

UNION COUNTY
NATIONAL NIGHT OUT
FOR EVERYONE

Spin & Share

At the Union County National Night Out for Everyone, there is a fun activity called the Spin & Share.

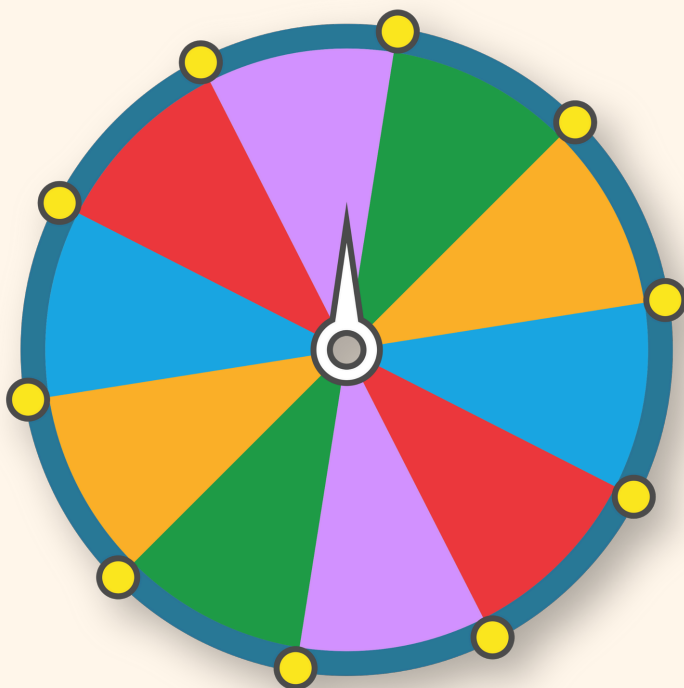

The Spinning Wheel is a round wheel that has many colorful panels. Each section on the spinning wheel has a different activity or question.

I take turns with others to spin the wheel. I shouldn't spin the wheel too hard. Each time the wheel stops, it will land on a different panel.

I can enjoy spinning when it is my turn and watch others have their turn too.

When it's my turn, I can spin the wheel and watch it go around.

After I spin the wheel and it stops, I can read what the panel says.

If I am unable to read what it says, I can ask someone to read it for me.

Spin & Share is a fun way to ask others questions and learn more about safety. There is no winning or losing.

People are here to help me and make sure I have a good time.

We can all have fun together and learn new things.
