

NATURE EXPLORATIONS

**Drop off program for children ages 7-10
Take a break from screen time and go outdoors to learn about nature!**

Tuesday, Wednesday & Thursday, 2:30 PM - 4:30 PM

October 20-22 *Animal Neighbors* - Discover the diversity of animals that inhabit the Watchung Reservation. Explore forest, meadow and wetland habitats. Meet live animals from Trailside's reptile and insect collections.

October 27-29 *Trailside Treks* - Explore a different trail each day as we hike through the Watchung Reservation. Learn how to read color coded trail blazes, enjoy the beautiful fall foliage and have fun investigating nature along the way.

Register at ucnj.org/trailside

**Fee: \$60/workshop for Union County Residents, \$72/workshop for Non-County Residents
Classes held rain or shine**

Small groups of eight children to accommodate social distancing & face coverings required

Trailside Nature & Science Center * 452 New Providence Road * Mountainside * 908-789-3670 * ucnj.org/trailside
