

Guidelines for Submitting a Request for a 2027 HEART Grant

Introduction:

The Union County Board of County Commissioners, recognizing the importance of culture, history and the arts, established the HEART Grant Program to encourage a thriving environment for the arts and cultural activities. This program serves as a catalyst to strengthen Union County's non-profit organizations, artists and scholars, enhancing their capacity to provide innovative projects relating to history, the arts and humanities, developing Union County as a center for innovation and excellence in arts and culture.

Projects funded under the HEART Grant Program must directly benefit Union County residents and increase appreciation for Union County history, the arts and humanities, demonstrating that cultural assets are a vital part of community life, education and well-being, economic development and cultural heritage tourism.

The Union County Board of County Commissioners will give paramount consideration to projects that:

- showcase Union County-based arts or historical resources
- engage County residents of all ages
- encourage participation by Union County's diverse populations in all aspects of arts, history and cultural activities within the county
- are submitted by new applicants or that propose new projects

An organization or individual may submit one application for the grant year. As funds are limited, grants are very competitive. It is possible that successful applicants may not receive the full amount of their request. All funding is pending Union County budget approval.

Unless renewed and extended by the Union County Board of County Commissioners, the HEART Grant Program will terminate on December 31, 2027. All funding is pending Union County budget approval.

Deadlines: First time applicants only are required to submit an early draft of the applications narrative and project budget page.

First-time applicants deadline is Friday, October 23, 2026.

Full Application deadline is Friday, October 30, 2026.

The **cash match** is the amount of money that an organization is required to spend on the project from its own money. It is the organization's share of the total cost of the project. Depending on the amount of the request (see below), **organizations** may need to provide a cash match.

Cash match requirements for organizational applicants only:

- Grant requests of \$1,000 or under have no cash match requirement.
- Grant requests of \$1,001 to \$2,200 must match at least 25% in cash.

The cash match may come from any source except funds from other direct Union County support. County funds may not be used to match other County funds. An organization's cash match may include funds from anticipated admissions, donations, memberships, registrations, other grants, reserve funds, etc. Depending on the total cost of your project, the match may be more than the minimum requirement described above.

Project Budget:

Applicants are required to complete the Project Budget section of the application. This will show expenses and sources of income for your project. It is not necessary to have a figure on each line on the form; complete only what is applicable to your project. Grant funds may be allocated to one category or divided among several.

Note: Organizations must submit their prior year's annual budget summary, (less than 2 pages), in addition to the Project Budget form.
