

CR-05 - Goals and Outcomes

Progress the jurisdiction has made in carrying out its strategic plan and its action plan. 91.520(a)

This could be an overview that includes major initiatives and highlights that were proposed and executed throughout the program year.

PLEASE SEE ATTACHMENT FOR CDBG & CDBG-CV ACCOMPLISHMENTS

HOME:

The HOME Program in the 2020-2021 program year drew funds for the following projects:

Habitat for Humanity for Homebuyer at or below 80% of the median income.

Premier Community Development Corporation for a Homebuyer at or below 80% of the median income.

Comparison of the proposed versus actual outcomes for each outcome measure submitted with the consolidated plan and explain, if applicable, why progress was not made toward meeting goals and objectives. 91.520(g)

Categories, priority levels, funding sources and amounts, outcomes/objectives, goal outcome indicators, units of measure, targets, actual outcomes/outputs, and percentage completed for each of the grantee's program year goals.

Goal	Category	Source / Amount	Indicator	Unit of Measure	Expected – Strategic Plan	Actual – Strategic Plan	Percent Complete	Expected – Program Year	Actual – Program Year	Percent Complete

Table 1 - Accomplishments – Program Year & Strategic Plan to Date

Assess how the jurisdiction’s use of funds, particularly CDBG, addresses the priorities and specific objectives identified in the plan, giving special attention to the highest priority activities identified.

The Union County Community Development Program provides grants to eligible municipalities and non-profit agencies for the development of viable urban communities through decent housing and a suitable living environment, as well as by expanding economic opportunities, principally for persons of low and moderate-incomes. All projects must either benefit low and moderate-income persons, aid in the prevention of slums and blight, or meet other community development needs having a particular urgency.

The project and activities identified for funding in the Fiscal Year 2020 Action Plan are all projects which qualify as meeting the Five Year Consolidated Plan priorities and objectives. The procedures employed in selecting projects and activities for inclusion in the Action Plan provide that they address at least one of the priorities of the Five-Year Plan.

There are several areas of specific needs which emerge from the analysis of the community, its needs, as well as market conditions. When translated into tangible objectives, these needs are:

- Stabilization and improvement of neighborhoods;
- Maintenance and improvement of the existing housing stock;
- Continued support of programs for the homeless, especially in the areas of prevention and of transitioning to independent living;
- Continued support for provision of services & improvements to those individuals and groups with special needs, such as the elderly, the disabled, and first time homebuyers;
- Continued support of key public service programs, the improvement of public facilities and infrastructure;
- Implementation of economic development initiatives in support of and in coordination with county and state programs and entities;
- Execution of anti-poverty efforts that support and build on existing programs, related to economic development efforts, and integrate

job training and placement, welfare to work initiatives, and other programs aimed at improving opportunities for economic self-sufficiency;

- Continued efforts to expand housing and homeownership opportunities.

From our Planning, Coordination and Capacity Building line we use our Admin money for the salaries of our CDBG staff member to perform the duties needed. In the future we will look at new ways to use funds to increase awareness about Fair Housing laws in Union County.

CR-10 - Racial and Ethnic composition of families assisted

Describe the families assisted (including the racial and ethnic status of families assisted).

City of Linden	12	12	
City of Plainfield	26	26	
Countywide	24	24	
Rahway	15	15	

Table 4 – Identify the geographic distribution and location of investments

Narrative

All ESG funds are targeted towards all County residents.

Leveraging

Explain how federal funds leveraged additional resources (private, state and local funds), including a description of how matching requirements were satisfied, as well as how any publicly owned land or property located within the jurisdiction that were used to address the needs identified in the plan.

All ESG sub-recipients are required to meet the 100% matching funds, per the HUD's ESG Interim Rule. Documentation per the funding regulations (Section 576.201) is required for reimbursement.

Fiscal Year Summary – HOME Match	
1. Excess match from prior Federal fiscal year	6,777,930
2. Match contributed during current Federal fiscal year	0
3. Total match available for current Federal fiscal year (Line 1 plus Line 2)	6,777,930
4. Match liability for current Federal fiscal year	0
5. Excess match carried over to next Federal fiscal year (Line 3 minus Line 4)	6,777,930

CR-20 - Affordable Housing 91.520(b)

Evaluation of the jurisdiction's progress in providing affordable housing, including the number and types of families served, the number of extremely low-income, low-income, moderate-income, and middle-income persons served.

	One-Year Goal	Actual
Number of Homeless households to be provided affordable housing units	0	0
Number of Non-Homeless households to be provided affordable housing units	0	0
Number of Special-Needs households to be provided affordable housing units	10	0
Total	10	0

Table 11 – Number of Households

	One-Year Goal	Actual
Number of households supported through Rental Assistance	0	0
Number of households supported through The Production of New Units	0	1
Number of households supported through Rehab of Existing Units	0	14
Number of households supported through Acquisition of Existing Units	0	1
Total	0	16

Table 12 – Number of Households Supported

Discuss the difference between goals and outcomes and problems encountered in meeting these goals.

Goals are our planned results but throughout the program year priorities can change and alter the final outcome totals.

Discuss how these outcomes will impact future annual action plans.

Future annual action plans will be similar projects with developers that will complete them consistent with our goals.

Include the number of extremely low-income, low-income, and moderate-income persons served by each activity where information on income by family size is required to determine the eligibility of the activity.

Number of Households Served	CDBG Actual	HOME Actual
Extremely Low-income	0	0
Low-income	0	1
Moderate-income	0	14
Total	0	15

Table 13 – Number of Households Served

Narrative Information

CR-25 - Homeless and Other Special Needs 91.220(d, e); 91.320(d, e); 91.520(c)

Evaluate the jurisdiction's progress in meeting its specific objectives for reducing and ending homelessness through:

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

Outreach services to persons living on the streets are primarily provided by Bridgeway, Inc. Targeting the two large urban areas of Elizabeth and Plainfield, workers from Bridgeway meet with homeless individuals wherever they are. Chronic homeless persons who are mentally ill and those with substance abuse issues are provided ongoing case management services. These individuals are provided early linkages to temporary and permanent housing and referral and advocacy for mainstream services such as Social Security, Supplemental Security Income (SSI), welfare assistance and employment services. Others served by this program are referred to appropriate services if they do not suffer from mental illness or substance abuse.

During the winter months, the Elizabeth Coalition to House the Homeless and City of Elizabeth actively provides outreach to individuals living on the street. They provide transportation and immediate shelter, warm clothing and hot meals to all homeless persons. If a particular client is in danger due to health related illness/disability, it will be addressed immediately and appropriately. If the client's primary immediate need is shelter he/she will be transported to an available shelter or hotel/motel.

Outreach to other homeless persons is conducted by individual homeless providers which conduct extensive outreach and constantly interface with private and public entities to obtain and/or receive referrals. Currently, six emergency shelters and municipal and county welfare offices perform outreach.

This process reviews the current status of the client, identifies needed services, and forms the basis of the individual client's overall case service plan. Service plans developed as a result of the assessment process specifically address the issues pertinent to the client, and serve as a case management roadmap that measures progress and vital points of focus. Services are provided by the organizations listed above and the following organizations and agencies.

Union County recognizes it is through effective outreach that homeless persons enter the CoC and are directed to the component most likely to assure their success in permanent housing. Outreach is planned for persons living on the streets.

Addressing the emergency shelter and transitional housing needs of homeless persons

Emergency shelters and transitional housing form the core of the continuum of the homeless service system. Through the Homeless Coalition, the County will continue to support the development of new facilities and the operation of existing emergency shelters and transitional housing facilities to move

homeless families and individuals to permanent supportive housing and independent living.

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: likely to become homeless after being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); and, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs

The risk of homelessness is more prevalent than ever as a result of today's economic conditions and housing market. Households that lost jobs in the sagging construction, manufacturing, and retail sectors and those who have not been able to secure full-time employment are among those facing homelessness. One of the best methods for addressing homelessness is to prevent the household from losing their housing in the first place.

The Union County Continuum of Care Committee has prepared a list of the services in place for the prevention of homelessness in Union County. Rent and mortgage vouchers are available to eligible persons/families to assist them in maintaining permanent housing by preventing displacement, eviction, or foreclosure. Assistance is contingent upon the availability of funds, and eligibility criteria set by the funding sources. This assistance assures action is not taken against the client once the one-time payment is provided, and the client can reasonably maintain future payments. Assistance is provided by the following groups:

- Catholic Charities of the Archdiocese of Newark
- Community Access Unlimited
- Elizabeth Coalition to House the Homeless
- Family Promise (Union County)
- Plainfield Action Services
- PROCEED, Inc.
- The Salvation Army (Elizabeth)
- The Salvation Army (Plainfield)
- Urban League of Union County

Utility assistance provides direct payment to a utility company or vendor to prevent a shut-off of utilities. The assistance is contingent upon the availability of funds, and the eligibility criteria set by the funding source. Service providers include those listed below:

- Catholic Charities of the Archdiocese of Newark
- Low Income Home Energy Assistance Program (LIHEAP)
- N.J. Shares
- Plainfield Action Services

- PROCEED, Inc.
- The Salvation Army (Elizabeth)
- The Salvation Army (Plainfield)

The County developed and implements a Discharge Coordination Policy to prevent the discharge of persons from medical institutions or other systems of care resulting in homelessness. Discharge policies and programs are in place for the Union County Department of Social Services contract with Catholic Community Services, American Friends Service Committee Life Skills Project and the Bridgeway joint discharge plan with hospital and jail social workers. The County will continue to coordinate consultation between the agencies and institutions to assure viable and realistic policies and programs. The lack of affordable housing in Union County causes the failure of many individuals who are released from institutions and results in increased recidivism.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

Permanent supportive housing (PSH) is a combination of permanent affordable housing with voluntary services that helps people live more stable, productive lives. When developed and implemented well, PSH can be an exceptionally cost-effective way to serve those homeless persons with the greatest challenges. Not only is PSH a humane and compassionate way to provide permanent affordable housing for disabled homeless persons, but it costs no more to operate than it does to serve homeless persons through the traditional, informal network of hospital emergency rooms, jails, and emergency shelters. Beyond the simple monetary savings for communities, PSH has also been shown to contribute to significant positive outcomes for the people it houses. For example, research indicates that when homeless persons reside in PSH they experience decreases of more than 50% in emergency room visits and hospital inpatient days, decreases in use of emergency detoxification services by more than 80%, and increases in the use of preventative health care services. In addition, PSH tenants experience increases of 50% of earned income and 40% in the rate of participant employment when employment services are provided in supportive housing. In sum, PSH is a humane way to provide permanent affordable housing to homeless persons with the greatest needs.

CR-30 - Public Housing 91.220(h); 91.320(j)

Actions taken to address the needs of public housing

The County works with local public housing agencies to help meet the needs of its residents and housing supply. The County utilizes CDBG funds to support programs that enhance the lives of their residents. In 2020, CDBG funds were used to make ADA improvements at Rahway Housing and Summit Housing and facility improvements at Scotch Plains Senior Housing Corp. We also provided a nutrition program at the Cranford Housing and youth development programs at the Plainfield Housing Authority through Premier Community Development Corp. Additionally, funding was used to offset the operating deficits associated with public housing units and modernize facilities as well as make capital improvements.

Actions taken to encourage public housing residents to become more involved in management and participate in homeownership

The Housing Authority administrative staff meets with the resident associations monthly to encourage residents to become more involved in management. Potential opportunities for residents and any problems the residents are encountering are discussed. At every board meeting, the agenda includes a scheduled time for the resident associations to meet and discuss items with the board members. Each Housing Authority within the County has positions on their board for Public Housing residents.

Actions taken to provide assistance to troubled PHAs

None of the Public Housing Authorities within the County are designated as troubled.

CR-35 - Other Actions 91.220(j)-(k); 91.320(i)-(j)

Actions taken to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment. 91.220 (j); 91.320 (i)

The County Consortium has identified the public policies that impact the cost of housing and the incentives to develop, maintain and improve affordable housing. Many of these policies fall beyond the Consortium, which has no legal or regulatory authority of its own. Indeed, some of the issues described above are beyond the authority of any single agency or level of government.

Issues that can be addressed at the municipal level include local tax policy, land use controls, building codes fees and charges, growth limits, zoning ordinances and policies that affect the return on residential investment. To varying degrees the Consortium municipalities each have addressed their zoning and land use regulations in an attempt to make them as equitable and open as possible.

Development standards, though they sometimes add costs to construction or rehabilitation, are necessary for the safety and health of residents and are in place in most of the participating jurisdictions. Efforts have been made to streamline and facilitate the permitting process locally by most of the municipalities. Several municipalities employ impact and linkage fees for new development in an attempt to pay for the construction of roads, sewers and other infrastructure improvements required by new development.

Actions taken to address obstacles to meeting underserved needs. 91.220(k); 91.320(j)

- The county will attempt to increase the capacity and coordination of lead-based paint screening and rehabilitation programs.
- The large number of vacant and abandoned properties has a blighting effect on neighborhoods and prevents neighborhood revitalization. To address this, the County will coordinate with municipalities and housing professionals through the Union County Foreclosure Task Force.
- The current credit market makes it difficult for low and moderate income homebuyers to qualify for financing. The County will ensure its homebuyer programs provide counseling assistance to maximize success for potential buyers using federally-funded programs.
- Development costs, such as builder insurance, are higher in low-income neighborhoods. The County will work with developers to determine the appropriate amount of development subsidy for each potential project by conducting a subsidy layering analysis.
- Permanent supportive housing is the largest under-served homeless need. The County will coordinate its resources to continue the development of additional supportive housing units.
- Additional funds needed for capital improvements in neighborhoods. In response, the County will seek to combine limited CDBG funds with other funding sources to increase the sustainability of low-income neighborhoods.

Actions taken to reduce lead-based paint hazards. 91.220(k); 91.320(j)

- The county will attempt to increase the capacity and coordination of lead-based paint screening and rehabilitation programs.
- The large number of vacant and abandoned properties has a blighting effect on neighborhoods and prevents neighborhood revitalization. To address this, the County will coordinate with municipalities and housing professionals through the Union County Foreclosure Task Force.
- The current credit market makes it difficult for low and moderate income homebuyers to qualify for financing. The County will ensure its homebuyer programs provide counseling assistance to maximize success for potential buyers using federally-funded programs.
- Development costs, such as builder insurance, are higher in low-income neighborhoods. The County will work with developers to determine the appropriate amount of development subsidy for each potential project by conducting a subsidy layering analysis.
- Permanent supportive housing is the largest under-served homeless need. The County will coordinate its resources to continue the development of additional supportive housing units.
- Additional funds needed for capital improvements in neighborhoods. In response, the County will seek to combine limited CDBG funds with other funding sources to increase the sustainability of low-income neighborhoods.

