2020 Budget Message

Union County's economy has continued to grow and we are once again presenting a budget that is below cap, maintains the highest bond rating possible, and fully funds Union County's governmental services. We continue to build on our previous year fiscal reforms, while maintaining all essential County services. This year's Budget is \$614,918,699.91.

Being cognizant of the impact that COVID 19 is having on our residents and business owners we have tightened the budget to achieve a zero percent tax increase for 2020.

The County has also applied and received funds under the CARES Act in the amount of:

CARES ACT-Assistance for State and Local Governments	\$ 97,077,214.30
CARES ACT-Emergency Relief Fund for Healthcare Facilities (Medicare)	116,871.70
CARES ACT-Community Development Block Grant Coronavirus (CDBG-CV)	2,770,145.00
CARES ACT-Emergency Solutions Grant Coronavirus (ESG-CV)	1,369,186.00
Total Funding	\$ 101,333,417.00

This budget includes initiatives set forth by the Board of Chosen Freeholders-

Postage for return election ballots in the Vote by Mail program, so that no one should have to pay for the right to vote;

Funding the expansion of the Union County Dispatch Center-a shared service which now provides services to 14 municipalities, fire and EMS mutual aide, and 27 first responder agencies;

Funding the continuation of the Municipal Infrastructure grant program, the Library grant program, the HEART grant program for artists, and the Union County Means Green community gardens program.

"Union County 2020: Inclusion, Safety, and Outreach," aimed at upgrading the County's public safety infrastructure; supporting entrepreneurship, career development and education; and working for the equal rights and dignity of all Union County residents.

The summary of our health benefits costs are shown in the table below:

Net Cost Group Health, RX, Dental	\$ 67,379,881.00
Estimated Employee Contribution	6,000,000.00
Total employer share of H.B.	\$ 73,379,881.00

The State has eliminated the practice of requiring County’s to appropriate funds due from the state in equal amounts for the NJ Department of Children and Families Division of Child Protection and Permanency; however, the County’s amount related to the various categories covered by Public Law 1990, Chapter 73, amended by Public Law, 1991, Chapter 63, represents \$4,093,107 for CY 2012.

Further, Public Law 1995, Chapter 264 allows Counties the option of pay only the “Net Amount Due State” rather than paying the full amount due and receiving a rebated amount in return. As a result, the CY 2019 County Budget does not include anticipated miscellaneous revenues—Section C: State Assumption of Costs for Division of Mental Health and Addition Services (DMHAS) and Division of Developmental Disabilities (DDD) and only appropriates the “Net Amount Due State” in the amount of \$4,785,701 for Maintenance of Patients, Mental Health Services. There is “Net Amount Due State” for Maintenance of Patients: DDD.

Recap of Split Appropriations

In order to comply with the Division of Local Government Services requirements and for the purpose of citizen understanding, the amounts appropriated for certain departments or functions have been split and their parts appear in several places as appropriation. In some accounts other sources are estimated based on income to be derived in dedicated funds.

Additionally, the County of Union centralizes for nearly every County department office costs such as telephone, office supplies, heating motor vehicle maintenance, printing and duplicating costs and duplicating equipment.

Therefore, other expense appropriations of nearly all departments do not reflect “all costs”. Similarly, most “fringe benefit” costs associated with salary/wage costs are in line items independent of the departmental accounts.

Again, the total costs of operations are not reflected since hospitalization, other health benefits, social security, workmen’s compensation, etc., are in “central accounts”.
