EMT Refresher B (Medical)

NJ EMT's require 24 elective CEU credits, along with a 24-hour EMT Refresher to recertify their EMT credentials. This program is designed to satisfy the EMT Refresher component of the renewal for NJ Emergency Medical Technicians. The refresher program has been broken down into three sections: Airway, Trauma, and Medical. Refresher B provides a review of Medical Emergencies, assessment, and treatment options for common medical emergencies experienced in the prehospital setting. Each section is an 8-hour program that does not need to be completed as a set. Students are required to attend all three sections- A, B, and C in order to utilize these CEUs for their recertification.