Actions taken to reduce the number of poverty-level families. 91.220(k); 91.320(j)

Poverty reduction requires coordination of programming across broad areas including job training and placement, public services, education, and basic skills development. The County's anti-poverty strategy is linked to economic and educational efforts that have been implemented for several years. It is essential to provide the basic skills, training, and education necessary to make a person employable in today's competitive job market. The County works with the Boards of Education to assist persons to obtain high school diplomas or the GED certificate. The County facilitates and supports programs to coordinate training programs provided by public institutions with the needs of employers.

The County also supports the job creation efforts in several of the municipalities (Hillside Township, Plainfield City and Roselle Borough) in the Urban Enterprise Zones (UEZ). The UEZ programs create new employment and capital investment by providing tax incentives and support to new and existing businesses. UEZ provides direct benefits to businesses. Zone resources are placed in a fund specifically for economic and community development projects.

Other education and training programs contribute to reducing poverty. Examples of these include job training and job placement activities sponsored by the Workforce Investment Board, The Welfare to Work Program, day care funding throughout the County, and long-term employment opportunities for severely disabled adults, and life skills development programs. The Vo-tech schools, the community college, and Continuing Education Programs also provide important training and educational opportunities for local residents.

When feasible, Union County will provide job training, employment, and contract opportunities for public housing residents and other low- and moderate-income residents in connection with construction projects funded under the Consolidated Plan. This provision helps foster local economic development, neighborhood economic improvement, and individual self-sufficiency. In this way, the County will comply with Section 3 of the Housing and Urban Development Act of 1968. It is expected that a number of projects selected for Consolidated Plan funding will focus on assisting households in poverty.

Employment programs reach only a part of the poverty population. Many people living in poverty are not employable. The County works cooperatively with public, social, and civic service organizations to develop and implement direct assistance and service delivery programs to improve the quality of life of these persons. This first step in providing health and social services is necessary to enable an unemployed person to become employable.

Actions taken to develop institutional structure. 91.220(k); 91.320(j)

The County of Union will implement the Consolidated Plan and Annual Action Plan through the combined efforts of the County CDBG staff and the County's Community Development Revenue Sharing Committee, the various sub-committees of the Community Development Revenue Sharing Committee and, private, non-profit, and for-profit organizations.

The County's housing and community development programs are administered by the Union County Department of Economic Development – Division of Planning and Community Development and the Union County Department of Human Services. The Department of Economic Development works with the Union County Alliance, an organization of business, education, government, and civic leaders that works for legislative change in the areas of economic and community development; with the Union County Improvement Authority, a public authority working to provide lower cost financing and other incentives for economic development and acquisitions; the Union County College Small Business Institute and Center for Advancement, which develops workforce training, continuing education and curriculum to address the needs of the County workforce, the Union County Economic Development Corporation, a private, non-profit organization specializing in business retention and expansion activities; and the Workforce Investment Board, which reviews and approves all applications for government financing of workforce training programs.

The Union County Department of Human Services delivers programs and services that recognize and respond to the quality of life needs of the County's elderly, poor, unemployed, underemployed and youth populations. The Department serves as the facilitator of the Homeless Continuum of Care System.

The Department's Division of Planning is the coordinator and advisor to the County's Comprehensive Emergency Assistance System (CEAS) Committee, the County's primary planning, coordination and advocacy mechanism relating to homelessness. The composition of the Committee includes county and municipal welfare agency directors, homeless advocates and service providers, public sector representatives, government officials and concerned citizens. It is a standing sub-committee of the

Union County Human Services Advisory Council (HSAC), a board appointed by the Board of Chosen Freeholders that consolidates data pertinent to homeless services and housing – data that is used to develop both.

Union County has worked closely with local non-profit organizations to actively encourage housing programs for very-low, low- and moderate-income persons. The County has been successful in qualifying the following organizations as Community Housing Development Organizations (CHDO's): The Interfaith Council for the Homeless of Union County; the Puerto Rican Organization for Cultural, Economic, and Educational Development (PROCEED); Faith, Bricks and Mortar, Partnerships for People; and the Association of Retarded Citizens of Union County (ARC).

Though these entities work well together, there are opportunities for improved coordination and communication. All agencies involved in these efforts are seeking new ways to better serve their target populations and the general public.

Actions taken to enhance coordination between public and private housing and social service agencies. 91.220(k); 91.320(j)

The County will continue to work with the partners and stakeholders listed above to insure funds are flowing to needed areas of investment.

Identify actions taken to overcome the effects of any impediments identified in the jurisdictions analysis of impediments to fair housing choice. 91.520(a)

Union County has updated its Analysis of Impediments to Fair Housing (AI). The Analysis of Impediments to Fair Housing is a review of an Entitlement jurisdiction's laws, regulations, administrative policies, procedures, and practices to assess how these affect the locations availability and accessibility of housing. It is also a review of conditions, both public and private, affecting fair housing choice. The AI examines existing and potential barriers to fair housing in a community, for all classes protected under the Fair Housing Act, such as lending discrimination, inequities in service delivery; and obstacles to the provision of housing for the effect of any impediments identified. The final AI has been completed and already submitted to HUD

CR-40 - Monitoring 91.220 and 91.230

Describe the standards and procedures used to monitor activities carried out in furtherance of the plan and used to ensure long-term compliance with requirements of the programs involved, including minority business outreach and the comprehensive planning requirements

In accordance with HUD's Community Planning and Development Notice 03-09, Union County developed a Performance Measurement System designed to measure both the productivity and impact of the Community Development Block Grant Program.

The County's "Union County Measuring-Up Performance Matrix" performance measurement system has captured output and outcome information on each of the following:

- Suitable Living Environment/Neighborhood Revitalization through the Multi-Jurisdictional Housing Rehab Program by measuring Number of housing units assisted that have eliminated at least one significant health and safety deficiency as a result of housing rehabilitation, as defined by local codes
- Affordable Housing through tracking number of unit years of affordability in rental projects, based on the investment of HOME dollars
- Economic Revitalization/Economic Opportunities through tracking decrease in abandoned or non-revenue producing properties (new homes/units)
- Downpayment Assistance through tracking increase in minority homeownership rates and neighborhood revitalization activities
- Activities to End Chronic Homelessness by tracking outcome information from our Emergency Shelter Grant Program (ESG), in addition to several other performance measurement areas

The Department of Economic Development will be responsible for most performance measurement activities and will incorporate measurement standards and methods into the process of awarding funds, allocating resources to programs and agencies and obtaining completion reports from those programs and agencies. The standard Grant Agreement specifies the required activities and conditions which must be met in order to carry out grant programs, including compliance with statutory and regulatory requirements. The monitoring requirements and procedures under this Consolidated Plan will build upon existing monitoring systems and experience in administering federal and state programs and funds.

The Department administers the CDBG, HOME, and Section 8 Housing Assistance Payment Programs,

and executes a housing rehabilitation program for homes owned by very-low, low- and moderate-income persons. The Union County Department of Human Services administers the ESG Supportive Housing programs.

The County's standards and procedures for monitoring are designed to ensure that:

- 1) objectives of the National Affordable Housing Act are met
- 2) program activities are progressed in compliance with the specifications and schedule for each program
- 3) recipients are in compliance with other applicable laws, implementing regulations, and with the requirements to affirmatively further fair housing and minimize displacement of low-income households

Both the Action Plan and the Consolidated Plan will be monitored through the use of checklists and forms that are currently used to facilitate uniform monitoring of program activity. The Division will identify performance measures in advance of allocating funds. Each description of projects and activities will contain the specific measures by which the project will be evaluated. The strategies presented earlier each present measures that can or may be employed. Measures will be kept as simple and direct as possible.

Monitoring will occur through regular telephone and on-site monitoring visits. These visits will occur as necessary, but at least once a year. On all housing rehabilitation activities an inspection is made to insure housing code compliance.

All sub-recipients must identify the personnel working on the project, keep accurate records and filing systems to document program benefits and compliance, maintain an appropriate financial management system, submit to an audit, and submit a final report as a closeout procedure.

Citizen Participation Plan 91.105(d); 91.115(d)

Describe the efforts to provide citizens with reasonable notice and an opportunity to comment on performance reports.

To solicit public input during the planning process, the County follows its adopted Citizen Participation Plan (CPP). This includes holding a number of public meetings and hearings, publishing notice of opportunities to participate, and publishing the plan for a period of thirty days for review.

CR-45 - CDBG 91.520(c)

Specify the nature of, and reasons for, any changes in the jurisdiction's program objectives and indications of how the jurisdiction would change its programs as a result of its experiences.

The County of Union received funds for Community Development Block Grant-Coronavirus (CDBG-CV) to allocate to prevent, prepare and respond to activities that address COVID-19 related community needs. This allocation was authorized in the Coronavirus Aid, Relief, and Economic Security (CARES) Act, in response to the growing effects of this historic public health crisis. The CARES Act made available \$5 billion in Community Development Block Grant Coronavirus (CDBG-CV) funds.

Does this Jurisdiction have any open Brownfields Economic Development Initiative (BEDI) grants?

No

[BEDI grantees] Describe accomplishments and program outcomes during the last year.

CR-50 - HOME 91.520(d)

Include the results of on-site inspections of affordable rental housing assisted under the program to determine compliance with housing codes and other applicable regulations

Please list those projects that should have been inspected on-site this program year based upon the schedule in §92.504(d). Indicate which of these were inspected and a summary of issues that were detected during the inspection. For those that were not inspected, please indicate the reason and how you will remedy the situation.

There were no HOME onsite inspections as per April 2020 and December 2020 (revised) per the Memorandum Availability of waivers and Suspensions of the HOME Program Requirements in Response to COVID-19.

Provide an assessment of the jurisdiction's affirmative marketing actions for HOME units. 92.351(b)

The Union County Participating Jurisdiction has developed procedures which insure long-term adherence to the Affirmative Marketing rules described in 24CFR92.351. Each HOME Investment Partnerships Agreement, including those with other governmental bodies, for-profit developers, non-profit sponsors, and certified CHDO's, contains procedures requiring a specific plan for how the sponsor will affirmatively market the project in accordance with 24CFR92.351. Occupancy and admission requirements are presented and made part of the Partnerships Agreement.

Refer to IDIS reports to describe the amount and use of program income for projects, including the number of projects and owner and tenant characteristics

N/A

Describe other actions taken to foster and maintain affordable housing. 91.220(k) (STATES ONLY: Including the coordination of LIHTC with the development of affordable housing). 91.320(j)

857 County residents were provided homeless assistance services. This grant funds a wide variety of services to Union County residents who met the income eligibility guidelines (30% of the Area Median Income). Services included emergency shelter; meals for shelter residents; street outreach; staffing for data system entry; rapid re-housing case management services; rapid re-housing cash assistance for rent/utilities; homelessness prevention case management services and homelessness prevention cash assistance for rent/utilities. All funded providers work in collaboration with other agencies within the CoC to ensure that all persons served success in obtaining and maintaining self-sufficiency through housing.

Follow Up Flag: Follow up
Flag Status: Flagged

Good afternoon CDBG Sub-Recipients,

Hope all is well.

The purpose of this email is to inform you that our updated Consolidated Annual Performance and Evaluation Report (CAPER) is now available for review. Our first draft notice was posted in the Star Ledger on October 19th and LaVoz on October 21st.

Attached you will find the amended CAPER Public Notice effective today and it includes both CDBG-CV & ESG-CV funds. The 2020 CAPER will provide a breakdown on how all Annual Entitlement and CARES Act funds were utilized during the course of 2020.

A draft copy of the CAPER is available for public review online at <https://ucnj.org/department-of-economic-development/bureau-of-community-development/>. Anyone wishing to submit comments during the public review and comment period may do so by calling or emailing Charlene B. Dorgely at 908-527-4023 or cbathelus@ucnj.org.

All commentary received will be included in the final report. Commentary period will last for fifteen days, ending at 4:30 p.m. on **December 30, 2021**.

Thank you!

CONSOLIDATED ANNUAL PERFORMANCE AND EVALUATION REPORT
FISCAL YEAR 2020 AMENDMENT**

NOTICE OF AVAILABILITY

Pursuant to the requirements of the U.S. Department of Housing and Urban Development's (HUD) Consolidated Plan regulations (24 CFR 91.520), the County of Union, New Jersey is providing notice of the availability of its Consolidated Annual Performance and Evaluation Report (CAPER). The original submission deadline was October 30, 2021. The report covers activities funded by HUD's Community Development Block Grant (CDBG), CDBG-CV, HOME Investment Partnerships (HOME), and the Emergency Solutions Grant (ESG), ESG-CV programs during the Fiscal Year 2019 (August 1, 2020 through July 31, 2021).

In August 2020, the County of Union submitted its Fiscal Year 2020 Consolidated Action Plan for affordable housing, homelessness, and its community development and economic development activities designed to address its priority needs; including: the provision of decent housing and support services, the provision of a suitable living environment, and the expansion of economic opportunities. The CAPER covers the actions taken to address the needs outlined in the Consolidated Action Plan, the accomplishments made, and an assessment of the program's overall performance.

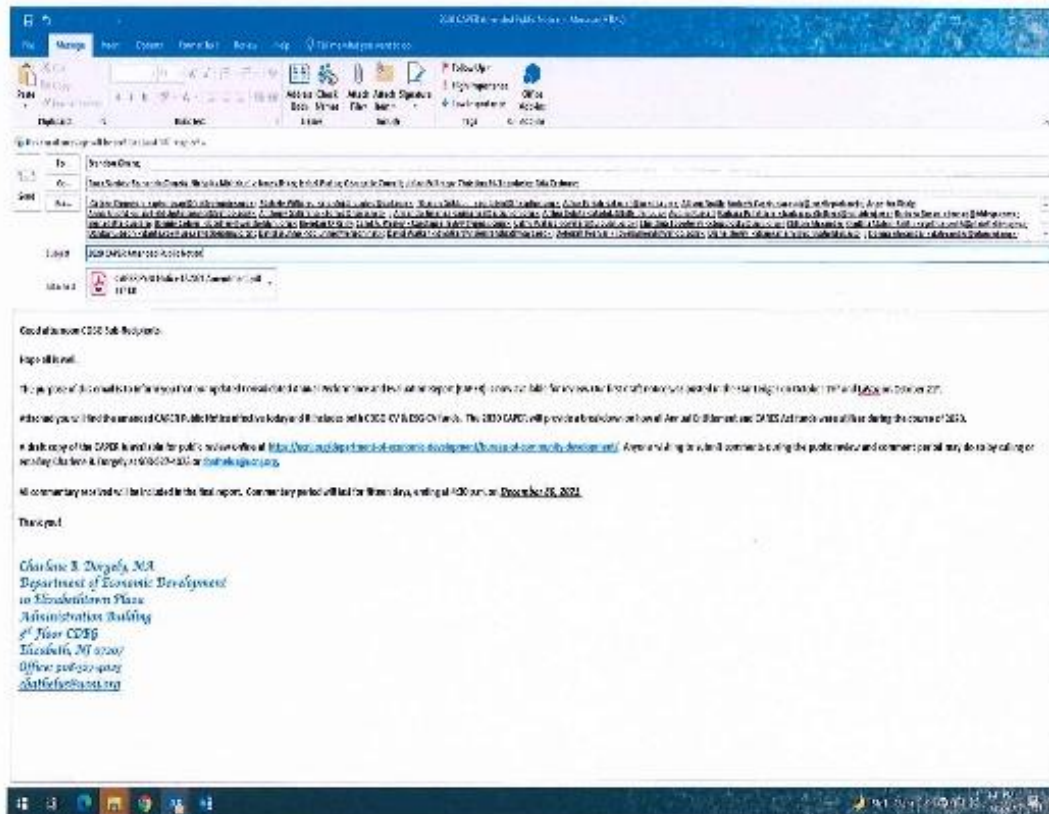

A draft copy of the CAPER is available for public review online at <https://ucnj.org/department-of-economic-development/bureau-of-community-development/>. Residents wishing to submit comments during the public review and comment period may do so by calling or emailing Charlene Bathelus at 908-527-4023 or cbathelus@ucnj.org. All commentary received will be included in the final report. Commentary period will last for fifteen days, ending at 4:30 p.m. on **December 30, 2021**.

