

Squirrel Tree Craft

Materials

- Paper Towel Tube
- Scissors
- Glue
- Colored tissue paper
- Crayons
- Paper

1: Cut 4" slits down from the top of the tube and bend to create branches

2: Cut a hole in the center of the trunk

3: Crumple paper for the leaves and glue to the branches

4: Draw, color and cut out a squirrel to tape inside the hole

Turn a cardboard tube into a comfy home for a squirrel!
