been recaptured by HUD for the most recently expired grant term related to this renewal project request? Yes

Explain the circumstances that led HUD to recapture funds from the most recently expired grant term related to this renewal project request.

Funds have been recaptured by HUD for the most recently expired grant term related to this renewal project request. The recaptured funds represent the difference between the Fair Market Rent and the portion of the rent paid by the participants.

Renewal Expansion

As part of the FY 2019 CoC Program project application process, project applicants can request their eligible renewal projects to be part of a Expansion. This process can combine up to 1 stand-alone renewal project application and 2 stand-alone new expansion project applications into 1 combined renewal expansion project application. This means recipients no longer need to combine expansion data in CoC Post-Award. Renewal projects that are part of an expansion must expire in Calendar Year (CY) 2020, as confirmed on the FY 2019 GIW or eLOCCS, must be to the same recipient, and must be for the same component and project type (i.e., PH-PSH, PH-RRH, Joint TH/PH-RRH, TH, SSO, SSO-CE or HMIS).

1. Is this project application requesting to be part of a combined renewal expansion in the FY 2019 CoC Program Competition? "If "No" click on "Next" or "Save & Next" below to move to the next screen.

No

Renewal Grant Consolidation Screen

HUD encourages the consolidation of renewal grants. As part of the FY 2019 CoC Program project application process, project applicants can request their eligible renewal projects to be part of a Renewal Grant Consolidation. This process can consolidate up to 4 renewal grants into 1 consolidated grant. This means recipients no longer must wait for grant amendments to consolidate grants. All projects that are part of a renewal grant consolidation must expire in Calendar Year (CY) 2020, as confirmed on the FY 2019 Final GIW, must be to the same recipient, and must be for the same component and project type (i.e., PH-PSH, PH-RRH, Joint TH/PH-RRH, TH, SSO, SSO-CE or HMIS).

1. Is this project application requesting to be part of a renewal grant consolidation in the FY 2019 CoC Program Competition? No
If "No" click on "Next" or "Save & Next" below to move to the next screen.

2A. Project Subrecipients

This screen is currently read only and only includes data from the previous grant. To make changes to this information, navigate to the Submission without Changes screen, select "Make Changes" in response to Question 2, and then check the box next each screen that requires a change to match the current grant agreement, as amended, or to account for a reallocation of funds.

3C. Dedicated Plus

Dedicated and DedicatedPLUS

A “100% Dedicated” project is a permanent supportive housing project that commits 100% of its beds to chronically homeless individuals and families, according to NOFA Section III.3.b.

A “DedicatedPLUS” project is a permanent supportive housing project where 100% of the beds are dedicated to serve individuals with disabilities and families in which one adult or child has a disability, including unaccompanied homeless youth, that at a minimum, meet ONE of the following criteria according to NOFA Section III.3.d:

- (1) experiencing chronic homelessness as defined in 24 CFR 578.3;
- (2) residing in a transitional housing project that will be eliminated and meets the definition of chronically homeless in effect at the time in which the individual or family entered the transitional housing project;
- (3) residing in a place not meant for human habitation, emergency shelter, or safe haven; but the individuals or families experiencing chronic homelessness as defined at 24 CFR 578.3 had been admitted and enrolled in a permanent housing project within the last year and were unable to maintain a housing placement;
- (4) residing in transitional housing funded by a joint TH and PH-RRH component project and who were experiencing chronic homelessness as defined at 24 CFR 578.3 prior to entering the project;
- (5) residing and has resided in a place not meant for human habitation, a safe haven, or emergency shelter for at least 12 months in the last three years, but has not done so on four separate occasions; or
- (6) receiving assistance through a Department of Veterans Affairs(VA)-funded homeless assistance program and met one of the above criteria at initial intake to the VA's homeless assistance system.

A renewal project where 100 percent of the beds are dedicated in their current grant as described in NOFA Section III.A.3.b. must either become DedicatedPLUS or remain 100% Dedicated. If a renewal project currently has 100 percent of its beds dedicated to chronically homeless individuals and families and elects to become a DedicatedPLUS project, the project will be required to adhere to all fair housing requirements at 24 CFR 578.93. Any beds that the applicant identifies in this application as being dedicated to chronically homeless individuals and families in a DedicatedPLUS project must continue to operate in accordance with Section III.A.3.b. Beds are identified on Screen 4B.