**PUBLIC NOTICE
COUNTY OF UNION
CONSOLIDATED ANNUAL PERFORMANCE AND EVALUATION REPORT
FISCAL YEAR 2020**

NOTICE OF AVAILABILITY

Pursuant to the requirements of the U.S. Department of Housing and Urban Development's (HUD) Consolidated Plan regulations (24 CFR 91.520), the County of Union, New Jersey is providing notice of the availability of its Consolidated Annual Performance and Evaluation Report (CAPER). The original submission deadline was October 30, 2021. The report covers activities funded by HUD's Community Development Block Grant (CDBG), HOME Investment Partnerships (HOME), and the Emergency Solutions Grant (ESG) programs during the Fiscal Year 2019 (August 1, 2020 through July 31, 2021).

In August 2020, the County of Union submitted its Fiscal Year 2020 Consolidated Action Plan for affordable housing, homelessness, and its community development and economic development activities designed to address its priority needs; including: the provision of decent housing and support services, the provision of a suitable living environment, and the expansion of economic opportunities. The CAPER covers the actions taken to address the needs outlined in the Consolidated Action Plan, the accomplishments made, and an assessment of the program's overall performance.

A draft copy of the CAPER is available for public review online at <https://ucnj.org/department-of-economic-development/bureau-of-community-development/>. Residents wishing to submit comments during the public review and comment period may do so by calling or emailing Charlene Bathelus at 908-527-4023 or cbathelus@ucnj.org. All commentary received will be included in the final report. Commentary period will last for fifteen days, ending at 4:30 p.m. on **October 29, 2021**.

FISCAL YEAR 2020
NOTICE OF AVAILABILITY**

Pursuant to the requirements of the U.S. Department of Housing and Urban Development's (HUD) Consolidated Plan regulations (24 CFR 81.220), the County of Union, New Jersey is providing notice of the availability of its Consolidated Annual Performance and Evaluation Report (CAPER). The original submission deadline was October 30, 2020. The report covers activities funded by HUD's Community Development Block Grant (CDBG), HOME Investments Partnerships (HOME), and the Emergency Solutions Grant (ESG) programs during the fiscal year 2019 (August 1, 2020 through July 31, 2021).

In August 2020, the County of Union submitted its Fiscal Year 2020 Consolidated Action Plan for Affordable Housing, Homelessness, Safety, Community Development, and Economic Development activities designed to address its priority needs, including the provision of direct housing and support services, the provision of a safe and healthy environment, and the expansion of economic opportunities. The CAPER shows the actions taken to address the needs outlined in the Consolidated Action Plan, City accomplishments made, and an assessment of the program's overall performance.

A draft copy of the CAPER is available for public review online at <https://www.unionnj.gov/departments/community-development>. Residents wishing to submit comments during the public review and consultation may do so by calling or emailing Chantel Batheus at 908-527-5273 or chantel@unionnj.gov. All comments received will be included in the final report. Comments placed will last for fifteen days ending at 4:30 p.m. on October 29, 2021.

**AVISO PÚBLICO
CONDADO DE UNION
INFORME DE EVALUACIÓN Y DESEMPEÑO ANUAL CONSOLIDADO
AÑO FISCAL 2020
AVISO DE DISPONIBILIDAD**

De conformidad con los requisitos de las regulaciones del Plan Concesionario del Departamento de Vivienda y Desarrollo Urbano de Estados Unidos (HUD) (24 CFR - Código de Regulaciones Federales 91.520), el Condado de Union, New Jersey, notifica la disponibilidad de su Informe de Evaluación y Desempeño Anual Consolidado (CAPER). La fecha límite de presentación original era el 30 de octubre de 2021. El informe cubre las actividades financiadas por la Subvención Global para el Desarrollo Comunitario (CDBG) del HUD, las Asociaciones de Inversión en el Hogar (HOME) y los Programas de Subvención de Alcazar, Servicios de Emergencia (ESG), durante el año fiscal 2019 (1 de agosto de 2020 hasta el 31 de julio de 2021).

En agosto de 2020, el Condado de Union presentó su Plan de Acción Consolidado del Año Fiscal 2020, a las viviendas sociales, personas sin hogar y sus actividades de desarrollo comunitario y desarrollo económico, diseñadas para abordar sus necesidades prioritarias, incluyendo: la provisión de vivienda digna y servicios de apoyo, la provisión de un entorno de vida adecuado y la expansión de oportunidades económicas. El CAPER cubre las acciones tomadas para abordar las necesidades descritas en el Plan de Acción Consolidado, los logros alcanzados y una evaluación del desempeño general del programa.

Una copia preliminar del CAPER está disponible para revisión pública en <https://uonj.org/department-of-economic-development/bureau-of-community-development/>. Los residentes que deseen enviar comentarios durante el período de revisión pública pueden hacerlo llamando al 308-527-4022 o enviando un correo electrónico a Christine Galulis a CGalulis@uonj.org. Todos los comentarios recibidos se incluirán en el informe final. El período de comentarios tendrá una duración de quince días y finalizará a las 4:30 pm del 29 de octubre de 2021.

YR 46 Summary of Accomplishments, HOME Match Log & Affirmative Marketing Program

CAPER YR 46 SUMMARY OF ACCOMPLISHMENTS

**COUNTY OF UNION
CONSOLIDATED ANNUAL PERFORMANCE AND EVALUATION REPORT
FISCAL YEAR 2020**

Executive Summary

The Consolidated Annual Performance and Evaluation Report (CAPER) details the County of Union accomplishments during Fiscal Year 2020 (August 1, 2020 – July 31, 2021) towards meeting the goals outlined in the County's Five-Year Consolidated Plan (2020 - 2021). The CAPER reports on activities funded by the U.S. Department of Housing and Urban Development (HUD) for the Community Development Block Grant Program (CDBG), CDBG-CV, HOME Program, Emergency Shelter Grant (ESG) and ESC-CV programs.

HUD Funding Amounts

\$4,708,622.00	Community Development Block Grant Funds (CDBG)
\$2,770,145.00	CDBG-CV Round 1
\$2,669,052.00	CDBG-CV Round 3
\$1,254,409.00	HOME Investment Partnerships Program (HOME)
\$ 397,064.00	Emergency Solutions Grants (ESG)
\$1,369,186.00	ESG-CV Round 1
\$1,990,737.00	ESG-CV Round 2

General Goals

The Union County Consortium Consolidated Plan 2020-2021 outlines community housing and economic development goals and objectives for this five-year period. This document identifies three basic goals against which HUD will evaluate the Consolidated Plan and the local jurisdiction's performance. Each of these goals must benefit primarily HUD eligible households (very low, low and moderate income). Very low income is defined as less than 30 percent of Median Family Income, Low Income as between 30 and 50 percent of Median Family Income, and Moderate Income as between 50 and 80 percent of Median Family Income.

These goals are:

- Provide decent housing
- Provide a suitable living environment
- Provide expanded economic opportunities

This CAPER Report documents the activities undertaken during this program year to meet these goals and continue the overall housing strategies set forth in the 2020-2021 Consolidated Plan.

Program Objectives

There are several areas of specific needs which emerge from the analysis of the community, its needs, as well as market conditions. These needs, translated into tangible objectives are:

- Stabilization and improvement of neighborhoods
- Maintenance and improvement of the existing housing stock
- Continued support of programs for the homeless, especially in the areas of prevention and of transitioning to independent living
- Continued support for provision of services & improvements to those individuals and groups with special needs, such as the elderly, the disabled, and first time homebuyers
- Continued support of key public service programs, the improvement of public facilities and infrastructure
- Implementation of economic development initiatives in support of and in coordination with county and state programs and entities
- Execution of anti-poverty efforts that support and build on existing programs, relate to economic development efforts, and integrate job training and placement, welfare to work initiatives, and other programs aimed at improving opportunities for economic self-sufficiency
- Continued efforts to expand housing and homeownership opportunities
- Emergency residential rent or mortgage assistance.

Performance Measures

Consistent with HUD regulations and in an effort to better demonstrate the benefits derived from the programs funded by HUD, this report will quantify beneficiaries and outcomes from projects funded in the County of Union by the CDBG, HOME and ESG grants.

All projects have been classified into meeting one of the three goals listed below:

- Decent Housing
- Suitable Living Environment
- Creating Economic Opportunities

All projects have been further classified into achieving one of the following three potential outcome measures:

- Availability/Accessibility
- Affordability
- Sustainability
- Prevent, Prepare and Respond to COVID-19 Related Community Needs

All of the projects funded are consistent with the goals and objectives identified in the 2020 Action Plan.

The specific achievements of each project are described in the IDIS reports included in this report. The IDIS reports contain the specific measurements required including: summary/description of project; objective; outcome; funding sources; organization carrying out the activity; form of assistance and beneficiaries by ethnic and economic status, to name a few categories.

Citizen Participation Requirements

In accordance with the Consolidated Plan regulations, the County of Union has made this Consolidated Annual Performance and Evaluation Report available to the public for examination and comment for a period of fifteen (15) days. The citizen participation period ended on October 29, 2021 and no comments were received. An amended public notice was republished on December 15, 2021 for public examination and comment of the CAPER including the CDBG-CV & ESG-CV funds for a period of fifteen (15) days prior to its submission to the New Jersey State Office of HUD. The citizen participation period ended on December 30, 2021 and no comments were received.

Summary of Accomplishments

CDBG, HOME, ESG

Community Development Block Grant Program

Below is a summary of accomplishments for the CDBG program during this reporting period:

Housing

Home Improvement Programs

Funds were utilized to provide income eligible homeowners improvements on their home such as: the repair or replacement of substandard heating, electrical and plumbing systems, structural repairs, repairs to correct code violations, energy saving measures such as insulation, new windows and storm doors.

A total of 28 housing units were rehabilitated through the following programs

<u>Municipality</u>	<u>Approx. Completed</u>
Countywide Home Improvement	12
Linden Home Improvement	1 complete, 3 in progress (4)
Plainfield Comprehensive Housing	0
Rahway Home Improvement	2 complete, 10 in progress (12)
Total	28

No Handyman Program in Year 45

Facilities Improvements

A total of **\$494,800** was allocated for facility projects. Some of the accomplishments are as follows:

Cerebral Palsy League was funded **\$15,000** to replace their exhaust fans.

Kanitworth Borough Hall was funded **\$18,000** to install and upgrade ADA doors.

Plainfield Neighborhood House was funded **\$10,000** to purchase a commercial washer.

Plainfield Second Street Youth Center was funded **\$25,000** to resurface their playground.

Rahway Housing Schaffhauser Towers was funded **\$70,000** to install a new elevator.

Rahway JFK Community Center was funded **\$60,000** for the installation of gym doors, classroom plumbing and sealing of leaky kitchen windows.

Roselle Park was funded **\$28,000** for ADA compliant handicap ramps, sidewalks and curbs at their municipal complex.

Senior Housing Corporation of Scotch Plains was funded **\$30,000** for the purchase and installation of new windows.

Summit Housing Authority was funded **\$50,000** for senior housing facility improvements.

Westfield Area YMCA was funded **\$6,000** to install emergency communication/video system at the entrance ramp.

Westfield Community Center was funded **\$20,000** to refurbish their gym facility and parking lot.

Public Improvements

A total of **\$1,550,000** was allocated for projects. Some of the accomplishments are as follows:

Clark, Cranford, Fanwood and Kenilworth utilized **\$25,000** each for curb cuts and ramps at various locations within each municipality for the purpose of complying with ADA codes.

Linden utilized **\$261,000** of CDBG funding for various streets, curbs and sidewalk improvements.

Hillside utilized **\$125,000** of CDBG funding for resurfacing various streets that had deteriorated.

Plainfield utilized a total of **\$400,000** CDBG funding for two (2) projects covering street rehabilitation, playground and drainage improvements.

Rahway utilized **\$270,000** of CDBG funds for the rehabilitation of deteriorated streets at various locations within the city proper.

Public Services

A total of **\$607,000** was allocated for projects. Some of the accomplishments are as follows:

Child Care Services

Over **1,200** children Countywide from low to moderate income families were provided with daycare programs; as well as afterschool and summer programs. The after school programs provided homework and reading assistance, tutoring, cultural and recreational activities. The summer programs the children were provided activities such as swimming, arts and crafts, field trips and other recreational services. This funding allowed parents the opportunity to work without having to worry about their children receiving quality care.

Emergency Shelter Services

To address homelessness in the County, **115** individuals were served by programs such as **Family Promise, Fish Hospitality, Gateway YMCA of Eastern Union County** and **YWCA of Union County**. These programs provide case management, counseling, follow-up services, hot meals, transitional housing, one-time rental assistance payments, transportation, clothing, assistance with job and apartment searches and medical care to persons who are homeless and are homeless due to abusive family members.

Food Pantry Program

Linden Food Pantry LINCS, The Salvation Army Hygiene Pantry and the New Covenant Development Corp. programs have served approximately **1,500** people and families with essential food and health care products. These programs have helped to support hard working families in their biggest time of need. This population consists of low-income and no income residents of Union County especially those effected by COVID-19.

Handicapped Services

Approximately **1,500** Handicapped individuals were served in the County of Union with programs that provided individuals with rehabilitation services promoting physical, emotional and cognitive development and assuring their safety and wellbeing. Program

Included **ARC of Union County Adult Medical Day Care, Cerebral Palsy, Occupational Center of Union County, Shut-In Council for Disabled Care Services in Plainfield and Westfield Y Adult Special Needs Program**; providing individuals with rehabilitation services promoting physical, emotional and cognitive development and assuring their safety and wellbeing. These programs provided services to low- and moderate-income families who would not be able to afford these programs and also allows other family members the chance to work which otherwise would not be possible.

Maternal & Child Health Care Services

Over **445** parents and their children were able to participate in **Hillside's Maternal Child Health Care Program**. Public nursing staff provided counseling services, medical screening and referrals to appropriate resources as needed. Children care wellness was also provided on a monthly basis, which included vaccinations administered by physicians to ensure proper immunizations protection, lead screening and more. A Health Fair was also held which administered immunizations for children, flu shots for children, eye screening and lead screening.

Mental Health Services

To address mental health in the County, approximately **50** individuals were served by programs such as **Jewish Family Services of Central NJ** and **United Family & Children Services**.

Senior Citizens Social Service Programs

Approximately **12,000** Senior Citizens throughout the County received a variety of cultural, educational, nutritional, medical, health related, and recreational programs and the following benefits during the contract year: health benefits included educational presentations by guest speakers on topics of maintaining wellness and fitness through nutrition and exercise, health aide services to seniors who are unable to attend outside programs showing them how to live safely in their homes and prevent nursing home placement or hospitalization, health assessments including weight and vital signs, cardiovascular, diabetic, urinary, mental health, skin and wound healing and much more.

Recreational benefits included Arts & Crafts workshops, Line Dancing, Bingo, Tai Chi, Yoga and Zumba just to name a few. Seniors also had the opportunity to participate in special events such as a Fashion Show and Holiday Party.

Transportation benefits included pick up and drop off service to various senior programs as well as weekly trips to food markets, doctor appointments, post office, hair appointments and many more events.

These programs enable the seniors to have a more enjoyable life in addition to giving them the opportunity to socialize with other individuals which promotes a better quality of life.

Teen Programs

Over 500 teens were assisted in achieving a better quality of life by several agencies and programs including the, the **Boys and Girls Club of Plainfield, Buie Center Youth Recreation Program in Hillside, Second Street Youth Center Afterschool Program and Teen Resource Program in Plainfield.**

United Way of Greater Union County

The County of Union and **United Way of Greater Union County** partnered to administer a project called the "Family Strengthening Program". Community Development funds in the amount of **\$150,000** was provided to the United Way for this program. This program is designed to support family strengthening activities for the most vulnerable and at-risk population in Union County. Funds were spent on quality child care services, services for battered and abused children, disabled services, homeless prevention, youth services, domestic violence programs, and mental health/counseling services. Fifteen agencies working directly with United Way provided a coordinated systematic approach to delivering the various services. The agencies included: Cerebral Palsy League, Occupational Center of Union County, YMCA of Eastern Union County, ARC of Union County, YWCA of Union County, Community Coordinated Child Care, Kings Daughter Day Care, Neighborhood House Association, Rahway Community Action Organization, Rahway Day Care, Roselle Day Care, Holy Redeemer Home Care, Jewish Family Services, and United Family and Children's Services.

Housing Counseling Agencies

A total of **\$40,000** was allocated to Counseling Agencies.

The County of Union has utilized the services of one HUD certified Housing Counseling Agencies – **Urban League**. Urban League has expanded their services beyond regular counseling services to include foreclosure, rental and mortgage issues. These agencies are CBDO (Community Based Development Organization) agencies.

Economic Development

A total of **\$155,000** was allocated to the **Union County Economic Development Corporation** to provide technical assistance to businesses and to administer a loan program.

CDBG-CV

A total of **\$5,439,197** was allocated to the **County of Union, Community Development Block Grant Program CARES Act (CDBG-CV)** to prevent, prepare and respond to COVID-19 Related Community Needs. Approximately **195** individuals were served for rental assistance programs by Family Promise, Urban League of Union County and United Way of Greater Union County.

Analysis of Impediments

Union County has updated its Analysis of Impediments to Fair Housing (AI). The Analysis of Impediments to Fair Housing is a review of an Entitlement jurisdiction's laws, regulations, administrative policies, procedures, and practices to assess how these affect the location, availability and accessibility of housing. It is also a review of conditions, both public and private, affecting fair housing choice. The AI examines existing and potential barriers to fair housing in a community, for all classes protected under the Fair Housing Act, such as lending discrimination, inequities in service delivery; and obstacles to the provision of housing for the effect of any impediments identified. The final AI has been completed and already submitted to HUD.

NARRATIVE STATEMENTS

a. Assessment of Three to Five Year Goals and Objectives

The Department of Housing and Urban Development (HUD) Community Development Block Grant (CDBG) program provides financial assistance to state, cities, and counties in support of a variety of housing, community, and economic development projects. These projects range from assisting senior citizens to repairing and building roads, bridges and other infrastructures.

The primary objective of the CDBG program is the development of viable urban communities through the provision of decent housing, suitable living environments, and economic opportunities, principally to benefit persons of low and very low-income.

Union County's priority housing and community development needs include:

- the provision of safe and decent housing;
- assisting the homeless and persons at-risk of homelessness obtain housing;
- increasing access to quality public and private facilities;
- providing for the revitalization of deteriorating neighborhoods;
- the expansion of economic opportunities;
- providing employment accessibility;
- fostering capital investment that promotes long term economic growth.

Priorities for homelessness alleviation include:

- the increasing the number of transitional facilities and companion services engaging in preventative measures to preclude further increases in homelessness;
- expanding the number of support services;
- expanding the number of facilities for the homeless.

Priorities for affordable housing include:

- increase accessibility to safe affordable housing;
- assure the continuation of adequate housing stock;
- preserve the existing supply of affordable housing.

Union County's priority for economic development includes:

- the continuation of low unemployment;
- provide increased year-round employment opportunities;
- enhance the tax base by encouraging compatible industrial, commercial, office and retail facilities to locate or expand in Union County;
- the development of new jobs skills and labor markets;
- the revitalization and maintenance of the existing commercial and industrial base and facilities.

As illustrated in the descriptive analysis of each project contained in the IDIS reports sections of this CAPER, the activities listed in the County's 2020 Consolidated Plan/ Action Plan were consistent with aforementioned County objectives.

To ensure all CDBG, HOME, and ESG programs met the requirements as set forth in the 2020 Consolidated Plan / Action Plan, Union County brought together both public and private housing coordinators, community leaders, and business leaders. Also, when feasible, CDBG, HOME and ESG projects were planned in conjunction with individual neighborhood preservations, affordable housing and housing rehabilitation projects.

Geographic Location of Community Development Block Grant Investments

The Geographic area in which Union County directed assistance included: the Township of Berkeley Heights, Township of Clark, Township of Cranford, Borough of Fanwood, Borough of Garwood, Township of Hillside, Borough of Kenilworth, City of Linden, Borough of Mountainside, Borough of New Providence, City of Plainfield, City of Rahway, Borough of Roselle, Borough of Roselle Park, Township of Scotch Plains, Township of Springfield, City of Summit, Town of Westfield, and Township of Winfield. These nineteen (19) municipalities comprise an Urban County for Community Development Block Grant entitlements. The Urban County and the Township of Union have formed an Urban County Consortium for the purposes of planning and allocation HOME Investment Partnership Program entitlements.

b. Affirmatively Furthering Fair Housing

One way the Union County Department of Economic Development ensured fair housing guidelines were strictly enforced was by providing funding for the Urban League of Union County, Inc.'s Comprehensive Housing Counseling Program. The Comprehensive Housing Counseling Program is committed to working toward the goals of affirmative action and fair housing to increase housing opportunities for low- and moderate-income residents.

Through comprehensive housing counseling services for homeowners and tenants, the Urban League provided low- and moderate-income families with a full array of services in order to achieve neighborhood stabilization. These services include home selection, tenant/landlord counseling, mortgage default, household management, emergency assistance, assistance for person with HIV/AIDS, and anti-discrimination information.

The Comprehensive Housing Counseling Program assists clients in housing discrimination issues. The Urban League investigates discrimination claims, counsel's clients who are discriminated against in their search for housing, assists in directing clients to appropriate legal and governmental regulatory services. The program also provides

public education through speakers, public announcements, and literature distribution to schools, churches, businesses and community based organizations.

Also, to ensure the continuance of fair housing, each HOME Partnership Agreement, including those with other governmental entities, contains procedures requiring a specific plan for how the sponsor will affirmatively market the project in accordance with federal guidelines. Occupancy and admission requirements are presented and made part of the Partnership Agreement.

Finally, the County of Union has implemented a Countywide Fair Housing Program that uses the following methods of informing the public about fair housing laws and its countywide affirmative marketing policies:

- Union County includes the Equal Housing logo or a Fair Housing statement in all press releases, advertising, brochures, etc., which describe the HOME program.
- The County includes the housing developer or owner requirements in each HOME Sub-grantee Agreement and provides technical assistance to each Sub-grantee in implementing their Affirmative Marketing Program.

c. Affordable Housing

The Department of Economic Development is one of the primary focal points in Union County's effort to increase accessibility to safe affordable housing and assure the continuation of adequate housing stock. It is the fiscal operator for CDBG, HOME, and Section 8 programs. The Department of Human Services is the operator of the Continuum of Care Homelessness Assistance, which includes the Supportive Housing, Shelter Plus, and ESG Programs. The County maximizes these funds by partnering with municipalities and non-profit organizations.

In Program Year 2020, the County allocated **\$1,259,000** to the Union County Home Improvement Program, Linden Home Improvement Program, Plainfield Comprehensive Housing Assistance Program, and the Rahway Home Improvement Program. These projects provided funds to low- and moderate-income homeowners with the opportunity to rehabilitate their homes.

The County of Union increased access of decent housing and suitable living environments to low- and very-low income families through the Section 8 Housing Choice Voucher Program. The Housing Choice Voucher Program is the County's major program for assisting very-low-income families, the elderly, and the disabled in affording decent, safe, and sanitary housing in the private market. Since housing assistance is provided on behalf of the family or individual, participants are able to find their own housing, including single-family homes, townhouses and apartments. The participant is free to choose any housing that meets the requirements of the program and is not limited to units located in subsidized housing projects.

Housing Choice Vouchers are administered through the County, some by local authorized public housing agencies (PHAs). The County of Union has retained a private consultant to serve as the administrator of the program. The consultant determines the eligibility of both the clients and the rental unit. A housing subsidy is paid to the landlord directly by the County PHA on behalf of the clients. The client then pays the difference between the actual rent charged by the landlord and the amount subsidized by the program.

The HOME Investment Partnerships Program was designed to reinforce the values and principles of community development, i.e. to increase access of decent housing and suitable living environments to the low- and very-low income families and individuals.

The eligibility of households for HOME assistance varies with the nature of the funded activity. For rental housing and rent assistance, at least 90% of benefiting families must have incomes that are not more than 80% of the HUD adjusted median family income for the area. In rental projects with five or more assisted units, families with incomes that do not exceed 50% of the HUD adjusted median must occupy at least 20% of the units. The incomes of households receiving HUD assistance must not exceed 80% of the area median.

The County of Union is able to choose among a broad range of eligible activities. HOME funds may be used to provide home purchase or rehabilitation financing assistance to both eligible homeowners and new homebuyers; build or rehabilitate housing for rent or ownership; or for 'other reasonable and necessary expenses related to the development of non-luxury housing', including, demolition of dilapidated housing, site acquisition or improvements, and payment of relocation expenses.

d. Continuum of Care

The Continuum of Care is a comprehensive approach to assisting individuals and families to move from homelessness to independence and self-sufficiency. It provides a continuum of services allowing individuals to move from emergency shelters to transitional housing to permanent housing.

The funding for the Continuum of Care is provided from three sources:

- Supportive Housing;
- Section 8: Moderate Rehabilitation Single Room Occupancy for Homeless Individuals, and;
- Shelter Plus Care.

Union County's Continuum of Care is designed to assist the homeless through a continuum of services, with the ultimate goal of permanent or permanent supportive housing. Strategy development and coordination is overseen by the Union County Comprehensive Emergency Assistance System (CEAS) Committee a standing subcommittee of the Human Services Council (HASC). The CEAS Committee is a network

of over 60 homeless providers and is the County's primary planning, coordination and advocacy group for the homeless.

a. Other Action Listed in the Action Plan

The County of Union undertook other actions as indicated in the Strategic and Action Plans. Included among them were actions to address obstacles to meeting underserved needs, foster and maintain affordable housing, eliminate barriers to affordable housing, overcome gaps in institutional structures and enhance coordination, improve public housing and resident initiatives, evaluate and reduce lead based paint hazards, ensure compliance with program and comprehensive planning requirements, and to reduce the number of persons living below the poverty level.

The Union County Community Development Program has served as one of the catalysts for the County's efforts to increase accessibility to safe housing; assure continued adequacy of the existing housing stock; and to enhance the availability of affordable housing. Since the 1970's, the County has aggressively sought and utilized a wider range of resources to impact upon housing, particularly for those residents least financially capable of securing adequate shelter on their own. It has maximized grants such as Emergency Solutions, Community Development Block Grant, Supportive Housing, and the HOME Investment Partnerships Program in partnership with municipalities and non-profit organizations to produce a wider variety of housing.

During the program year, the County of Union continued to utilize and administer the above grant programs solely or in combination to rehabilitate existing housing, invest in new housing, help produce different types of housing for at-risk and special needs residents, help offset the cost of rental housing for its poorest residents, and co-invest with families as they purchased their first homes. It also continued to work with, develop new, and sponsor existing non-profit housing organizations, as well as to strengthen outreach to private developers in an effort to leverage funds to produce more affordable housing.

f. Leveraging Resources

Community Development Block Grant funds are leveraged with municipal, state and private funds in order to meet long and short term objectives. To maximize the effectiveness of CDBG dollars efforts are coordinated with the Departments of Human Services, Parks & Community Renewal and Finance.

g. Citizen Comments

Federal regulation 24 CFR Part 570 and 24 CFR part 91 requires the County to provide notice of the availability of its draft Consolidated Annual Performance and Evaluation Report for citizen comment.

The County allowed fifteen days to receive citizen comments on the report and is now submitting the CAPER after the end of the citizen comment period.

h. Self-Evaluation

A detail of Union County's progress in its execution of the 2020 Consolidated Plan – Action Plan is contained in the attached IDIS reports. Contain therein are the following breakdowns:

1. A summary of CDBG & CDBG-CV resources
A summary of CDBG & CDBG-CV expenditures
A benefit breakdown of funding to low and moderately-low income residents
A breakdown of Public Service CAP Calculations
A breakdown of Planning and Program Administration CAP
2. A detailed description of each Community Development Program funded, covering the following information on each project name of grantee, project name, activity number, matrix code, name of activity, address, description, accomplishment, status, program year accomplishment, narrative on project, date funded, national objective accomplished, aspect of population served, total funds allocated, total funds disbursed through program year, total funds disbursed in program year.
3. A detailed description of use of Community Development funding (i.e. building, acquisition, renovation, salary, rent, etc.)
4. A summary of Community Development Accomplishments listed by priority need category.

II. **ENTITLEMENT NARRATIVE STATEMENTS**

a. **Relationship of the Use of Community Development Block Grant Funds to Priorities and Objectives**

The Union County Community Development Program provides grants to eligible municipalities and non-profit agencies for the development of viable urban communities through decent housing and a suitable living environment, as well as by expanding economic opportunities, principally for persons of low and moderate-incomes. All projects must either benefit low and moderate-income persons, aid in the prevention of slums and blight, or meet other community development needs having a particular urgency.

The project and activities identified for funding in the Fiscal Year 2020 Action Plan are all projects which qualify as meeting the Five-Year Consolidated Plan priorities and objectives. The procedures employed in selecting projects and activities for inclusion in the Action Plan provide that they address at least one of the priorities of the Five-Year Plan.

b. **Changes in Program Objectives**

None

c. **Assessment of efforts in Carrying out Planned Actions**

The County of Union has assessed its program effectiveness in achieving measurable success in accordance with the Five Year Consolidated Plan and Annual Action Plan and has had an effective performance during the program year for the following reasons:

- The County addressed the priorities and goals outlined in the Five Year Consolidated Plan and Annual Action Plan.
- The County brought together public and private housing providers and local community and business leaders.
- The Union County Community Development Program planned in tandem with neighborhood preservation activities, affordable housing projects and housing rehabilitation projects, which resulted in an efficient use of HUD dollars and a better quality living environment for the participating communities.
- The County of Union pursued and achieved the implementation of the programs outlined in the Plans. Projects were expedited for the initial planning stage through to implementation.

d. **Use of Funds for National Objectives**

The Union County Community Development Program provides grants to eligible municipalities and non-profit agencies for the development of viable urban communities through decent housing and a suitable living environment, as well as by expanding economic opportunities, principally for persons of low and moderate-income. All projects must either benefit low and moderate income persons, aid in the prevention of slums and blight, or meet other community development needs having a particular urgency.

e. **Acquisition, Rehabilitation or Demolition of Occupied Real Property**

Demolition of structures and acquisition did not result in the displacement of residents. Rehabilitation of homes of low-income residents did not result in relocation of residents.

f. **Economic Development Activities**

Community Development Block Grant funds were provided to the Union County Economic Development Corporation, a 501 (c)(3) corporation, to permit that agency to perform Special Economic Development activities as authorized in CFR 570.203 (b) and (c). The two specific activities funded were the provision of technical assistance and administration of a revolving loan fund.

HOME MATCH REPORT

Annual Performance Report HOME Program

U.S. Department of Housing
and Urban Development
Office of Community Planning
and Development

OMB Approval No. 2508-0171
(exp. 9/30/2023)

Public reporting burden for this collection of information is estimated to average 2.5 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. This agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number.

The HOME statute imposes a significant number of data collection and reporting requirements. This includes information on assisted properties, on the owners or tenants of the properties, and on other programmatic areas. The information will be used: 1) to assist HOME participants in managing their programs; 2) to track performance of participants in meeting fund commitment and expenditure deadlines; 3) to permit HUD to determine whether each participant meets the HOME statutory income targeting and affordability requirements; and 4) to permit HUD to determine compliance with other statutory and regulatory program requirements. This data collection is authorized under Title II of the Cranston-Gonzalez National Affordable Housing Act or related authorities. Access to Federal grant funds is contingent on the reporting of certain project-specific data elements. Records of information collected will be maintained by the recipients of the assistance. Information on activities and expenditures of grant funds is public information and is generally available for disclosure. Recipients are responsible for ensuring confidentiality when public disclosure is not required.

This form is intended to collect numeric data to be aggregated nationally as a complement to data collected through the Cash and Management Information (C/M) System. Participants should enter the reporting period in the first block. The reporting period is October 1 to September 30. Instructions are included for each section if further explanation is needed.

Submit this form on or before December 31.

Send one copy to the appropriate HUD Field Office and one copy to:
HOME Program, Rm 7176, 461 7th Street, S.W., Washington D.C. 20410

AFFIRMATIVE MARKETING PROGRAM

UNION COUNTY, NEW JERSEY
HOME INVESTMENT PARTNERSHIPS PROGRAM

AFFIRMATIVE MARKETING PROGRAM

The Union County Participating Jurisdiction has developed procedures which insure long-term adherence to the Affirmative Marketing rules described in 24CFR92.351. Each HOME Investment Partnerships Agreement, including those with other governmental bodies, for-profit developers, non-profit sponsors, and certified CHDO's, contains procedures requiring a specific plan for how the sponsor will affirmatively market the project in accordance with 24CFR92.351. Occupancy and admission requirements are presented and made part of the Partnerships Agreement.

EFFORTS BY THE COUNTY

Public Awareness

Union County has utilized multiple avenues to outreach to the public to communicate the right to fair housing choice and how to identify and report potential discrimination. Efforts have included the following:

1. **Material Distribution:** Union County has distributed fair housing marketing materials aimed at educating residents of their right to fair housing, how to identify discrimination, and how to report it. The purpose of distributing material is to reach people who experience discrimination but do not report it. Union County has researched strategies for increasing awareness and collaboration opportunities with other agencies, institutions of higher education, churches, schools and fair housing advocates.
2. **Fair Housing Website:** Union County has maintained a page dedicated to fair housing on its website. The webpage serves as an information clearinghouse for residents, housing professionals working in Union County, and government employees. The website has been updated periodically with issues related to fair housing.
3. **Media Advertising and Press Releases:** Union County has displayed ads in local newspapers to advertise local fair housing resources, including its web page. Union County has issued periodic press releases to highlight current fair housing issues, publication of reports, conferences and other newsworthy events.
4. **Coordination with Nonprofits and Other Government Agencies:** Union County has worked closely with HUD, fair housing agencies, nonprofit housing professionals, and other local government agencies to ensure fair housing efforts are coordinated among agencies. Union County has served as an information resource to other local government departments and organizations for fair housing related issues.

5. Union County has included the Equal Housing Opportunity logo or a Fair Housing statement in all press releases, advertising, brochures, etc., which describe the HOME Investment Partnerships Program.
6. Union County has included the housing developer or owner requirements to each Subgrantee in implementing their Affirmative Marketing Program.

EFFORTS BY HOME HOUSING DEVELOPERS OR OWNERS

All HOME Subgrantee Agreements include an Affirmative Marketing Certification. This certification will include requirements for maintaining fair housing policies and affirmative marketing efforts and will require submission of a detailed Affirmative Marketing Program that includes the following components.

1. The use of specifically identified community organizations, churches, fair housing groups or housing counseling agencies to publicize sale offerings or vacancies and otherwise attract eligible persons for all social, ethnic and gender groups in the housing market area to the available housing.
2. Use of Equal Housing Opportunity logo, slogan or statement in all advertising.
3. When vacancies or sale offering are advertised, use of media, including identified minority outlets, likely to reach persons least likely to apply for the housing.
4. Acceptance of a Fair Housing policy.
5. Display of a Fair Housing Poster in the rental office.
6. Display of the Equal Housing Opportunity logo on project signs, when posted; and,
7. Maintenance of records showing the results achieved, including the characteristics of units that become available and applicants. Applicant data should include household size, race and ethnicity, household income level (very low, low, or other) and sex of household head.

ALL HOME Subgrantees are required to report on their affirmative marketing efforts annually, as long as there are affordability requirements on the property (between five and twenty years depending upon the level of assistance provided). This provides information on the demographics of applicants, purchasers and tenants, marketing efforts used to recruit tenants and buyers for HOME units and, such other information as may be required by Federal Regulations.

SPECIAL OUTREACH EFFORTS

Special outreach efforts will be required to attract those persons least likely to apply for housing. Program applicants proposing projects in neighborhoods with minority concentrations will be required to use media and recruiting sources likely to reach non-minority occupants. Conversely, program applicants proposing projects in the neighborhoods without minority concentrations will be required to use media and recruiting sources likely to reach minority occupants.

ASSESSMENT OF AFFIRMATIVE MARKETING EFFORTS AND CORRECTIVE ACTIONS

The Annual Affirmative Marketing reports of all active HOME assisted properties have been recorded and analyzed. Program participants with questionable records will be referred to the fair housing staff for technical assistance.

Where HOME Subgrantees do not comply with the requirements of the Affirmative Marketing Certification and reject technical assistance, corrective action will be initiated.

Corrective actions that may be taken for documented failure to comply with affirmative marketing requirements will include:

1. Declaring the Owner in default and enforcing the default provisions of the Mortgage and Promissory Note, including immediate repayment of the full HOME subsidy.
2. Notification to HUD regarding the failure to comply.
3. Suspension or debarment from other publicly funded programs; and,
4. Other appropriate legal action.

Division of Community Planning & Development
Newark Field Office (Region II)
1 Newark Center - 13th Floor
Newark, NJ 07102

HEARTH Emergency Solutions Grant

Program Overview

The HEARTH Emergency Solutions Grant (HESG) program is designed to provide assistance for individuals/families to quickly regain stability in permanent housing after experiencing a housing crisis or homelessness.

HESG funds target individuals/families at or below 30% of the area median income, residing in the County of Union that are homeless, imminently homeless or at risk of homelessness with a documented need consistent with funding guidelines. Priority is given to families with child/ren. This would include families with multiple housing barriers. The first priority is given to persons who are experiencing homelessness and need temporary assistance in order to obtain housing and retain it through Rapid Re-Housing assistance. Second priority would be given to households with an eviction notice to prevent homelessness through prevention assistance.

In Union County under the HESG program there are five (5) service categories:

- 1) Emergency Shelter
 - Operations
 - Essential Services
- 2) Street Outreach
- 3) Homeless Management Information Systems (HMIS)
- 4) Rapid Re-Housing (RRH)
 - Relocation & Stabilization
 - Tenant Based Rental Assistance
- 5) Homelessness Prevention (HP)
 - Relocation & Stabilization
 - Tenant Based Rental Assistance

The HESG program provides temporary emergency shelter nights with case management supports to stabilize program participants; street outreach services to engage homeless individuals/families living on the street - a bridge to linking them with the Continuum of Care (CoC) System; Homeless Management Information System (HMIS) to provide staffing for HMIS data entry; and tenant based rental assistance to rapidly re-house homeless individuals/families, and prevent families/individuals from becoming homeless in order to obtain and retain housing. This effort is structured through a CoC strategy to promote long-term self-sufficiency and obtain a better quality of life.

Funded Providers

HESG sub-recipients are awarded funding through a Request for Proposal (RFP) process. Each awarded sub-recipient is mandated to participate in the State-wide initiative of the Homeless Management Information System (HMIS); an Internet based CoC tracking system. HMIS is used to monitor client services and prepare the required U.S. Department of Housing & Urban Development (HUD) reports. Designated domestic violence and legal services agencies are excluded from using HMIS however they *must have a comparable database in place to capture the HUD required statistical information.*

All sub-recipients are also required to meet the 100% matching funds, per the HUD's ESG Interim Rule. Documentation per the funding regulations (Section 576.201) will be required for reimbursement.

Additionally all sub-recipients are required to actively participate in the annual Homeless Point-In-Time Survey and the Comprehensive Emergency Assistance Systems and Continuum of Care (CEAS/CoC) Committee.

Below lists the sub-recipients that provided services during the *Consolidated Annual Performance & Evaluation Report (CAPER)* period (8/1/2020-7/31/2021):

Organization	Municipality	Type of Program
Bridgeway Rehabilitation Services, Inc.	Elizabeth	Street Outreach
Central Jersey Legal Services, Inc.	Elizabeth	HP: Relocation & Stabilization
Elizabeth Coalition to House the Homeless	Elizabeth	Emergency Shelter: Operations & Essential Services; RRH: Relocation & Stabilization and Tenant Based Rental Assistance
PROCEED, Inc.	Elizabeth	RRH: Relocation & Stabilization and Tenant Based Rental Assistance; HP: Relocation & Stabilization and Tenant Based Rental Assistance
The Gateway Family YMCA (formerly YMCA of Eastern Union County)	Elizabeth	Emergency Shelter: Operations & Essential Services; HMIS
The Salvation Army, Inc. (Elizabeth)	Elizabeth	Emergency Shelter: Operations & Essential Services; HMIS
YWCA Union County (formerly YWCA of Eastern Union)	Elizabeth	Emergency Shelter: Operations

Services Provided

During the CAPER period the following services were provided:

- Bridgeway Rehabilitation Services, Inc. provided a total of **75** households were served through ESG funding. Of the **92** households served, Bridgeway provided **75** unsheltered homeless individuals/families with outreach services; **92** individuals/families received case management assistance to obtain housing with follow up case management services three months after the completion services; **83** individuals/families received linkages to housing (temporary/permanent); **33** individuals/families received linkages to substance abuse services.
- Central Jersey Legal Services provided a total of **9** households were served through ESG funding. Central Jersey Legal Services provided legal assistance to **9** unduplicated eligible Union County households who might become homeless as a result of court action. All persons served were assisted with prevention services during the contract period.
- Elizabeth Coalition to House the Homeless provided a total of **72** households were served through ESG funding. Of the **61** households served, the Elizabeth Coalition to House the Homeless provided **1,411** motel/hotel nights to **48** rapid re-housing individuals/families;

provided **13** individuals/families with rental assistance (rapid re-housing) payments to obtain housing thereby avoiding homelessness; provided **30** individuals/families with case management services to obtain housing thereby avoiding homelessness (rapid re-housing); provided a total of **13** individuals/families with living arrangements, home inspections, and overall habitability of apartment to be rented, and follow-up visits; and provided **30** individuals/families with follow-up case management services three months after the completion of services during the contract period.

- PROCEED, Inc. provided a total of **14** households were served through ESG funding. Of the **14** households served, PROCEED provided **2** individuals/families with rental assistance (rapid re-housing) payments to obtain housing thereby avoiding homelessness; provided **2** individuals/families with case management services to obtain housing therefore avoiding homelessness (rapid re-housing); provided **2** individuals/families with rental assistance (prevention) payments to obtain housing thereby avoiding homelessness; provided **2** individuals/families with case management services to obtain housing therefore avoiding homelessness (prevention); provided individuals/families with living arrangements, home inspections, and overall habitability of apartment to be rented, and follow-up visits; and provided follow up case management services three months after the completion of services during the contract period.
- The Gateway Family YMCA provided a total of **95** households were served through ESG funding. The Gateway Family YMCA provided **95** single women/families residing at Madison house with emergency shelter and with case management services (including case management follow-up) during the contract period.
- The Salvation Army-Elizabeth provided a total of **65** households were served through ESG funding. The Salvation Army-Elizabeth provided **65** households with emergency shelter placement and case management services (including case management follow-up); in addition, **4,511** hot meals were provided to shelter residents during the contract period.
- The YWCA of Eastern Union County provided a total of **4** households were served through ESG funding. The YWCA of Eastern Union County provided **4** individuals/families with emergency shelter placement and case management services (including case management follow-up); and education on Federal, State and community resources available to victims of domestic violence during the contract period. While residing in the shelter, the shelter advocate provided crisis counseling, and advocacy to help clients become self-sufficient and lead Independent lives.

PR25 - CDBG Financial Summary Report
Program Year 2020
UNION COUNTY , NJ

DATE: 11-01-21
TIME: 14:24
PAGE: 1

PART I: SUMMARY OF CDBG RESOURCES

01 UNEXPENDED CDBG FUNDS AT END OF PREVIOUS PROGRAM YEAR	5,393,741.10
02 ENTITLEMENT GRANT	4,706,622.00
03 SURPLUS URBAN RENEWAL	0.00
04 SECTION 108 GUARANTEED LOAN FUNDS	0.00
05 CURRENT YEAR PROGRAM INCOME	244,711.86
05a CURRENT YEAR SECTION 108 PROGRAM INCOME (FOR SI TYPE)	0.00
06 FUNDS RETURNED TO THE LINE-OF-CREDIT	0.00
06a FUNDS RETURNED TO THE LOCAL CDBG ACCOUNT	0.00
07 ADJUSTMENT TO COMPUTE TOTAL AVAILABLE	0.00
08 TOTAL AVAILABLE (SUM, LINES 01-07)	10,347,074.96

PART II: SUMMARY OF CDBG EXPENDITURES

09 DISBURSEMENTS OTHER THAN SECTION 108 REPAYMENTS AND PLANNING/ADMINISTRATION	3,130,759.02
10 ADJUSTMENT TO COMPUTE TOTAL AMOUNT SUBJECT TO LOW/MOD BENEFIT	0.00
11 AMOUNT SUBJECT TO LOW/MOD BENEFIT (LINE 09 + LINE 10)	3,130,759.02
12 DISBURSED IN IDIS FOR PLANNING/ADMINISTRATION	784,196.87
13 DISBURSED IN IDIS FOR SECTION 108 REPAYMENTS	0.00
14 ADJUSTMENT TO COMPUTE TOTAL EXPENDITURES	0.00
15 TOTAL EXPENDITURES (SUM, LINES 11-14)	3,914,955.89
16 UNEXPENDED BALANCE (LINE 08 - LINE 15)	6,432,119.07

PART III: LOW/MOD BENEFIT THIS REPORTING PERIOD

17 EXPENDED FOR LOW/MOD HOUSING IN SPECIAL AREAS	0.00
18 EXPENDED FOR LOW/MOD MULTI-UNIT HOUSING	0.00
19 DISBURSED FOR OTHER LOW/MOD ACTIVITIES	3,115,759.02
20 ADJUSTMENT TO COMPUTE TOTAL LOW/MOD CREDIT	0.00
21 TOTAL LOW/MOD CREDIT (SUM, LINES 17-20)	3,115,759.02
22 PERCENT LOW/MOD CREDIT (LINE 21/LINE 11)	99.52%

LOW/MOD BENEFIT FOR MULTI-YEAR CERTIFICATIONS

23 PROGRAM YEARS(PY) COVERED IN CERTIFICATION	PY: PY: PY:
24 CUMULATIVE NET EXPENDITURES SUBJECT TO LOW/MOD BENEFIT CALCULATION	0.00
25 CUMULATIVE EXPENDITURES BENEFITING LOW/MOD PERSONS	0.00
26 PERCENT BENEFIT TO LOW/MOD PERSONS (LINE 25/LINE 24)	0.00%

PART IV: PUBLIC SERVICE (PS) CAP CALCULATIONS

27 DISBURSED IN IDIS FOR PUBLIC SERVICES	623,539.01
28 PS UNLIQUIDATED OBLIGATIONS AT END OF CURRENT PROGRAM YEAR	377,182.47
29 PS UNLIQUIDATED OBLIGATIONS AT END OF PREVIOUS PROGRAM YEAR	347,721.48
30 ADJUSTMENT TO COMPUTE TOTAL PS OBLIGATIONS	0.00
31 TOTAL PS OBLIGATIONS (LINE 27 + LINE 28 - LINE 29 + LINE 30)	653,000.00
32 ENTITLEMENT GRANT	4,706,622.00
33 PRIOR YEAR PROGRAM INCOME	567,481.10
34 ADJUSTMENT TO COMPUTE TOTAL SUBJECT TO PS CAP	0.00

Project:	0083 - Rahway Code Enforcement Program		
IDIS Activity:	4144 - Rahway Code Enforcement		
Status:	Completed 12/30/2020 3:35:43 PM	Objective:	Create suitable living environments
Location:	1 City Hall Plz Rahway, NJ 07065-5022	Outcome:	Availability/accessibility
		Matrix Code:	Code Enforcement (15)
		National Objective:	LMA

Activity to prevent, prepare for, and respond to Coronavirus: No

Initial Funding Date: 01/07/2020

Description:

This program provides code enforcement to protect the public health, safety, and welfare of residential structures. If funds the salary of one housingcode official who is responsible for the inspection of premises, the issuance of notices, enforcement of violations, and referrals to appropriate agencies or programs.

Approximately 250 lowmod income housing units are inspected.

Code enforcement is a valuable component in maintaining the overall condition of the housing stock in lowmoderate income neighborhoods and helps in the elimination of blighting conditions in the community.

2019	An extension was requested as we were having issues getting a contractor in to do the work. An extension was granted through December 2020. Funding will go towards replacement of commercial refrigerators & ice Machine. Due to Covid-19 there were some delays, but the Project received an extension and the Borough of New Providence was able to replace and install this equipment at the DiCorso Senior Center. Project will benefit the Senior Citizens of New Providence. The renovation included the addition of a new refrigerator, freezer and movable dividing wall.

2019	Our Senior Citizens program includes Bus which runs three days a week and takes our seniors to the food store, shopping centers, town hall, the library and the two local shopping malls twice a month. This enables them to get their errands done, especially food shopping and interact with their fellow seniors. The fitness center and fitness classes allow movement to their own pace or designed specifically for their age group and also interaction with their peers. Although COVID has made things more difficult and for months, non-existent, we are back to offering these services while following the mandates required helping our seniors live fuller lives during these difficult times.

2019	For the Year 45, we had 274 participants attend our Special Needs Adult Programs. The programs entailed 3 sessions of Karate, one in Cranford and 2 virtual with a total of 79 people, 4 sessions of Ceramics with a total of 33 people, 3 sessions of Culinary with a total of 86 people, 5 sessions of Yoga, 3 in person at Trailside and 2 virtual with a total of 76 people. These programs create a sensory friendly atmosphere for adults to socialized and meet new people in their community. The parents and the special needs community are forever thankful that the County for Union provide these type of programs at a affordable price. In addition, due to the COVID-19 pandemic, many of our classes had to switch from in person to virtual and this led to an increase in participants. Continuing to engage our participants while staying at home was a major success and we may continue to offer virtual programs in the future.

2019	This year, CPS program, provided support counseling, case management and concrete services to 27 families/109 individuals. CPS was able to provide parenting skills techniques to families (7 completed thus far) as well as behavior modification techniques with the children. CPS provided substance abuse education and random urine screens in which, 60-70 screens were negative. CPS connected families to social service, housing, employment and therapeutic resources. Families had no new reports of abuse/neglect at the time of case closure. During Covid-19, services were via telehealth. Families who were effected were given Shoprite gift cards. Those in need were provided with assistance with filing for unemployment.

2019	Our Nutrition Program has now completed its 26th year. This lunch program has continued to attract senior citizens inside our senior housing as well as residing elsewhere in the county. Our program not only provides a nutritious, hot meal to the elderly but also enables them to socialize and help each other. We are looking forward to getting our program up and running again in a safe environment.

Years	Accomplishment Narrative	# Benefitting
2019	Successfully had 3 parking gates installed. We found that the parking arms that were used, were too short for the width of our driveways. The contractor felt that purchasing longer arms would effect the stability of the gate. Therefore additional guardian steel safety barriers were installed at each entrance. All electrical and building inspections have been completed and the work passed inspections. Funds where used to run new electrical lines and install 3 automated parking gates within entrances and exit parking areas. Project will benefit the residents and children of the City of Plainfield that attend the Youth Center.

2019	The Borough of Fanwood has created emergency GoBags to be distributed to Seniors. The Borough has created and mailed out a survey to identify the needs of the Senior population of the Borough and identify the most vulnerable residents in the Borough of Fanwood. This grant allowed the Borough to offer transportation to the seniors and disabled individuals in Fanwood. The riders were able to get to their senior meetings, shopping and special events, by being picked up and dropped off at their homes. we will continue to look for more places to take them.

2019	The Hillside Senior Health Program for Senior residents of Hillside, aged 60+, offered a wide variety of health prevention and healthy living programs during the CDBG Year 45. These programs are staffed by the Public Health Nurse of the Hillside Health Department and are done in collaboration with Seton Hall University School of Nursing students. The Annual Peter D. Corvelli Health Fair offers the senior citizens of Hillside free blood pressure screenings, as well as blood glucose, vision, hearing and cancer screenings. Influenza vaccines are also offered free of charge. Blood pressure screenings are also done at the Senior Center and municipal building. Due to the Coronavirus, in person services re not performed. Phone calls were made to many Seniors regarding prevention of the spreading of the virus and pandemic planning.

Years	Accomplishment Narrative	# Benefiting
2019	Our major accomplishments during the time of COVID-19 is that we were able to provide food and continued social services to our seniors. We constantly made wellness calls and assisted when necessary with the support of our seniors. Additionally, this pandemic allowed to reach also an additional 100 seniors that prior to COVID did not come to the center.

Annual Accomplishments

Years	Accomplishment Narrative	# Benefitting
2019	For quarters 1 and 2, we held our seasonal sports clinics which included track, salsa, African dance, basketball and soccer. We also had an after school homework program, a community game night and a job fair for the construction industry within those quarters. For quarters 3 and 4, our normal sports clinics and activities were cancelled due to COVID-19. However, during quarter 3 funds were re-appropriated to purchase PPE youth mask and no contact thermometers. In quarter 4, we hosted two outdoor movie nights where we provided snacks, drinks and a mask to all in attendance. We also administered temperature checks using no contact thermometers upon arrival. Large outdoor games were also purchased for a socially distanced outdoor field day for all families in town.

2019	In CDBG Year 45, the Hillside Maternal Child Health Program offered families with children comprehensive health care services. The Well Child/immunization clinics are staffed by the Public Health Nurse and a Pediatrician. The clinics offered outstanding medical services for eligible children birth through 4 years of age and school aged children through their 19th birthday for necessary immunizations. The program also offered nutritional education as well as safety education, and care of the newborn through toddler hygiene. The Annual Peter D. Corvelli Health Fair offers free vision and hearing screenings children of all ages. We also offered evenings of influenza clinics during flu season for all Hillside residents children. Due to the Coronavirus, in person contact was cut short but contact continued on phone for COVID-19 prevention and planning.

Project: 0043 - Linden Food Pantry/Nutrition Program
IDIS Activity: 4186 - Linden Food/Pantry Nutrition Program
Status: Completed 11/19/2020 11:30:38 AM
Location: 14 W Munsell Ave Linden, NJ 07036-4407
Objective: Provide decent affordable housing
Outcome: Affordability
Matrix Code: Food Banks (05W)
National Objective: LMC

Activity to prevent, prepare for, and respond to Coronavirus: No

Initial Funding Date: 12/30/2019

Description:

LINCS food pantry distribute nutritional food & personal items, supplementing families monthly resources.

There are many LM families in the community who need assistance meeting minimal food & nutritional requirements.

Funding is needed to reach people and provide services once they are registered.

The block grant will defray rent allowing dedication to more valuable resources to feeding LM income households.

Funds are used for payment of rent of food facility, located at 14 West Munsell Ave, Linden.

Annual Accomplishments

Years	Accomplishment Narrative	# Benefiting
2019	Our office services seniors to keep them safe, healthy and well informed. We continue to offer exercise programs, games in our Senior Lounge, watercolor classes, intergenerational classes with our youth, etc. We also install lock boxes outside senior homes in case of an emergency and a smoke detector in their homes free of charge. A few seniors have turned 100+ years old and we celebrated with the Girls Scout and Boys Scouts in town. We hosted a Dementia Awareness Program for all first responders to educate them and a few men met for a Men's Group to spend time together and meet some new friends. We arranged free tickets to the plays at the local schools with refreshments served by Girls Scout prior to the play. There are man seniors who are trail where we visited them and shared our services.

IDIS Activity: 4189 - New Providence Senior Citizen High Risk Health Care Program
Status: Completed 11/19/2020 12:18:33 PM
Location: 15 E 4th St 15 East 4th Street New Providence, NJ 07974-2215
Objective: Create suitable living environments
Outcome: Availability/accessibility
Matrix Code: Senior Services (05A)
National Objective: LMC

Activity to prevent, prepare for, and respond to Coronavirus: No

Initial Funding Date: 01/14/2020

Description:

The New Providence Health Department provides many programs & services for the residents of the community. In particular there are many services and screenings programs geared for the high risk senior population. These programs are developed with a Senior Coordinator and are given with the assistance of local professionals and organizations including hospitals. The programs are given year round mainly at the Senior Center, they are well publicized and attended. Funds will be spent on the health fair, cholesterol, blood glucose screenings, presentations, guest speakers, equipment and supplies, educational videos and refreshments.

2019	Due to Covid-19, our program has been closed since March 18th by order of the NJ Governor. Children hosted their Annual Spelling Bee. Children learned stop animation technology and developed their own animated video. This included making all the sets and characters and learning to edit. Additional academic support was provided to student who had challenges completing their homework daily. Staff continued to maintain communication with children during the stay at home order, providing academic and emotional support. This included making sure children were participating in their virtual classes.

2019	<p>The Pandemic has really thrown us off our regular programming GAME! Our goal has always been to serve our seniors with this grant we are we are still engaging with them and preparing for our reopening. The staff were immediately given 20 to 30 members to contact weekly via telephone. Attached you will find a sample of the communication-questions and casual conversations the staff were trained to listen to and support the needs of our seniors. The goal as always is to reduce the feeling of isolation and meet any food insecurities that the senior may be experiencing. The purpose of the Wellness/Reassurance Calls to the senior addressed several senior needs. Such as: food insecurity, census questions, discuss any health conditions they are experiencing alleviate the social isolation this is a major concern. Meals on wheels, helped in the beginning then we partnered with the GREATER SOMERSET COUNTY YMCA. Kisha Belton-Chubb is the Senior Program Director where we deliver shelf stable food plus produce each week to our senior citizens at their home. The reallocation of the funds has afforded us to purchase the items needed for a smooth reopening transition Thank you</p> <p>We also are offering classes remotely such as: Exercise, Arts & Crafts, Jewelry, Millinery, Health classes also.</p>

Years	Accomplishment Narrative	# Benefiting
2019	<p>During the months of September 2019 through August 2020 the Urban League of Union County provided case management services to the previously incarcerated under parole and probation supervision as well as max outs returning to the Plainfield community. During the grant period (37) individuals enrolled in the Reconnections program. Each client received case management services resulting in (264) service referrals. The referrals included: Social Services, Healthcare, Identification, Department of Labor, Employment Readiness Workshop, Forklift Training, Vocational Training, GED, Legal Services, Mentoring and Social Security. The clients attended the following workshops specifically provided by Urban Leagues Reconnections Program: New Client Orientation, Employment Readiness Workshop, Legal Workshop and Mentoring Session.</p> <p>The accomplishments during the reporting period included:</p> <ul style="list-style-type: none"> -37 enrollments. Each received case management and follow-up assistance -37 clients were data based into Counselor Max -37 clients completed a 30 day survey -10 clients completed a 60 day survey -264 service referrals were made -30 clients were referred to the Department of Labor -15 clients attended the Reconnections Employment Readiness Workshop -35 clients were referred for mentoring support -Outreach was made to Parole, Probation, Elizabeth CRC, Task Force members -(13) individuals reported that they secured employment <p>Due to the Corona Virus Pandemic the referrals have been limited from Parole and Probation. Additionally, since March the Plainfield and Elizabeth American Jobs Centers have not permitted clients in the building for services. To continue to service clients in Union County, including Plainfield the Reconnections Program is operating out of the Urban League of Union County Office. We restructured the program to provide Reentry services to Plainfield returned citizens and others throughout Union County in person with social distancing capability and virtually via Zoom. Office closure due to the Pandemic also impacted the client's ability to complete the Employment Workshop. We are continuing to outreach to clients to determine their needs. Individuals who are unemployed will be offered the opportunity to attend the Reconnections Employment workshop via zoom.</p> <p>Overall, the Community Development Block Grant enabled Urban League of Union County to efficiently service the returned citizens and stay true to our mission. Our results are proof positive that we "Empower Communities and Change Lives."</p>

2019	We have been able to provide 214 individuals with hygiene kits and supplies. We are happy that we have been able to supply youth with hygiene kits made specifically for their age range. While the COVID-19 pandemic slowed down our ability to purchase hygiene supplies, we have been able to stock up on hand sanitizers which will be very useful to our clients as the state reopens and people start to gather again.

2019	The Year 45 Roselle Senior Citizens Social Services Program had another successful year despite COVID-19 issues that impacted attendance after March 2020. The Center provided programs that served to educate our seniors on such topics as COVID-19, nutrition, healthy lifestyles and the importance of exercise. Active and passive recreational activities were also provided so that seniors do not feel isolated or alone. Additionally, the senior bus service provided so that seniors do not feel isolated or alone. Additionally, the Senior Bus Service provided them with a greater sense of independence and mobility by not always having to rely upon family members for their transportation needs such as shopping and medical appointments.

2019	The Recreation department uses this daily transportation to provide our senior citizens with a ride to where ever they may need t go on a daily basis. Our seniors use this transportation to go to the doctors, grocery store, hair appointments, library, community center for senior events and much more. We also provide the with bus trips to many different places including the Farmer Market, Livingston Mall, PNC Bank Arts center, Hunterdon Hills Playhouse and numerous restaurants. The recreation department plans to continue these trips along with planning new trips for our seniors each year.

2019	This grant provides funding for senior citizen programs such as arts and crafts. It offsets the costs of social events such as trips to the movies, bus trips, holiday parties and other social events. It provides for the cost of maintenance and repairs on the van. The van is also used for the nutrition program and delivering meals to shut-ins. This grant also offset the cost of our health fair including the cost of influenza vaccine. IT also provides for blood pressure screening by our public health nurse once a month. Due to pandemic alterations needed to be made.

2019	<p>CCCC-Our level of service was to improve the care of 20 children, we were able to reach 25 children improve the quality of care that they receiving in Family Child Care homes in Union County. We assessed the FCC homes by utilizing the well-known ACA's Thelma Harms Environmental Scale ACA's. After the assessment, we created an improvement plan with the FCC provider. We have remained in contact with the FCC provider. We have remained in contact with the FCC provider remotely for technical assistance and training.</p> <p>Kings Daughter-A total of 685 child care days were provided. The daily activities that our children participate in include the following: Breakfast, lunch and snack. Weather permitting, the children engaged in outdoor play for one hour which occurs on the toddler or preschool playgrounds located on our property. During inclement weather, the children play on our covered and enclosed porches. For the remainder of the day, they actively participate in our educational programs that have evolved from the High Scope educational approach. High Scope is a research based approach to learning that follows a consistent daily routine that includes child selected and adult initiated learning experiences. When required, all children have access to social services and a nurse on sight.</p> <p>Neighborhood House- Provides quality preschool child care for 53 infant and toddler children and their families who have low to moderately low income households. Out accomplishments include implementation of NJ Grow Process, provide every infant and toddler with a Holiday gift. Several activities were held including: pictures with Santa, Hispanic Heritage Month, Holiday program and class parties. This program also successfully completed the infant toddler environmental scale. In cooperation with NJ Grow the program earned new equipment to enhance the classroom environment.</p> <p>Rahway Community Action Organization-Child Care Services: Pre-K teacher Salary Supplement for 2019-2020 School Year (non-BOE Class)</p> <p>Rahway Day Care- Child Care Services for 127 eligible students.</p> <p>Roselle Day Care-This Program provides child care service to very low and moderate income families. The funded program provides full-time infant/toddler and preschool services to 71 children per month. This allows parents to work or become trained for another profession. Funds went towards salaries. Staff members are encouraged to attend classes, seminars and workshops to increase their knowledge to child care practices and professional changes.</p> <p>YM-YWHA-This program provides full-time childcare 5 days per week for children in our infant care, pre-school and in afternoons in our after-school program for grade preschoolers.</p>

2019	<p>YWCA</p> <p>The YMCA Union County's Emergency Shelter Program provides safety and comprehensive services to victims of domestic violence and their children. During the grant year, a fire compromised the building that housed the shelter program from its beginning. Clients served since that time have been placed in hotels. A temporary shelter is being set up at this time. All inspections have been completed, we are waiting for the municipality to issue the certificate of operation. In the meantime, the YMCA will be demolishing the building that was damaged and rebuilding a completely new and modern building on the same site.</p>

Project:	0073 - United Way Family Strengthening Program		
IDIS Activity:	4227 - United Way of UC - Mental Health Services		
Status:	Completed 9/10/2021 4:49:42 PM	Objective:	Create suitable living environments
Location:	33 W Grand St Elizabeth, NJ 07202-1410	Outcome:	Availability/accessibility
		Matrix Code:	Mental Health Services (05O)
		National Objective:	LMC

Activity to prevent, prepare for, and respond to Coronavirus: No

Initial Funding Date: 01/14/2020

Description:

United Way of Greater Union County has partnered with the County of Union to strategically deploy CDBG Funds.

They have realigned their funding priorities to focus on the area of Family Strengthening with an emphasis on education, income and health.

Resources are aligned in the most effective way to help people gain access to educational, economic and health related opportunities.

Activities include mental health services, education - early childhood childcare and after school youth services, health services, housing and fiscal support- career services.

Activities will incorporate the matrix codes listed.

2019	Our concentration for this year was science, technology and math as part of our STEM program. For Science we focused on Forensics Sciences and Criminal Investigation. With the understanding of forensic se and the role forensics plays in investigating a crime, the mentees were able to navigate through a virtual crime scene. The technology focused on Creative Expression which the mentees used their cell phones to create vlogs and short films. With the math, we focused on Financial Literacy. The mentees developed the knowledge and skills to make effective and informed money management decisions.

Status:	Completed 12/30/2020 2:25:03 PM	Objective:	Create suitable living environments
Location:	Address Suppressed	Outcome:	Sustainability
		Matrix Code:	Code Enforcement (15)
		National Objective:	LMA

Activity to prevent, prepare for, and respond to Coronavirus: No

Initial Funding Date: 12/30/2019

Description:

The Township of Hillside will reduce the number of violations by inspections throughout the CDBG eligible areas, thus improving the housing stock within the Township. Funds provided will be used to compensate code enforcement officers. Their tasks will include identifying violations and taking steps to abate them. Also, included in the project will be the property clean up and board up of vacant home, which have been vacant by bank foreclosures or legal matters. These homes will identified by the code officials and cost for the clean ups will be established as a lien against the property until the property is reestablished as a ratable and the revenues generated by the liens will go back into the project. Location:	Address Suppressed	Outcome:	Sustainability
		Matrix Code:	Code Enforcement (15)
		National Objective:	LMA

Activity to prevent, prepare for, and respond to Coronavirus: No

Initial Funding Date: 01/07/2020

Description:

This program provides code enforcement to protect the public health, safety, and welfare of residential structures. If funds the salary of one housingcode official who is responsible for the inspection of premises, the issuance of notices, enforcement of violations, and referrals to appropriate agencies or programs.

Approximately 250 lowmod income housing units are inspected.

Code enforcement is a valuable component in maintaining the overall condition of the housing stock in lowmoderate income neighborhoods and helps in the elimination of blighting conditions in the community.

Activity to prevent, prepare for, and respond to Coronavirus: No

Initial Funding Date: 03/24/2021

Description:

Funds will cover salaries for the staff involved with this program.
The Plainfield Club expects to serve 75 children, provide youth with awareness and skills to counter the problems of their community.
Help them become independent thinkers, productive students and hopeful youth.
Help them envision a plan for the future.
Through comprehensive and varied program strategies that are designed to maximize opportunities for young people to acquire four basic "senses", help them build self-esteem and grow into responsible citizens.
Four senses are 1) a sense of competence 2) a sense of usefulness 3) a sense of belonging and 4) a sense of power and influence. ☐ (Funds will cover salaries for the staff involved with this program.)

2020	Our staff and teens carefully concluded two activities where the teens had a bake sale and a very successful Thanksgiving Luncheon. These Activities showed the planning and the competence and the leadership that it takes to execute for themselves but especially for the younger members. The students that participated are from Plainfield HS, UC Teams Charter School, B. Obama Charter School and Plainfield HS Academy of the Arts and Sciences. The highlight of the luncheon was that we gave \$50 gift cards for each family as Thanksgiving support.

Annual Accomplishments

Years	Accomplishment Narrative	# Benefiting
2020	During the months September 22 2020 through November 30 2020 the urban league of Union County provided case management services to the previously incarcerated under parole and probation supervision as well as max out returning to the Plainfield community. During the 1st Quarter of the CDBG reporting period (6) individuals were enrolled in the reconnections program that reside in Plainfield. Each client received case management services resulting in (48) Service referrals. The referrals included: Social Services, Healthcare, Identification, Department of Labor, Employment Readiness Workshop, Vocational training, GED, Legal Services, Mentoring, Life Skills, and Social Security. The clients attended the following workshops specifically provided by Urban Leagues reconnections Program: New Client Orientation, Employment Readiness Workshop, Legal Workshop, Life Skills Workshop and Mentoring Session. Upon completion of the Employment, Life Skills, Workshops and Mentoring session the clients earned certificates from the Urban League of Union County. Due to the American Job Center / Union County One Stop Center not permitting clients in the building for services the Reconnections Program is continuing to operate out of the Urban League of Union County Office. The Reconnections program was restructured to provide Reentry services the Plainfield returned citizens in person with social distancing and virtually via Zoom. The Clients are grateful to have the services available to them during this trying time. The faith based community and other community based agencies generously donated back packs with essential items for the returned citizen and holiday gifts for their children. The Reconnections clients are extremely grateful for the support.

Annual Accomplishments

Years	Accomplishment Narrative	# Benefiting
2020	During this quarter, Catholic Charities - In-Home Hispanic Child Protective Service (IHH/CPS) program, provided support counseling and case management and concrete services to seven families. IHH/CPS was able to provide parenting skills technique to families (4 completed this quarter), IHH/CPS also provided substance abuse education. IHH/CPS helped families effected by Covid-19 apply/recertify for unemployment and food stamps. Shoprite gift cards were also provided to families to assist with food. IHH/CPS gave Halloween baskets and mask to all of the children in order to promote a safe Halloween and we also provided food to families for Thanksgiving.

2020	Our normal Senior Citizen Program encompasses so many things such as the fitness center, classes and bus service as vouchered this year. However, we normally offer monthly senior meetings with relevant speakers, holiday parties and barbeques, crafting classes, games, dance classes, movie nights, etc. These activities are very well attended during normal times and have become part of senior life living in Clark Township. With the addition of senior housing a few years back we have added many more seniors to our community to enjoy all that we have to offer.

2020	The Recreation Department uses daily transportation service for senior citizens with rides to wherever they need to go on a daily basis. Our seniors uses this transportation to go to doctors appointments, hair salons, the grocery store, the post office, our community center center and many other places around town along with transporting our seniors to our community center where we hold many different senior events and activities. Our department also provided seniors with bus trips to the malls, restaurants, farmers markets, theaters and many more. We as a department look forward to continuing these trips and planning more new and exciting trips for our seniors in the future.

2020	Services include but not limited to outreach, information and referrals. New services that are offered by the Senior Coordinator are meal deliveries to seniors supporting the local restaurants, shopping by volunteers for seniors, deliveries from pharmacies by volunteers, a handyman program funded through Mountainside Borough, Zoom Communication, outdoor exercise classes, outdoor crat programs and outdoor bingo. As of December 11, 2020, we have delivered over \$10,000 meals to seniors since March 24th, 2020. We plan to continue this program to allow seniors to stay home to help protect them from COVID. We continue to offer Operation Blue Angel (Lock box program).

2020	Our Nutrition program has now completed our 27th year. Although we had to be creative due to COVID-19, we were able to start up in the 2nd half of the year. We were able to attract only our residents, but seniors in the community to participate in our Grab and Go program, our ice cream social and our end of the year barbecue. We look forward to continuing our program as a grab and go for the near future and then hopefully back to a hot lunch in our community room later this year or in 2022.

Annual Accomplishments

Years	Accomplishment Narrative	# Benefiting
2020	<p>We served 8 families with UBER cards and 4 families with the smaller van, for a total of 12 families. There were a total of 20 UBER trips. This may a better measurement- # of UBER trips, than number of families served. The 200 families goal was pre-pandemic, when we were driving many different families.</p> <p>Due to the pandemic, we switched from a congregate shelter model to an individual Emergency Shelter Apartment model. We no longer needed our van and van driver. Our families were also very cautious about taking public transportation, due to fears of the virus. We have provided UBER cards for clients to go to and from work, school, back and forth to the day center, etc. as part of their case plan. We served 8 families in this way. We served another four families, by driving them in our smaller van, with a case manager. We did not do this on a regular basis, as clients needed to be vaccinated and most are not. We are also experiencing longer length of stays in our shelter program, as there is a big shortage of affordable apartments, due to the eviction moratoria.</p> <p>This last quarter we provided 9 Households with 34 Uber and Lyft cards , for a total of 140 trips. We continue to serve families with Uber and Lyft cards for their transportation needs. We also supplement with our 8 passenger van. We use the van to help families get into their new apartments and to pick up donated furniture and household items. One client who is in emergency shelter has family in South Jersey and she had a very sick relative and she made trips back and forth to help her this required a great deal of Uber support. She had her own vehicle but it broke down and needed a new engine. We helped her with a mechanic but it took a couple of months, due to the pandemic and not being able to get certain car parts easily.</p>

Years	Accomplishment Narrative	# Benefiting
2020	<p>Reporting period is 10/22/2020-2/28/2021</p> <p>As we continue in the Coronavirus pandemic, no physical in-person services were provided during this reporting period. Phone calls have been made to many Senior Citizens that have been affected by COVID-19. Discussions during these phone calls include prevention of further spreading of the virus and planning for the future to be able to obtain the COVID-19 Vaccine if they desire. Assistance was given to help many receive the vaccine. In the interviews with those that tested positive, isolation/self quarantine instructions were discussed.</p> <p>During CDBG YR46, no in person services were provided. Phone calls were made to all Senior Citizens that have been affected by COVID-19. Discussions during there phone calls included prevention of further spreading of the virus and a future plan to receive the COVID-19 vaccine. In the interviews with those that were tested at Hillside's Testing site, health options, food distribution opportunities and available educational information was made accessible. Hillside's vaccination rate for those over the age of 60 years old, is over 86%.</p>

IDIS Activity:	4304 - Linden Food/Pantry Nutrition Program		
Status:	Open	Objective:	Create suitable living environments
Location:	14 W Munsell Ave Linden, NJ 07036-4407	Outcome:	Availability/accessibility
		Matrix Code:	Food Banks (05W)
		National Objective:	LMC

Activity to prevent, prepare for, and respond to Coronavirus: No

Initial Funding Date: 03/24/2021

Description:

LINCS food pantry distribute nutritional food & personal items, supplementing families monthly resources.

There are many LM families in the community who need assistance meeting minimal food & nutritional requirements.

Funding is needed to reach people and provide services once they are registered.

The block grant will defray rent allowing dedication to more valuable resources to feeding LM income households.

Funds are used for payment of rent of food facility, located at 14 West Munsell Ave, Linden.

Annual Accomplishments

Years	Accomplishment Narrative	# Benefiting
2020	Due to Covid 19 our normal sports clinics remained cancelled for the first quarter. However, we continue to work directly with the mayor on the food distributions as we have for the last 10 months. We distribute food to approximately 300 families weekly. We also participated in a turkey drive where we distributed 200 turkeys to families in need for the Thanksgiving holiday. Recreation was able to open the tennis courts at Central Avenue Park due to the fact that the sport allows you to be socially distanced. The tennis courts were open from September - December.

Annual Accomplishments

Years	Accomplishment Narrative	# Benefiting
2020	This has been a very difficult time, even though the Westfield area YMCA was fully closed for 3 months in 2020, then only able to open to 25% capacity with masks and social distancing, followed by 35%, 50% and finally 100% capacity in May 2021, we continued to provide exercise programs for adults with special health needs such as parkinson's, Arthritis and Osteoporosis. A virtual option was offered for many of these programs to provide ease of participation. In total, two specialized instructors provided approximately 50 adults with this programming from June 2020 through May 2021. The Y was unable to provide the Dragonfly program due to the nature of the Dragonfly population and the inability to maintain social distancing during COVID.

PGM Year:	2020				
Project:	0044 - Hillside Maternal Child Healthcare Program				
IDIS Activity:	4309 - Maternal Child Healthcare Program				
Status:	Open	Objective:	Create suitable living environments		
Location:	Address Suppressed	Outcome:	Availability/accessibility		
		Matrix Code:	Health Services (05M)	National Objective:	LMC

Activity to prevent, prepare for, and respond to Coronavirus: No

Initial Funding Date: 03/24/2021

Description:

This program address the primary health needs of the very young and provides important maternal and child health services by way of prenatal and post partum counseling and teaching.
Hillside's project is an ongoing one, which has developed a modern health station and is providing nursing and physician services to low moderate income families with infants and children.
Hillside will continue with the lead poisoning investigations services conducted as per NJDOH guidelines.
Home visiting and nurse counseling are included in the investigations.
Funds will be used for reimbursement of salaries, supplies and equipment for this program.

Annual Accomplishments

Years	Accomplishment Narrative	# Benefitting
2020	As we are still in the Coronavirus Pandemic, very limited in-person services were provided during the 1st quarter of CDBG year 46. Using all the required precautions, we continued to distribute baby formula, baby food, and feminine hygiene products to Hillside residents. The remainder of the quarters covered by this report consisted of phone calls to families that were affected by COVID-19. Prevention of the spread of the virus and planning for the future to be able to obtain the Vaccine were discussed. In the interview with those that tested positive or their parent or guardian, isolation/self quarantine instructions were discussed.

Activity to prevent, prepare for, and respond to Coronavirus: No

Initial Funding Date: 03/24/2021

Description:

The New Providence Health Department provides many programs & services for the residents of the community. In particular there are many services and screenings programs geared for the high risk senior population. These programs are developed with a Senior Coordinator and are given with the assistance of local professionals and organizations including hospitals. The programs are given year round mainly at the Senior Center, they are well publicized and attended. Funds will be spent on the health fair, cholesterol, blood glucose screenings, presentations, guest speakers, equipment and supplies, educational videos and refreshments.

Status:	Open	Objective:	Create suitable living environments		
Location:	Address Suppressed	Outcome:	Availability/accessibility		
		Matrix Code:	Child Care Services (05L)	National Objective:	LMC

Activity to prevent, prepare for, and respond to Coronavirus: No

Initial Funding Date: 03/24/2021

Description:

Will provide on-going child care services for 69-72 low income pre-school children (predominantly Hispanic) in a manner appropriate to their age and stage of development, opportunities for parent involvement, provide recreational programming (English to Spanish) as well as allow for the parents to continue their employment and/or further their education.
100% participants (children) will obtain the development skills necessary to enter public school without limitations.
Our goals are measured by assessing the children's ease in translation from pre-school to kindergarten.
Funds will be used to offset Teacher and two assistant teacher salaries.

2020	HOPES CAP, Inc. provides Early Childhood Educations Services to children ages 3-5 years old from low income families residing in the City of Plainfield. Our goal is to continue to provide high quality preschool education and care in the community as well as to support positive family outcomes. The program was able to enroll 75 preschool children during the first quarter. Children are placed in five preschool classrooms with one certified teacher and a qualified teacher assistant. This grant helps support staff salaries for three staff that work with these 75 children.

2020	During this time because Summit Schools were only in person for half days, we opened for our afterschool program for low and moderate income (as well as children of essential workers) to have their children come to one of two of the locations- The Cornnog Field House or Summit Community Center for facilitated remote learning from 12:30-3:00. Then from 3:00-5:30 the typical after school program was held where students can do homework, have snacks, do different activities in the fully supervised environment.

2020	This service helps to keep Summit Seniors connected with the greater community while maintaining a safe and reliable method of transportation. It allows Summit's seniors to remain independent in their residence while also providing socialization for those isolated. Most of the riders are low income and live in senior housing with no access to free transportation. The funds provided by Union County help to pay the bus drivers salaries.

Years	Accomplishment Narrative	# Benefiting
2020	Through funding from Union County CDBG Grant, We were able to underwrite the membership and costs associated with attending educational summer camp programming for 60 girls residing in Plainfield. These funds eliminated the financial barriers that would have otherwise prevented these girls from receiving the Girl Scout Leadership experience, reaping of social benefits of providing a safe, single-gender space for girls to be themselves, discover new things, and do more of what they want to do.

2020	During the year, Covenant Development Corp was able to distribute food to an average of 1200+ families each month. CDC, for the 1st Two quarters distributed food on the 1st Wednesday and the 1st and 3rd Saturdays of the month. During the last two quarters, CDC increased their distribution days to every Saturday to meet the needs of the community. Additionally the food pantry was opened periodically during the week for those in need. Ten volunteers assisted with picking up the food, sorting, packaging, weighing, and distributing food. The funds were spent on transportation and gas as well.

Initial Funding Date: 03/25/2021

Description:

United Way of Greater Union County has partnered with the County of Union to strategically deploy CDBG Funds.

They have realigned their funding priorities to focus on the area of Family Strengthening with an emphasis on education, income and health.

Resources are aligned in the most effective way to help people gain access to educational, economic and health related opportunities.

Activities include mental health services, education - early childhood childcare and after school youth services, health services, housing and fiscal support- career services.

Activities will incorporate the matrix codes listed.

2020	YWCA- During the grant period, the YWCA of Union County Domestic Violence Emergency Shelter Program provided comprehensive services to victims of domestic violence and their children. Programs and services included: 24 hour domestic violence hotline, emergency shelter case management, individual and group counseling, therapeutic art classes, job readiness and life skills workshop and economic empowerment trainings. Case management services are tailored to the specific needs of shelter residents and assist them to access the community and government services they need. Shelter clients also have access to other YWCA Union County programs such as our Court Advocacy program. The overall goal of the program is to give women the tools they need to become self-sufficient and independent of their abuser.

Years	Accomplishment Narrative	# Benefitting
2020	<p>CCCC-We are presently identifying the Family Child Care Providers in the targeted areas, who are serving low income children. Our level of service was to improve the care of 20 children. Each home will be assessed for quality by using the Family Child Care Environmental Rating Scale by Thelma Harms. We will work on an improvement plan with each provider for their program and offer training and technical assistance to improve the quality of care in their home.</p> <p>Kings Daughter- daily activities that our children participate in include the following: Breakfast, lunch and snack. Weather permitting, the children engaged in outdoor play for one hour which occurs on the toddler or preschool playgrounds located on our property. During inclement weather, the children play on our covered and enclosed porches. For the remainder of the day, they actively participate in our educational programs that have evolved from the High Scope educational approach. High Scope is a research based approach to learning that follows a consistent daily routine that includes child selected and adult initiated learning experiences. Children have access to social services and a nurse on sight.</p> <p>Neighborhood House- Neighborhood House provided quality preschool child care for 31 infant and toddler children and their families who have low to moderately low income households. Our accomplishments in spite of COVID include implementation of paperless applications and payment process. Every infant and toddler was provided with a Holiday gift. Several activities that are normally held like pictures with Santa, Hispanic Heritage Month, Holiday program and class parties were abbreviated to accommodate the COVID safety requirements. Enrollment fluctuated during this period, however we were able to maintain quality employees with the support of these funds.</p> <p>Rahway Day Care- Due to COVID-19, Child care enrollment have been limited to 57 eligible students. however, since Rahway Public Schools are virtual, we adapted our program and offer full day/full time care for virtual learners.</p> <p>Roselle Day Care- Funds went towards salaries. Staff members are encouraged to attend classes, seminars and workshops to increase their knowledge to child care practices and professional changes.</p>

		National Objective:	LMA

Activity to prevent, prepare for, and respond to Coronavirus: No

Initial Funding Date: 04/28/2021

Description:

The Township of Hillside will reduce the number of violations by inspections throughout the CDBG eligible areas, thus improving the housing stock within the Township. Funds provided will be used to compensate code enforcement officers. Their tasks will include identifying violations and taking steps to abate them. Also, included in the project will be the property clean up and board up of vacant home, which have been vacant by bank foreclosures or legal matters. These homes will be identified by the code officials and cost for the clean ups will be established as a lien against the property until the property is reestablished as a ratable and the revenues generated by the liens will go back into the project. HEARTH Emergency Solutions Grant

Program Overview

The HEARTH Emergency Solutions Grant (HESG) program is designed to provide assistance for individuals/families to quickly regain stability in permanent housing after experiencing a housing crisis or homelessness.

HESG funds target individuals/families at or below 30% of the area median income, residing in the County of Union that are homeless, imminently homeless or at risk of homelessness with a documented need consistent with funding guidelines. Priority is given to families with child/ren. This would include families with multiple housing barriers. The first priority is given to persons who are experiencing homelessness and need temporary assistance in order to obtain housing and retain it through Rapid Re-Housing assistance. Second priority would be given to households with an eviction notice to prevent homelessness through prevention assistance.

In Union County under the HESG program there are five (5) service categories:

- 1) Emergency Shelter
 - Operations
 - Essential Services
- 2) Street Outreach
- 3) Homeless Management Information Systems (HMIS)
- 4) Rapid Re-Housing (RRH)
 - Relocation & Stabilization
 - Tenant Based Rental Assistance
- 5) Homelessness Prevention (HP)
 - Relocation & Stabilization
 - Tenant Based Rental Assistance

The HESG program provides temporary emergency shelter nights with case management supports to stabilize program participants; street outreach services to engage homeless individuals/families living on the street - a bridge to linking them with the Continuum of Care (CoC) System; Homeless Management Information System (HMIS) to provide staffing for HMIS data entry; and tenant based rental assistance to rapidly re-house homeless individuals/families, and prevent families/individuals from becoming homeless in order to obtain and retain housing. This effort is structured through a CoC strategy to promote long-term self-sufficiency and obtain a better quality of life.

Funded Providers

HESG sub-recipients are awarded funding through a Request for Proposal (RFP) process. Each awarded sub-recipient is mandated to participate in the State-wide initiative of the Homeless Management Information System (HMIS); an internet based CoC tracking system. HMIS is used to monitor client services and prepare the required U.S. Department of Housing & Urban Development (HUD) reports. Designated domestic violence and legal services agencies are excluded from using HMIS however they *must have a comparable database in place to capture the HUD required statistical information.*

All sub-recipients are also required to meet the 100% matching funds, per the HUD's ESG Interim Rule. Documentation per the funding regulations (Section 576.201) will be required for reimbursement.

Additionally all sub-recipients are required to actively participate in the annual Homeless Point-In-Time Survey and the Comprehensive Emergency Assistance Systems and Continuum of Care (CEAS/CoC) Committee.

Below lists the sub-recipients that provided services during the *Consolidated Annual Performance & Evaluation Report (CAPER)* period (8/1/2020-7/31/2021):
